THE 1946 PROJECT Edward D. Andrews, 2021-10-28 The claim is that in 1946 theology history culture and

politics led to a biblical mistranslation of catastrophic proportions. Supposedly the 1946 movie is a revolutionary documentary that chronicles how the misuse of a single word in 1 Corinthians 6:9 changed the course of modern history. The 1946 Movie says that their research was a journey which unveils the mystery of how theology, history, culture, and politics led to a Biblical mistranslation, the man who tried to stop it, and the impassioned academic crusade of the LGBTQIA Christian community driven to discover the truth. More than 45,000 churches today still preach that homosexuality is a sin, citing biblical references that condemn homosexuals. The 1946 Movie asks: What would change if churches discovered the truth? The word homosexual was added to the Bible in 1946 by mistake. Was it added by mistake? Andrews, author of 170 books, in *THE 1946 PROJECT* will investigate this claim and see if the filmmakers discovered the truth or created their own truth. *Catalogue of English Bible Translations* William J. Chamberlin, 1991-12-10. While other Bible catalogs are available, this comprehensive reference book is destined to become the standard in the field. Chamberlin's one-volume work traces the publication history of multiple editions of Bible translations and offers valuable descriptive annotations. The catalog not only includes complete Bibles but also Old and New Testaments, partial texts, commentaries that include translations, children's Bibles, Apocryphal writings, and the Koran, as well. Other bibliographies are usually limited to editions commonly found in academic libraries, but Chamberlin's guide also includes Bibles found in private collections. Overall, this catalogue contains more than five times as many entries of different English translations as two other Bible bibliographies: those by Hill and Herbert combined. The entries are grouped in 151 categories, and within each category, entries are listed in chronological order. The accompanying annotations identify the translator and provide an overview of the contents of each work. The detailed indexes make this bibliography a convenient tool for researchers, Bible scholars, collectors, and rare book dealers. Will this catalogue be a necessary addition to their libraries?
