The Man Chain:

The Man in Chains Charles James Collins, 2022-04-06 Reprint of the original first published in 1864 **Chains of Darkness** Caris Roane, 2014-07-01 When a woman on the run frees a captive vampire she becomes bound to his dangerous cravings in this edgy paranormal romance For countless days and nights the vampire Lucian has been chained starved and tortured in a Himalayan cavern Prisoner and pawn of his powerful Ancestral father Lucian has all but given up any hope of escape Until a beautiful stranger risks her life to save him Two years ago Claire and her friend Zoey were kidnapped by vampires and sold as human slaves Claire managed to escape tracking her missing friend through the vampire underworld and stumbling upon the only man who could help her A dangerously captivating vampire in chains Binding herself to a creature she doesn't trust Claire frees the vampire from his nightmare prison But now he needs Claire's blood and body to regain his strength To defeat his father And to sustain his deepest darkest needs **The Man in Lower Ten** Mary Roberts Rinehart, 2018-05-21 Lawrence Blakely an attorney in law carrying important papers stumbles on a murder aboard a train Meanwhile his bag containing the valuable documents has been stolen along with his clothes and he's being accused of the killing when the train is wrecked Blakely and a mysterious young woman may be the car's only survivors **Let My Children Go, Ye Leviathans (Governments)** Kwei-Armah, This book looks at the traditional answer to the question of man's freedom on earth the answer that holds that for man to be free he needs to be made to become a perpetual subject And dismisses it This work submits that man is not born to be a subject but a free man Because it contends that contrary to Rousseau's thoughts man is born in chains and that it is these chains that he must learn to break to be free It subsequently submits that for man to be able to break his chains he needs to be made to become his true self and shows how to make man become his true self *All Men and Both Sexes* Hilda L. Smith, 2002 *All Men and Both Sexes* explores the use of such universal terms as people man or human in early modern England from the civil war through the Enlightenment Such language falsely implies inclusion of both men and women when actually it excludes women Recent scholarship has focused on the Rights of Man doctrine from the Enlightenment and the French Revolution as explanation for women's exclusion from citizenship According to Hilda Smith we need to go back further to the English Revolution and the more grounded but equally restricted values tied to the free born Englishman Citing educational treatises advice literature to young people guild records popular periodicals and parliamentary debates she demonstrates how the male maturation process came to define the qualities attached to citizenship and responsible adulthood which in turn became the basis for modern individualism and liberalism By the eighteenth century a new discourse of sensibility was describing women as dependent beings outside the state in a separate sphere and in need of protection This excluded women from reform debates forcing them to seek not an extension of a democratic franchise but a specific women's suffrage focused on gender difference **The Ninja** Lee Anthony, 2002-06-14 Ashida Izanami is a ninja agent sent around the world to fight terrorists a drug dealer he must remain in
