The Mahabharata And The Journey To Meet Death:

India and Brahmanism ,1917 *The Sacred Books and Early Literature of the East* Charles Francis Horne,1917

Re-ending the Mahabharata Naama Shalom,2017-03-27 Offers a fresh perspective on the Mah bh rata based on an exploration of its ending the Svarg roha a parvan This book challenges two prevalent assumptions about the Mah bh rata that its narrative is inherently incapable of achieving a conclusion and that its ending the Svarg roha a parvan is an extraneous part of the text While the exegetic traditions have largely tended to suppress ignore or overlook the importance of this final section Shalom argues that the moment of the condemnation of dharma that occurs in the Svarg roha a parvan expressed by the epic protagonist Yudhi hira against his father Dharma is of crucial importance It sheds light on the incessant preoccupation and intrinsic dismay towards the concept of dharma the cardinal theme around which the epic revolves expressed by Mah bh rata narrators throughout the epic and is thus highly significant for understanding the Mah bh rata narrative as a whole *Feminine Journeys of the Mahabharata* Lavanya Vemsani,2021-05-21 The Mahabharata preserves powerful journeys of women recognized as the feminine divine and the feminine heroic in the larger culture of India Each journey upholds the unique aspects of women s life This book analytically examines the narratives of eleven women from the Mahabharata in the historical context as well as in association with religious and cultural practices Lavanya Vemsani brings together history myth religion and practice to arrive at a comprehensive understanding of the history of Hindu women as well as their significance within religious Indian culture Additionally Vemsani provides important perspective for understanding the enduring legacy of these women in popular culture and modern society [Where Justice and Mercy Meet](#) Vicki Schieber,Trudy D. Conway,David Matzko McCarthy,2013-02-01 Where Justice and Mercy Meet Catholic Opposition to the Death Penalty comprehensively explores the Catholic stance against capital punishment in new and important ways The broad perspective of this book has been shaped in conversation with the Catholic Mobilizing Network to End the Use of the Death Penalty as well as through the witness of family members of murder victims and the spiritual advisors of condemned inmates The book offers the reader new insight into the debates about capital punishment provides revealing and sometimes surprising information about methods of execution and explores national and international trends and movements related to the death penalty It also addresses how the death penalty has been intertwined with racism the high percentage of the mentally disabled on death row and how the death penalty disproportionately affects the poor The foundation for the church s position on the death penalty is illuminated by discussion of the life and death of Jesus Scripture the Mass the Catechism of the Catholic Church and the teachings of Pope John Paul II Written for concerned Catholics and other interested readers the book contains contemporary stories and examples as well as discussion questions to engage groups in exploring complex issues **The Mahabharata, Volume 7** James L. Fitzgerald,2020-07-10 What is found in this epic may be elsewhere What is not in this epic is nowhere else from The Mahabharata The second longest poem in world literature The Mahabharata is an

epic tale replete with legends romances theology and metaphysical doctrine written in Sanskrit One of the foundational elements in Hindu culture this great work consists of nearly 75 000 stanzas in eighteen books and this volume marks the much anticipated resumption of its first complete modern English translation With the first three volumes the late J A B van Buitenen had taken his translation up to the threshold of the great war that is central to the epic Now James Fitzgerald resumes this work with translations of the books that chronicle the wars aftermath The Book of Women and part one of The Book of Peace These books constitute volume 7 of the projected ten volume edition Volumes 4 5 6 8 9 and 10 of the series will be published over the next several years In his introductions to these books Fitzgerald examines the rhetoric of The Mahabharatas representations of the wars aftermath Indeed the theme of The Book of Women is the grief of the women left by warriors slain in battle The book details the keening of palace ladies as they see their dead husbands and sons and it culminates in a mass cremation where the womens tears turn into soothing libations that help wash the deaths away Fitzgerald shows that the portrayal of the womens grief is much more than a sympathetic portrait of the sufferings of war The scenes of mourning in The Book of Women lead into a crisis of conscience that is central to The Book of Peace and Fitzgerald argues the entire Mahabharata In this book the man who has won power in the great war is torn between his own sense of guilt and remorse and the obligation to rule which ultimately he is persuaded to embrace The Mahabharata is a powerful work that has inspired awe and wonder for centuries With a penetrating glimpse into the trauma of war this volume offers two of its most timely and unforgettable chapters

Gender and Narrative in the Mahabharata Simon Brodbeck, Brian Black, 2007-08-09 The Sanskrit Mahabharata is one of the most important texts to emerge from the Indian cultural tradition At almost 75 000 verses it is the longest poem in the world and throughout Indian history it has been hugely influential in shaping gender and social norms In the context of ancient India it is the definitive cultural narrative in the construction of masculine feminine and alternative gender roles This book brings together many of the most respected scholars in the field of Mahabharata studies as well as some of its most promising young scholars By focusing specifically on gender constructions some of the most innovative aspects of the Mahabharata are highlighted Whilst taking account of feminist scholarship the contributors see the Mahabharata as providing an opportunity to frame discussion of gender in literature not just in terms of the socio historical roles of men and women Instead they analyze the text in terms of the wider poetic and philosophical possibilities thrown up by the semiotics of gendering Consequently the book bridges a gap in text critical methodology between the traditional philological approach and more recent trends in gender and literary theory Gender and Narrative in the Mahabharata will be appreciated by readers interested in South Asian studies Hinduism religious studies and gender studies

Women of the Kakawin World Helen Creese, 2015-01-28 In this fascinating study the lives and mores of women in one of the least understood but most densely populated areas of the world are unveiled through the eyes of generations of court poets For more than a millennium the poets of the Indic courts of Java and Bali

composed epic kakawin poems in which they recreated the court environment where they and their royal patrons lived Major themes in this poetry form include war love and marriage It is a rich source for the cultural and social history of Indonesia Still being produced in Bali today kakawin remain of interest and relevance to Balinese cultural and religious identities This book draws on the epic kakawin poetry tradition to examine the institutions of courtship and marriage in the Indic courts Its primary purpose is to explore the experiences of women belonging to the kakawin world although the texts by nature reveal more about the discourses concerning women sexuality and gender than of the historical experiences of individual women For over a thousand years these royal courts were major patrons of the arts The court sponsored epic works that have survived provide an ongoing literary testimony to the cultural and social concerns of court society from its earliest recorded history until its demise at the end of the nineteenth century This study examines the idealized images of women and sexuality that have pervaded Javanese and Balinese culture and provides insights into a number of cultural practices such as sati or bela self immolation of widows
