Television Directors, Race, and Gender Jonathan J. Cavallero,2024-07-17 This book challenges the predominant framing of US television as a writer s or producer s medium by suggesting that television directors are a vital component of TV artistry Looking beyond a perspective that favors the narrative and economic aspects of television but undervalues the medium s formal elements the book explores how directors use the visual and aural to contribute layers of meaning that add to the thematic development of television texts Starting from the belief that television aesthetics partially reveal the ways in which directors and their collaborators contribute to the overall thematic development of a program the author offers five case studies that map out the ways that directors have contributed to television drama throughout the medium s approximately 80 year history By devoting special attention to the presence and voices of directors from marginalized backgrounds the book creates opportunities to discuss television from perspectives that emphasize issues of diversity equity and inclusion This original and insightful work will appeal to students and scholars of television studies television production and media production critical media studies media authorship gender studies and race and media

While America Watches Jeffrey Shandler,2000-09-21 The Holocaust holds a unique place in American public culture and as Jeffrey Shandler argues in *While America Watches* it is television more than any other medium that has brought the Holocaust into our homes

our hearts and our minds Much has been written about Holocaust film and literature and yet the medium that brings the subject to most people television has been largely neglected Now Shandler provides the first account of how television has familiarized the American people with the Holocaust He starts with wartime newsreels of liberated concentration camps showing how they set the moral tone for viewing scenes of genocide and then moves to television to explain how the Holocaust and the Holocaust survivor have gained stature as moral symbols in American culture From early teleplays to coverage of the Eichmann trial and the Holocaust miniseries as well as documentaries popular series such as All in the Family and Star Trek and news reports of recent interethnic violence in Bosnia Shandler offers an enlightening tour of television history Shandler also examines the many controversies that televised presentations of the Holocaust have sparked demonstrating how their impact extends well beyond the broadcasts themselves While America Watches is sure to continue this discussion and possibly the controversies among many readers

Leslie Stevens Goes to Hollywood Dore Page, 2020-11-10 The ongoing popularity of Leslie Stevens 1960s television masterwork The Outer Limits as well as later series creations Battlestar Galactica and Buck Rogers in the 25th Century has kept his name familiar to television fans Surprisingly very little writing exists on his earlier Broadway contributions or his seminal film and television production company Daystar Productions Stevens personal life also remains relatively unknown This biography focuses on the origins of Daystar Productions as well as Stevens first years in Hollywood when he was married to actress Kate Manx After meeting Manx in 1957 Stevens took her with him to Los Angeles and refashioned her into a dramatic film actress who would soon star in his startling New Wave style debut film Private Property That film which Stevens made for just 40 000 would go on to gross several million dollars and open the doors to Hollywood for Manx and co star Warren Oates While Oates prospered Manx was unable to sustain her brief success and her life soon spiraled out of control as Stevens career turned increasingly toward television

David Susskind Stephen Battaglio, 2025-09-23 A rich biography of one of the most important cultural figures of the 50s 60s and 70s maverick television producer and talk show host David Susskind A flamboyant impresario who began his career as an agent David Susskind helped define a fledgling television industry He was a provocateur who fought to bring high toned literary works to TV His series East Side West Side and N Y P D broke the color barrier in casting and brought gritty urban realism to prime time He indulged his passion for issues and ideas with his long running discussion program first called Open End and then The David Susskind Show where guests could come from The White House one week and a whore house the next The groundbreaking program made news year in and year out His legendary live interview with Nikita Khrushchev at the height of the Cold War inflamed both the political and media establishments Susskind was an enfant terrible whose life both on and off the screen makes fascinating reading His rough edges appetite for women and scorn for the business side of his profession often left his own career hanging by a thread Through extensive original reporting and deep access to David Susskind s personal papers family members and former associates Stephen Battaglio

creates a vivid portrait of a go go era in American media David Susskind is as much a biography of an expansive and glamorous time in the television business as it is the life of one of its most colorful and important players

America's First Network TV Censor Robert Pondillo, 2010-04-23 America's First Network TV Censor The Work of NBC's Stockton Helffrich is a unique examination of early television censorship centered around the papers of Stockton Helffrich the first manager of the censorship department at NBC Set against the backdrop of postwar America and contextualized by myriad primary sources including original interviews and unpublished material Helffrich's reports illustrate how early censorship of advertising language and depictions of sex violence and race shaped the new medium While other books have cited Helffrich's reports none have considered them as a body of work complemented by the details of Helffrich's life and the era in which he lived America's First Network TV Censor explores the ways in which Helffrich's personal history and social class influenced his perception of his role as NBC TV censor and his tendency to ignore certain political and cultural taboos while embracing others Author Robert Pondillo considers Helffrich's life in broadcasting before and after the Second World War and his censorial work in the context of 1950s American culture and emerging network television Pondillo discusses the ways that cultural phenomena including the arrival of the mid twentieth century religious boom McCarthyism the dawn of the Civil Rights era and the social upheaval over sex music and youth contributed to a general sense that the country was morally adrift and ripe for communist takeover Five often censored subjects advertising language and depictions of sex violence and race are explored in detail exposing the surprising complexity and nuance of early media censorship Questions of whether too many sadistic westerns would coarsen America's children how to talk about homosexuality without using the word homosexuality and how best to advertise toilet paper without offending people were on Helffrich's mind his answers to these questions helped shape the broadcast media we know today

Filmed Television Drama, 1952-1958 William Hawes, 2002-01-09 This work examines the change from live to filmed television dramas during the period 1952-1958 and the characteristics and programs that are most associated with filmed television drama Along with many technical changes that had to be made in the industry in order to convert live television to filmed television came an interesting social one The American society in general was developing a growing interest in the lives of ordinary people and television moved with them offering more programs that concentrated on the middle and lower classes Because of the inherent qualities of filming television began to feature more documentary like realism began to broaden its interpretation of traditional romantic escapism to include more outer space and supernatural science fiction began to better fulfill materialistic desires through well designed enjoyable commercials and began to offer the best dramas and most popular personalities often leading viewers to greater self appreciation and richer lives This work focuses on the important anthology programs and specials that were on the air from 1952 to 1958 such as Kraft Television Theatre Philco Television Playhouse and The Hallmark Hall of Fame filmed serials like Colgate Theatre Amos n Andy and I Love Lucy and the challenges of converting from live to filmed

television drama **Adventures in Childhood: Volume 60** Jose Bellido, Kathy Bowrey, 2022-07-14 Adventures in Childhood connects modern intellectual property law and practice with a history of consumption Structured in a loosely chronological order the book begins with the creation of a children's literature market a Christmas market and moves through character merchandising syndicated newspaper strips film television and cross industry relations finishing in the 1970s by which time professional identities and legal practices had stabilized By focusing on the rise of child targeted commercial activities the book is able to reflect on how and why intellectual property rights became a defining feature of 20th century culture Chapters trace the commercial empires that grew around Alice in Wonderland Peter Rabbit Meccano Felix the Cat Mickey Mouse Peter Pan Eagle Magazine Davy Crockett Mr Men Dr Who The Magic Roundabout and The Wombles to show how modern intellectual property merchandising was plagued with legal and moral questions that exposed the tension between exploitation and innocence **It's the Pictures That Got Small** Christine Becker, 2008 An original study of Hollywood film stars and 1950s television *Time* Britton Hadden, Henry R. Luce, 1997 Lillian Gish Charles Affron, 2002-03-12 As someone who worked with and knew Lillian Gish for years I found Charles Affron's portrait revealing and moving He rekindles the life of this intuitive and generous artist beautifully Eva Marie Saint *Bonnie and Clyde* Lester D. Friedman, 2019-07-25 Bonnie and Clyde Arthur Penn 1967 scandalised mainstream popular opinion Part of an emerging youth and protest movement its graphic and balletic violence was highly subversive in the context of the war in Vietnam It spoke directly to younger audiences who were already pitted against their more conservative elders and easily identified with the characters played by Warren Beatty who also produced the film and Faye Dunaway Bonnie and Clyde was the prototype of 1970s New Hollywood anti authority candid about sex morally neutral As well as changing Hollywood film style Bonnie and Clyde changed critical attitudes Older critics loathed the film at first But younger critics led by the then little known Pauline Kael fought a rearguard action and won the day Recognising Bonnie and Clyde's distinctive position in the evolution of American culture and cinema history Lester D Friedman explores the film's cultural framework examines the contributions of its creators and presents a detailed visual and thematic analysis *Visions of Belonging* Judith E. Smith, 2004-09-01 Visions of Belonging explores how beloved and still remembered family stories A Tree Grows in Brooklyn I Remember Mama Gentleman's Agreement Death of a Salesman Marty and A Raisin in the Sun entered the popular imagination and shaped collective dreams in the postwar years and into the 1950s These stories helped define widely shared conceptions of who counted as representative Americans and who could be recognized as belonging The book listens in as white and black authors and directors readers and viewers reveal divergent emotionally textured and politically charged social visions Their diverse perspectives provide a point of entry into an extraordinary time when the possibilities for social transformation seemed boundless But changes were also fiercely contested especially as the war's culture of unity receded in the resurgence of cold war anticommunism and demands for racial equality were met with intensifying white resistance Judith E Smith

traces the cultural trajectory of these family stories as they circulated widely in bestselling paperbacks hit movies and popular drama on stage radio and television *Visions of Belonging* provides unusually close access to a vibrant conversation among white and black Americans about the boundaries between public life and family matters and the meanings of race and ethnicity Would the new appearance of white working class ethnic characters expand Americans understanding of democracy Would these stories challenge the color line How could these stories simultaneously show that black families belonged to the larger family of the nation while also representing the forms of danger and discriminations that excluded them from full citizenship In the 1940s war driven challenges to racial and ethnic borderlines encouraged hesitant trespass against older notions of normal But by the end of the 1950s the cold war cultural atmosphere discouraged probing of racial and social inequality and ultimately turned family stories into a comforting retreat from politics The book crosses disciplinary boundaries suggesting a novel method for cultural history by probing the social history of literary dramatic and cinematic texts Smith s innovative use of archival research sets authorial intent next to audience reception to show how both contribute to shaping the contested meanings of American belonging
