The Man From Yesterday The Gunfighters:

The Diary of a Gunfighter Eddie L. Barnes, 2011-11-04 In a country ravaged by the horrors of a brutal civil war there were countless families torn apart by conflict and violence This is the story of one ordinary man driven by loss to extraordinary acts and circumstances Simon James Sublette lost his entire family during the Civil War He dreams of coming home and settling into a quiet peaceful life on his family farm until those dreams are shattered by a stray bullet Forever scarred inside and out he abandons all he knows and loves He sets out on a lonely journey wandering the West in a desperate quest for peace and order But with each passing day serenity still eludes him and his heart grows ever heavier Torn by grief and fighting off hopelessness he finds beauty in a more poetic way of life He develops the unusual trait of speaking in rhyme especially when provoked This trait earns him the name The Rhymer and he becomes a fearless gunfighter who has no equal when it comes to killing The Rhymer is a hero for women and children everywhere and a nightmare straight from hell for those evil men in need of killing

A Gunfighter's Gold Cheyenne West, 2013-09-17 Straight laced Emily is building a new life for herself breeding horses with her father on his cattle ranch in Jackson California However she's angry and hiding dark secrets about her failed marriage When she finds herself in gunfighter Garrett Stone's arms she's even angrier Garrett Stone rode into town with a saddlebag of secrets he is hiding from everyone in Jackson As far as everyone knows he's a famous gunfighter hired to guard Gold shipments for the Kennedy Mine and has a desire to play Poker However when Garrett is forced to take in his late sister's two children he and Emily are just barely on speaking terms Garrett unknowingly by reputation foils a kidnapping attempt and in turn is ambushed by six of Kennedy's men Emily's father Jed Thomas decides to hide Garrett at their vast cattle ranch forcing both of them to face their physical attraction and desire for one another Jed has also been keeping a secret from his two children for some time now and when it is revealed it could blow the family apart

Gunfighters Gold is a true western romance with an Old South Flare set in the Gold Rush town of Jackson Ca in the 1860s This book will have you laughing one moment crying the next with plenty of intrigue action and romance to keep you turning the pages

Gunfights & Gunfighters Gordon A. Hunsaker, 2010-03-02 Amid the backdrop of World War II race riots and police corruption a white police officer in Phoenix Arizona guns down an on duty black cop from his same department The community's residents pick sides and while the second trial ends in an acquittal the battle isn't over The detective Frenchy Navarre returns to duty but is shot dead when he encounters Officer Joe Davis the slain officer's partner This is just one of the fascinating tales told by Gordon A Hunsaker who also recalls Surviving his youth on the streets of Los Angeles Fighting in the jungles of Southeast Asia during the Vietnam War A series of stories that cops normally only tell each other Piloting helicopters and airplanes while on the job Battling his toughest opponent cancer And much more This compilation of musings observations and police lore is insightful thought provoking and at times just darn spooky Any Arizona resident law enforcement officer or lover of history will be thrilled to enter the exciting world of Gunfights Gunfighters *The Gunfighter*

Joseph G. Rosa,1979-10-01 Introduces some of the gunfighting legends of the West both criminals and law officials and attempts to explore the realism of accounts of their feats **Gunfighter Nation** Richard Slotkin,1998 Examines the ways in which the frontier myth influences American culture and politics drawing on fiction western films and political writing

Gunfighter Without Legs D. T. Gray,2003-12 A psychologist English teacher small engine mechanic welder farmer carpenter public health worker and milkman these are jobs D T Gray has held But writing is where he found his voice As the gunfighter struggled to overcome his handicap for his place in the world so also his author struggled with bipolar disorder to find his place in life His audience will benefit from his experience **The Last Gunfighter** William W. Johnstone,J. A.

Johnstone,2009 In the latest Western adventure by USA Today bestselling author William W Johnstone legendary lawman Frank Morgan returns to the town he once called home and ends up in the middle of a killing ground Original Age of the Gunfighter Joseph G. Rosa,1995 Joseph G Rosa s vivid and expertly written tale of this violent time combines contemporary accounts with meticulous historical research and an unjaundiced appraisal of the facts Telling the story of every major gunfighter peace officer and outlaw of the West Rosa places them within the context of a violent frontier and the coming of law and order Complementing the text are twenty seven outstanding color spreads featuring firearms from the Gene Autry Western Heritage Museum Los Angeles and the Buffalo Bill Historical Center Cody Many of the spreads contain guns owned and used by such well known individuals as Pat Garrett Billy the Kid Doc Holliday Wyatt Earp Wild Bill Hickok John Wesley Hardin Frank James and Harvey Logan **Requiem for a Gunfighter** William Davis,2003-07-11 SUMMARY This is a western love story It is the tale of a man named Jake who defeated and disillusioned by the horrors of the War Between the States heads west with his brother to create a better life However his refusal to back down from confrontation which served him well in war leads to a life of violence Through his skill with firearms and the quickness of his reflexes he acquires a reputation as a dangerous foe When a writer publishes a fictitious account of his exploits everyone sees a cold bloodied killer and no one except his brother sees a man of honor trying to come to terms with what he has done and who he is Only through the love of a woman and her understanding of the demons that drive him does he begin to put his life back together again and find among the constant battles for survival a life worth living **The Gunfighters** Bryan Burrough,2025-06-03

One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one

word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story Debutante Gunfighter Valena Graham,2011-09-17 Ariana Crosby s best friend was her forty five tied low on her left hip But the southern belle discovers life ain t like in her famous daddy s stories The gentler sex aren t welcome into that masculine world Knows that those who live by the gun never retire they die Somehow she must find a way to survive To be with fellow gunhawk Nick Masters *Accidental Gunfighter* Donovan Harrison,2009-06-20 As winter sets in and work is scarce in 1870 s Wyoming cowhand Rusty Stewart sets out in search of his sister Ruthann the only family he has left He s heard she settled in Texas When two outlaws attempt to rob the saloon where he stops for a meal Rusty protects himself and kills a man Though he vows never to kill again the word spreads and one tinhorn gunslinger after another comes to Canyon City to find if he is faster than the Canyon Kid as Rusty is now dubbed What they find is death But how long before one shows up who is faster than Rusty **Gunfighters, Highwaymen, and Vigilantes** Roger D. McGrath,2023-11-15 From the Preface On the frontier says conventional wisdom a structured society did not exist and social control was largely absent law enforcement and the criminal justice system had limited if any influence and danger both from man and from the elements was ever present This view of the frontier is projected by motion pictures television popular literature and most scholarly histories But was the frontier really all that violent What was the nature of the violence that did occur Were frontier towns more violent than cities in the East Has America inherited a violent way of life from the frontier Was the frontier more violent than the United States is today This book attempts to answer these questions and others about violence and lawlessness on the frontier and do so in a new way Whereas most authors have drawn their conclusions about frontier violence from the exploits of a few notorious badmen and outlaws and from some of the more famous incidents and conflicts I

have chosen to focus on two towns that I think were typical of the frontier the mining frontier specifically and to investigate all forms of violence and lawlessness that occurred in and around those towns From the Preface On the frontier says conventional wisdom a structured society did not exist and social control was largely absent law enforcement and the criminal justice system had limited if any influence and danger both from man and from the e **Carlisle Trace Vol. 2**
