The Magi Image Vincent Ferrini, 1995      The Image of the Black in Western Art David Bindman, Henry Louis Gates (Jr.), Karen C. C. Dalton, 2010 A pioneering work in the field of art history The Image of the Black in Western Art is a comprehensive series of ten books which offers a lavishly illustrated history of the representations of people of African descent from antiquity to the present Each book includes a series of essays by some of the most distinguished names in art history Ranging from images of Pharaohs created by unknown hands almost 3 500 years ago to the works of the great masters of European and American art such as Bosch D rer Mantegna Rembrandt Rubens Watteau Hogarth Copley and Goya to stunning new media creations by contemporary black artists these books are generously illustrated with beautiful moving and often little known images of black people Black figures queens and slaves saints and soldiers priests and prisoners dancers and athletes children and gods are central to the visual imagination of Western civilization Written in accessible language the extensive and insightful commentaries on the illustrations by distinguished art historians make this series invaluable for the general reader and the specialist alike R sum de l diteur      **Virtuous or Villainess? The Image of the Royal Mother from the Early Medieval to the Early Modern Era** Carey Fleiner, Elena Woodacre, 2016-07-14 This collection addresses royal motherhood across Europe from both the medieval and Early Modern periods including in famous and not so famous royal mothers The essays in this collection reveal the complexities and the subtleties inherent in the role of royal mothers and challenges these traditional stereotypes The volume provides a fresh re evaluation of these women from those who have been given an almost saintly status to those who struggled against contemporary chronicles and propaganda that perpetuated the stereotypes associated with bad mothers these particular images of saintliness and wickedness have persisted right into the modern era This series of intriguing case studies reveals how royal mothers were perceived by their contemporaries and explores the motivation for the ways in which they are depicted in modern popular culture Taken together with the companion volume Royal Mothers and their Ruling Children this collection sheds new light on the important and challenging role of mothers within the framework of monarchy and at the epicenter of power      **Modernist Image** Ethan Lewis, 2010-05-11 This text will make one see something new by granting new eyes to see with as Ezra Pound remarked of Imagism Still he soon dissociated himself from the movement he helped found to which T S Eliot never belonged Why then study Pound and Eliot as Imagists As the former phrased it to offer language to think in regarding their shared premium on precision and to explicate differing reasons for this emphasis Pound plies accuracy to carve distinctions By carving he sought to delineate components of a model culture Conversely and paradoxically severances renderable through apt language enabled Eliot to intuit a divine amalgamation which would displace inevitable confusions among objects and between subject and object turmoil dramatized in Eliot s early work A book focusing this opposition requires concrete manifestations Imagist poetics of the nineteen teens and twenties as our authors understood it informs exploring their

disparate tendencies and provides examples of that contrast Because they transcended it Imagism initiates Pound s and Eliot s development Poets wed to Imagism necessarily treat small things Dasenbrock due to their poetic of stasis Kenner Imagist techniques however presenting interactive complexes creating illusions of spatio temporal freedom set the course for the Modernist long poem Our subjects extend a tradition limned by several scholars principally Sir Frank Kermode Romantic Imagism animates the best writing between Coleridge and Blake and Pound and Eliot A parallel critical inheritance this study will humbly continue

*Medieval Texts and Images* Margaret M. Manion, Bernard J. Muir, 2019-07-08 Originally published in 1991 *Medieval Texts and Images* is a collection of essays which critically examines medieval manuscripts The book contains a wide range of contributions the first examines the relationship of the L gende Dor e and its relationship to the aristocratic patrons who commissioned these manuscripts the second scrutinises the tradition of French illumination as it was developed in Paris in the so called Bedford Master s workshop in the 1420s The text examines liturgical texts of the medieval period and written and liturgical contributions to Renaissance art Other contributions include an investigation into the written scroll within the painted composition comparing various compositional and thematic functions in the depiction of a Crucifixion and a study of Christian vernacular poetry This collection provides a comprehensive overview of the use of text and image in medieval literature

*Memory and Identity in the Syriac Cave of Treasures* Sergey Minov, 2020-12-07 In *Memory and Identity in the Syriac Cave of Treasures* Rewriting the Bible in Sasanian Iran Sergey Minov examines literary and socio cultural aspects of the Syriac pseudepigraphic composition known as the Cave of Treasures which offers a peculiar version of the Christian history of salvation The book fills a lacuna in the history of Syriac Christian literary creativity by contextualising this unique work within the cultural and religious situation of Sasanian Mesopotamia towards the end of Late Antiquity The author analyses the Cave s content and message from the perspective of identity theory and memory studies while discussing its author s emphatically polemical stand vis vis Judaism the ambivalent way in which he deals with Iranian culture and the promotion in this work of a distinctively Syriac oriented vision of the biblical past

*Reconstructing the Reality of Images* Maria Parani, 2021-10-25 This volume examines the occurrence of secular contemporary artefacts realia in Middle and Late Byzantine religious painting It explores the potential of Byzantine art as a source of information on material culture and inquires into the semiotic function of realia in religious pictorial contexts The first part of the book comprises five case studies dedicated to imperial official aristocratic and military dress furniture furnishings and implements The creative processes that led to the introduction of realia into religious iconography are discussed in the commentary The book conveys a wealth of information especially on Byzantine dress and provides valuable

new insights into the workings of Byzantine art It is an original and thorough investigation of a fascinating yet surprisingly little studied subject Muslim and Catholic Pilgrimage Practices Albertus Bagus Laksana, 2016-04-29 Exploring the distinctive nature and role of local pilgrimage traditions among Muslims and Catholics Muslim and Catholic Pilgrimage Practices draws particularly on south central Java Indonesia In this area the hybrid local Muslim pilgrimage culture is shaped by traditional Islam the Javano Islamic sultanates and the Javanese culture with its strong Hindu Buddhist heritage This region is also home to a vibrant Catholic community whose identity formation has occurred in a way that involves complex engagements with Islam as well as Javanese culture In this respect local pilgrimage tradition presents itself as a rich milieu in which these complex engagements have been taking place between Islam Catholicism and Javanese culture Employing a comparative theological and phenomenological analysis this book reveals the deeper religio cultural and theological import of pilgrimage practice in the identity formation and interaction among Muslims and Catholics in south central Java In a wider context it also sheds light on the larger dynamics of the complex encounter between Islam Christianity and local cultures

"Women, Manuscripts and Identity in Northern Europe, 1350-1550" Joni M. Hand, 2017-07-05 Author Joni M Hand sheds light on the reasons women of the Valois courts from the mid fourteenth to the mid sixteenth century commissioned devotional manuscripts Visually interpreting the non text elements portraits coats of arms and marginalia as well as the texts Hand explores how the manuscripts were used to express the women's religious political and or genealogical concerns This study is arranged thematically according to the method in which the owner is represented Recognizing the considerable influence these women had on the appearance of their books Hand interrogates how the manuscripts became a means of self expression beyond the realm of devotional practice She reveals how noblewomen used their private devotional manuscripts as vehicles for self definition to reflect familial political and social concerns and to preserve the devotional and cultural traditions of their families Drawing on documentation of women's book collections that has been buried within the inventories of their fathers husbands or sons Hand explores how these women contributed to the cultural and spiritual character of the courts and played an integral role in the formation and evolution of the royal libraries in Northern Europe

Intangible Spirits and Graven Images: The Iconography of Deities in the Pre-Islamic Iranian World Michael Shenkar, 2014-09-08 Winner of the the Roman and Tania Ghirshman Prize 2015 by the French Académie des Inscriptions et Belles Lettres This prize was established in 1973 by the donation made by Roman Ghirshman one of the prominent French archaeologists of Pre Islamic Iran It is awarded annually for a publication in the field of Pre Islamic Iranian Studies In *Intangible Spirits and Graven Images* Michael Shenkar investigates the perception of ancient Iranian deities and their representation in the Iranian cults This ground breaking study traces the evolution of the images of these deities analyses the origin of their iconography and evaluates their significance Shenkar also explores the perception of anthropomorphism and aniconism in ancient Iranian religious imagery with reference to the material evidence and the written sources and

reassesses the value of the Avestan and Middle Persian texts that are traditionally employed to illuminate Iranian religious imagery In doing so this book provides important new insights into the religion and culture of ancient Iran prior to the Islamic conquest     **Semiotics of Images** Alexandros Ph. Lagopoulos,Karin Boklund-Lagopoulou,Maria Giulia

Dondero,Jacques Fontanille,Maria Ilia Katsaridou,Rea Walldén,2024-11-18 This book represents a unique collaborative effort to bring together the multiple aspects of the semiotics of images into a coherent approach based on Greimasian and post Greimasian theory Starting with a critical discussion of epistemological and theoretical issues and continuing with methodology and numerous examples of applied analysis it aims to provide the educated reader with a consistent and unified theoretical framework for the semiotic study of visual cultural texts It offers a comprehensive overview of the semiotics of static images such as painting drawing sculpture and photography but also dynamic images such as cinema animation and digital games Readers will benefit from the special emphasis placed on the analysis of the pictorial signifier visual syntax and the structuring of the semantic universe     Sacred Images and Sacred Power in Byzantium Gary Vikan,2024-10-28 In these

studies Gary Vikan has opened new perspectives on the daily life and material culture of Late Antiquity more specifically on icons and relics and on objects revealing of the world of pilgrimage the early cult of saints and marriage He contextualizes these familiar categories of object in the patterns of belief and ritual extracted from contemporary texts and the objects themselves in order to understand their meaning within the everyday lives of those by whom and for whom they were made The studies give a nuanced delineation of the inherently ambiguous boundary between conventional religion and magic noting repeatedly those instances wherein the two are invoked in the same breath and by way of the same art object toward the same end From this historically constructed matrix of art belief and ritual the author derives an anthropologically defined paradigm of charisma and pilgrimage applied in one essay as an intriguing parallel to deconstructing the world of a contemporary secular saint Elvis Presley     Toward a Global Middle Ages Bryan C. Keene,2019-09-03 This important and

overdue book examines illuminated manuscripts and other book arts of the Global Middle Ages Illuminated manuscripts and illustrated or decorated books like today s museums preserve a rich array of information about how premodern peoples conceived of and perceived the world its many cultures and everyone s place in it Often a Eurocentric field of study manuscripts are prisms through which we can glimpse the interconnected global history of humanity Toward a Global Middle Ages is the first publication to examine decorated books produced across the globe during the period traditionally known as medieval Through essays and case studies the volume s multidisciplinary contributors expand the historiography chronology and geography of manuscript studies to embrace a diversity of objects individuals narratives and materials from Africa Asia Australasia and the Americas an approach that both engages with and contributes to the emerging field of scholarly inquiry known as the Global Middle Ages Featuring more than 160 color illustrations this wide ranging and provocative collection is intended for all who are interested in engaging in a dialogue about how books and other textual objects contributed to world

making strategies from about 400 to 1600      An Illustrated Life of Christ Presented to the Chinese Emperor Nicolas Standaert, 2024-12-15 A renewed attention to visual culture is one of the recent developments in the study of cultural contacts between China and Europe in the seventeenth and eighteenth centuries The subject of this book is the illustrated Life of Christ presented to the Chinese emperor in 1640 by the Jesuit missionary Johann Adam Schall von Bell S J 1592 1666 The origin of the work is a small parchment booklet with coloured miniature paintings based on a wide variety of prints by well known European engravers e g H Goltzius J Stradanus It was compiled in Munich in 1617 and a Chinese version with the title Jincheng shuxiang was published in Beijing more than twenty years later in a nicely illustrated edition An Illustrated Life of Christ is a fascinating analysis of one of the earliest artistic encounters between Europe and China Standaert has once again demonstrated his scholarly foresight workmanship and authority John T P Lai in Journal of the History of Christianity in Modern China This book is composed of two parts Part I traces the complex history of production of Jincheng shuxiang from its European origin to its Chinese reception It also analyses the illustrations and the text Part II contains the reproduction of the Chinese text and 48 illustrations the reproduction of the identified original European prints and a translation of the Chinese text It is hoped that the wider diffusion of this rare primary source which is now reprinted for the first time since the seventeenth century will further stimulate the study of visual culture in Sino Western relations The book will be of interest to a broad range of scholars from art historians of China and Europe to scholars interested in print history and theologians

**Images of Thomas Becket in the Middle Ages and Beyond** Alyce A. Jordan, Kay Brainerd Slocum, 2025-03-25 Explores the commemoration and memorialisation of the Canterbury martyr in visual and material culture In life and especially in death Thomas Becket was nothing short of a medieval celebrity whose significance spanned the European high Middle Ages in to the sixteenth century Henry VIII s suppression of his cult in 1536 only served to enhance his popularity elsewhere Visual depictions of his life high profile careers spectacular demise and posthumous legacies are numerous These images document both the extent and the efficacy of his invocation across religious political and civic agendas Becket remains the stuff of literature and legend art drama and cultural commodification This volume explores Becket imagery both in such traditional media as stained glass and illuminated manuscripts and less common objects toys baptismal fonts and vernacular almanacs Its essays provide new interpretations of the archaeological iconographic and historiographic spectrum of Becket imagery by for example deconstructing religious secular binaries in the study of pilgrim badges and revising long established interpretations of Canterbury stained glass They also expand the Becket visual canon into broader geographic and temporal contexts from medieval Denmark and Spain to eighteenth and nineteenth century Britain and twenty first century Boston Meanwhile contributions which look at the appropriation and use of Becket imagery in the aftermath of the English Reformation break new ground in scrutinizing a subject well traversed in text but that has only begun to be explored in visual and material culture      Images of the Mother of God Maria Vassilaki, 2017-03-02 Fully illustrated in colour and

black and white Images of the Mother of God complements the successful exhibition catalogue of the Mother of God exhibition at the Benaki Museum in Athens It brings together the work of leading international authorities and younger scholars to provide a wide ranging survey of how the Theotokos was perceived in the Byzantine world It embraces the disciplines of art historians archaeologists traditional and feminist historians as well as theologians philologists and social anthropologists Images of the Mother of God will appeal not just to those interested in Byzantine art and culture but also to scholars of Western Europe in the Middle Ages who are looking for comparative materials in their own work The Virgin Mary and Catholic Identities in Chinese History Jeremy Clarke,2013-08-01 The Chinese Catholic Church traces its living roots back to the late sixteenth century and its historical roots back even further to the Yuan dynasty This book explores paintings and sculptures of the Virgin Mary and the communities that produced them over several centuries It argues for the emergence of distinctly Chinese Catholic identities as artistic representations of the Virgin Mary at different times and in different places absorbed and in turn influenced representations of Chinese figures from Guanyin to the Empress Dowager At other times indigenous styles have been diluted by Western influences following the influx of European missionaries in the nineteenth century for example or with globalization in recent years The book engages with history theology and art and draws on imagery and archival photographs that have been largely neglected As a study of the social and cultural histories of communities that have survived over many centuries this book offers a new view of Catholicism in China one that sees its history as more than simply a cycle of persecution and resistance Fr Jeremy Clarke SJ is an Australian Province Jesuit teaching as an assistant professor in the History Department of Boston College He is also a school visitor in the Australian Center for China in the World at the Australian National University Canberra Pilgrimage to Images in the Fifteenth Century Robert Maniura,2004 A case study of the meaning and purpose of pilgrimage based on the image of the scarred Virgin Our Lady of Czestochowa The tradition of pilgrimage to an image is so well established as to be taken for granted Throughout Christian history large numbers of people have made journeys to images associated with miracles yet the phenomenon has never been a subject of detailed scholarly scrutiny This book explores the issue through a case study of the origins of pilgrimage to one such image Our Lady of Czestochowa in Poland The shrine remains one of the most prominent pilgrimage destinations in the Catholic world the striking focal panel painting shows the Virgin Mary with an apparently scarred face and the legend of the picture s origin claims that it was painted by St Luke and desecrated by iconoclasts The author assesses the significance of the stories attached to the shrine and goes beyond them to consider the practices and responses of the pilgrims Drawing on the earliest surviving miracle collections he also explores the interaction between the pilgrims and the image of the scarred Virgin ROBERT MANIURA is Lecturer in the History of Renaissance Art Birkbeck College University of London **120 Great Paintings of the Life of Jesus** Dover,2008-08-01 This treasury sings with 120 masterful paintings of famous New Testament scenes Rich full color renderings by the finest artists from the Middle Ages
