

# The Man In The Glass

When you get what you want in your struggle for pelf,  
And the world makes you King for a day,  
Then go to the mirror and look at yourself,  
And see what that guy has to say.  
For it isn't your Father, or Mother, or Wife,  
Who judgement upon you must pass.  
The feller whose verdict counts most in your life  
Is the guy staring back from the glass.  
He's the feller to please, never mind all the rest,  
For he's with you clear up to the end,  
And you've passed your most dangerous, difficult test  
If the guy in the glass is your friend.  
You may be like Jack Horner and "chisel" a plum,  
And think you're a wonderful guy,  
But the man in the glass says you're only a bum  
If you can't look him straight in the eye.  
You can fool the whole world down the pathway of years,  
And get pats on the back as you pass,  
But your final reward will be heartaches and tears  
If you've cheated the guy in the glass.

The Man in the Glass House Mark Lamster, 2018-11-06 A smoothly written and fair minded Wall Street Journal biography of architect Philip Johnson a finalist for the National Book Critics Circle Award When Philip Johnson died in 2005 at the age of 98 he was still one of the most recognizable and influential figures on the American cultural landscape The first recipient of the Pritzker Prize and MoMA's founding architectural curator Johnson made his mark as one of America's leading architects with his famous Glass House in New Caanan CT and his controversial AT T Building in NYC among many others in nearly every city in the country but his most natural role was as a consummate power broker and shaper of public opinion Johnson introduced European modernism the sleek glass and steel architecture that now dominates our cities to America and mentored generations of architects designers and artists to follow He defined the era of starchitecture with its flamboyant buildings and celebrity designers who esteemed aesthetics and style above all other concerns But Johnson was also a man of deep paradoxes he was a Nazi sympathizer a designer of synagogues an enfant terrible into his old age a populist and a snob His clients ranged from the Rockefellers to televangelists to Donald Trump Award winning architectural critic and biographer Mark Lamster's The Man in the Glass House lifts the veil on Johnson's controversial and endlessly contradictory life to tell the story of a charming yet deeply flawed man A rollercoaster tale of the perils of wealth privilege and ambition this book probes the dynamics of American culture that made him so powerful and tells the story of the built environment in modern America
