## **The Making Of An Authentic Validated Prophet:**

The Making of an Authentic Validated Prophet Prophet Diane Jackson, 2011-08-05 The Making of An Authentic Validated Prophet is written for those who lack understanding of the office of the prophet And need added clarity about who God called them to be This book also teaches on how men and women prophets of God need to go through the making process In first learning on how to become a servant before they can lead it also teaches on how one must also learn obedience to the call of God on their life A must read for prophetic people who are serious about their call and walk with God **The Making of an Authentic Validated Prophet** Diane Jackson, 2005-10-01 Prophetess Diane Jackson I was inspired by the Holy Spirit to write this book To help those those have a prophetic calling or call to be a prophet prophetess on their life that don t quite understand this gift and how it is to function and operate in the Body of Christ the Church the world and personal ministry call Also to enhance or add to the library of knowledge to the more mature prophets and prophetic gifted people of God in the Body of Christ This is to help novice and budding prophet prophetess to mature in prophetic mantle This book is some added wisdom and enlightenment in this journey of the ascension gift of the prophet and prophetic calling in the Body of Christ That the Father through the Holy Spirit has imparted in me and so I impart into you If you will receive impartation from me in this book May God bless you **The Prophet's Handbook** Paula A. Price, 2008-06-02 Discover the role of the prophetic ministry and why it is so necessary today Through this knowledge you will Discover how God awakens calls grooms and produces excellent prophets See how prophets differ from psychics and how prophecy excels divination Get answers to the most common questions people ask about prophecy and prophets Recognize budding prophets in the church Paula Price intelligently and skillfully explains the function and responsibility of local church prophecy and prophets As an indispensable reference this comprehensive text is one no Christian should be without Don t let lack of knowledge keep you from utilizing one of God s extraordinary gifts to the church today **Caught by the Collar** Eugene Akins, 2018-02-06 Caught by the Collar is an attempt to shed light on the inaccuracies and inefficiencies in the teachings and methodology of teaching in the Pentecostal church In too many instances sincere followers of Christ are lost in a quagmire of unanswered questions and errant doctrine They end up with stunted or stagnant growth and sometimes turn away from Christ altogether In many cases these errors and confused teachings can be directly connected with the ideas that the Bible is confusing or contradictory It is unfortunate that for so many years so many church leaders have either failed to recognize this issue or have intentionally chosen not to address it In fact holding on to and continuing to teach ideology and principles that are out of line with scriptures sounds suspiciously like teaching another gospel which the Bible specifically speaks against As a lifetime member of this denomination Eugene Akins has personally experienced the confusion caused when scripture is misinterpreted the failure that occurs when scripture is not implemented and the heartbreak that is precipitated by clergymen who should be in some other line of work Many of the members of these churches are caught in what they have been told versus what they

know and understand They are caught in traditions and hand me down word bites versus the truth of the scriptures and when the clergy is primarily responsible for all this clutter church members are caught by the collar     *The authenticity of the Tradition literature* G. **Prophecy and the Prophets in Ancient Israel** John Day,2010-06-03 This major work re examines prophecy and the prophets in ancient Israel with essays ranging all the way from Israel s ancient Near Eastern background right up to the New Testament The majority of essays concentrate on prophecy and the prophets in the Old Testament which are approached from a remarkable number of different angles Particular attention is paid to the following subjects Prophecy amongst Israel s ancient Near East neighbours female prophets in both Israel and the ancient Near East Israelite prophecy in the light of sociological anthropological and psychological approaches Deuteronomy 18 9 22 the Prophets and Scripture Elijah Elisha and prophetic succession the theology of Amos Hosea and the Baal cult the sign of Immanuel the rewriting of Isaiah in Isaiah 28 31 Deutero Isaiah and monotheism Jeremiah and God Aniconism and anthropomorphism in Ezekiel Habakkuk s dialogue with God and the language of legal disputation Zephaniah and the Book of the Twelve hypothesis Structure and meaning in Malachi Prophecy and Psalmody Prophecy in Chronicles Prophecy in the New Testament     **Panorama of the Old**

**Testament** Stephen J. Binz,2018-12-20 Explore the sweeping saga of God s people and their sacred journey Panorama of the Old Testament surveys the variety of books found in the Old Testament Uncover interwoven themes the background of familiar characters and God s overall plan of salvation A perfect way to begin a great adventure or step back and see where you have been in your study of the Bible Commentary study and reflection questions prayer and access to online lectures are included 4 lessons     *Angels of Light? Sanctity and the Discernment of Spirits in the Early Modern Period* Clare

Copeland,Johannes Machielsen,2012-11-23 And no marvel for Satan himself is transformed into an angel of light 2 Corinthians 11 14 Paul s warning of false apostles and false righteousness struck a special chord in the period of the European Reformations At no other time was the need for the discernment of spirits felt as strongly as in this newly confessional age More than ever the ability to discern was a mark of holiness and failure the product of demonic temptation The contributions to this volume chart individual responses to a problem at the heart of religious identity They show that the problem of discernment was not solely a Catholic concern and was an issue for authors and artists as much as for prophets and visionaries     *Book 9 Prophets PB* Kurt Jurgensmeier,2012-08-22 Is God still giving revelation today That question is at the heart of the claims of the largest theological movement of Christianity since the Reformation charismaticism And the foundation of their position is that the gift of prophecy is still operating today This book is a detailed study of the gift and it defends the following Modern claims to prophecy are one of the most widespread and dangerous frauds in Christianity Real biblical Prophets spoke divinely authoritative revelation and always predicted the future with perfect accuracy in order to authenticate themselves Modern so called prophets either make mistaken predictions or claim they don t even need to try

There was no difference between the authority and purpose of OT Jewish Prophets like Jeremiah and NT Christian Prophets like Agabus The Church universally testified that the gift of prophecy ceased by the third century God really hates modern false claims to be speaking for Him

Mary Hayden Lemmons,2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the feminine genius secular feminism s need to adopt the insights of Christianity and the ability of femininity s prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small

**Panorama of the Bible** Stephen J. Binz,2016-05-19 While every character story and book of Scripture is significant in itself stepping back for a broad panoramic view of the entire Bible helps us to take in and understand God s single unified plan for human history In this first of a two part panorama of the Bible noted Scripture scholar Stephen Binz shows us how all of the Bible s many parts fit together in a grand and awesome narrative With a clear vision of this sweeping unity we can then understand far better our own place within the storyline and our own personal role within the mission of God

**Dictionary of the Old Testament: Prophets** G MCCONVILLE,MARK J BODA,2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books

it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament
