The Mammoth Book of the Titanic Geoff Tibballs,2002 An intriguing selection of eyewitness and contemporary accounts of the 1912 sinking of the great liner Titanic provides the real life story of the unsinkable vessel and the tragedy that took so many lives Original [The Mammoth Book of the Titanic](#) Geoff Tibballs,2002 Contemporary accounts and survivors stories of the unsinkable liner The story of the sinking of the great liner Titanic has been told countless times since that fateful night on 14th April 1912 by authors and film producers alike but no account is as graphic or revealing as those who were actually there Through survivors tales and contemporary newspaper reports from both sides of the Atlantic The Mammoth Book of How it Happened the Titanic strips away the Hollywood gloss and tells the real story of the unsinkable vessel Here are eye witness accounts full of details that range from poignant to humorous stage by stage from her glorious launch in Belfast to the sombre sea burial services of those who perished on her first and only voyage *Voices from the Titanic* Geoff Tibballs,2012-04-01 This is the graphic first hand story of the maiden voyage and disastrous sinking of the RMS Titanic told by the survivors themselves The story of the sinking of the great liner has been told countless times since that fateful night on April 14 1912 by historians novelists and film producers alike but no account is as graphic or revealing as those from the people who were actually there Through survivors tales and contemporary newspaper reports from both sides of the Atlantic here are eyewitness accounts full of details that range from poignant to humorous stage by stage from the liner s glorious launch in Belfast to the somber sea burial services of those who perished on her first and only voyage In this book the voices of the survivors share their own stories as well as the official records press reports and investigations into what went wrong that night *The Story of the Titanic, as Told by Its Survivors* Jack Winocour,1960 **SINKING OF THE TITANIC** Logan Marshall,2018-05-19 Logan Marshall s book The Sinking of the Titanic and Great Sea Disasters gives readers a first hand account of the greatest sea disaster of all time straight from the survivors of the ill fated sunken ship Unlike many of the books about the Titanic that was written recently Logan Marshall was fortunate that he was able to interview the survivors of the Titanic and access to all the important documents about the ship including the diagrams maps and actual photographs related to the disaster With this he was able to write the best book that has a complete and accurate account of the Titanic and its tragic fate The Titanic as most people know was the biggest ocean liner during her time and was hailed as unsinkable by the company which made it Officially known as the RMS Titanic this mammoth ship can carry more than 2 000 passengers and owned by British shipping company White Star Line The ship has a double bottomed hull and watertight compartments which make her unsinkable according to her owners But as we all know this claim was proven to be wrong when she sank in the North Atlantic during her maiden voyage Logan Marshall did well to make use of all the resources that were at his disposal Not only was he able to make detailed descriptions of the disaster he was also able to narrate them well from a human point of view without compromising any truth about the biggest sea tragedy of all time This

book is a must read for anybody who's deeply interested in the Titanic and its unfortunate end **Story of the Titanic As Told by Its Survivors** Jack Winocour, 1960-06 The Titanic Geoff Tibballs, 1997 Author and television veteran Geoff Tibballs has brought together survivors recollections and contemporary accounts of recent attempts to raise the Titanic from its resting place 2 1/2 miles under the ocean surface Completely narrated and illustrated with over 150 photos many in full color The Titanic covers the building and sensational promotion of the great ocean liner then leads minute by minute through the ship's fateful last hours afloat **A Titanic Survivor's Story** Elsie Belman, 2005 The author offers this book to fulfill a pledge to keep her grandfather's and great grandfather's stories alive Her great grandfather tried unsuccessfully to save a 12 year old relative who perished on the Titanic and she believes her grandfather was the reincarnation of that child

MOWBRAY, 2023 The Story of the Titanic As Told by Its Survivors Jack Winocour, 2013-12-15 What it was really like Panic despair shocking inefficiency and a dash of heroism Two lengthy narratives by passengers who had a thorough knowledge of the sea and by members of the ship's crew More thrilling than any fictional account 26 illustrations *The Truth About the Titanic* Archibald Gracie, 2023-11-26 In *The Truth About the Titanic* Archibald Gracie presents a compelling firsthand account of the tragic sinking of the RMS Titanic drawing from his own experiences as a survivor Through meticulous narrative detail and a gripping style Gracie intertwines personal reflections with a broader critique of the events leading up to the disaster This work not only chronicles the harrowing night of April 15 1912 but also delves into the social dynamics and technological hubris of the early 20th century that contributed to the tragedy Richly descriptive Gracie's prose captures the human emotions under duress providing a unique glimpse into both individual bravery and collective failings in the face of catastrophe Archibald Gracie was a prominent New York City businessman and a notable figure in society whose own close brushes with death would deeply influence his perspective on human resilience and folly Gracie's experiences and relationships with other passengers lend a personal urgency to his account illuminating not just the physical perils faced aboard the ill fated ship but also the psychological turmoil that followed the disaster Gracie's position as both an optimistic traveler and a victim of circumstance enriches his narrative with authenticity Highly recommended for both enthusiasts of maritime history and literary scholars alike *The Truth About the Titanic* is an indispensable primary source that offers insightful commentary on a pivotal moment in modern history Readers will find themselves drawn into the gripping reality of survival and the moral quandaries faced by those who lived through one of the most infamous maritime disasters **The Loss of the S.
