The M1 Garand World War II:

The M1 Garand Scott A. Duff, David C. Clark, 1993-10-01 **The M1 Garand** Scott A. Duff, 1993-10-01 **The M1 Garand of World War II** Scott A. Duff, 1987 **The M1 Garand** Scott A. Duff, 1989 The purpose of this book is to present accurate information to the collector of the M1 rifle covering the period from 2 September 1945 through 30 June 1957 The primary subject will be the service grade weapon of this period The National Match M1 sniper rifles experimental weapons and the Light Weight Rifle Program will be discussed briefly Preface *The M1 Garand* Leroy Thompson, 2012-05-20 The M1 Garand gave the US infantryman a marked edge during World War II It shot faster and further than enemy infantry rifles and hit harder No less an authority on killing the enemy than General George S Patton called the Garand The greatest battle implement ever devised At a time when opposing forces were armed with bolt action rifles US troops had a highly reliable self loader The eight round clips which were used to load the M1 Garand were however viewed with mixed emotions by the troops on the ground Some Army and Marine Corps troops allegedly felt that the distinctive twang as the Garand's clip was ejected when empty alerted the enemy that the soldiers were reloading and resulted in an attack But the Garand became the defining mankiller of the war despite its weight and magazine problems and many US combat veterans consider it one of the key reasons they survived the war **The Essential M1 Garand** Jim Thompson, 2020-02-25 The first self loading rifle to see widespread military use the robust M1 Garand survived the tests of battle from World War II to Vietnam and it remains a favorite among competition shooters and collectors to this day In this heavily illustrated practical history author Jim Thompson a longtime M1 shooter and collector tells the complete story of the rifle's development look feel and function A thoroughly researched overview of the M1 Garand goes beyond industrial histories and provides background on manufacturers and stateside sources as well as discussing ammunition and accuracy Detailed photo sections present Early and World War II rifles World War II and postwar rebuilds including rare postwar rifles from the US and Italy Special purpose rifles and rarities including sniper match and competition rifles plus the T26 Spinoffs and derivatives including the M14 M1A and BM 59 In addition reprinted and heavily annotated military and National Match manuals an updated troubleshooting chart and a section on reloading provide valuable functional data and rules of thumb with the shooter in mind Collectors will benefit from an extensive parts compendium The final part of the book dedicated to the enjoyment and maintenance of the M1 addresses some common questions about the rifle and offers detailed instruction on some expert procedures for maintaining and smoothing this wartime classic *The Rifle* Andrew Biggio, 2021-06 It all started because of a rifle The Rifle is an inspirational story and hero's journey of a 28 year old U S Marine Andrew Biggio who returned home from combat in Afghanistan and Iraq full of questions about the price of war He found answers from those who survived the costliest war of all WWII veterans It began when Biggio bought a 1945 M1 Garand Rifle the most common rifle used in WWII to honor his great uncle a U S Army soldier who died on the hills of the Italian countryside When Biggio showed the gun to

his neighbor WWII veteran Corporal Joseph Drago it unlocked memories Drago had kept unspoken for 50 years On the spur of the moment Biggio asked Drago to sign the rifle Thus began this Marine s mission to find as many WWII veterans as he could get their signatures on the rifle and document their stories For two years Biggio traveled across the country to interview America s last living WWII veterans Each time he put the M1 Garand Rifle in their hands their eyes lit up with memories triggered by holding the weapon that had been with them every step of the war With each visit and every story told to Biggio the veterans signed their names to the rifle 96 signatures now cover that rifle each a reminder of the price of war and the courage of our soldiers
