The Man Who Had His Hair Cut:

The Man who Had His Hair Cut Short. (Translated by S. J. Sackett.). Herman Thiery, Johan DAISNE (pseud. [i.e. Herman Thiery.]), Samuel John SACKETT, 1965 **Price of the Haircut** Brock Clarke, 2025-05-01 From an acclaimed and original writer comes a new collection of stories bursting with absurdist plot twists and laced with trenchant wit Brock Clarke author of *An Arsonist's Guide to Writers Homes in New England* and *Exley* among other novels now offers up bite sized morsels of his trademark social satire that will have readers laughing and perhaps shifting uncomfortably in their seats The title story delivers a cringingly biting dissection of racial attitudes in contemporary America and Clarke also turns his eagle eye to subjects like PTSD the fate of child actors and most especially marital discord in stories like *Considering Lizzie Borden Her Axe My Wife* and *The Misunderstandings In The Pity Palace* a masterful study in self absorption and self delusion a reclusive husband in Florence Italy who believes his wife has left him for a famous novelist sells tickets to tourists anxious to meet someone more miserable than they It's a distinctly Clarkean world in which readers find themselves reflected back with the distortion of funhouse mirrors and swept up on a wild ride of heart wrenching insight and self discovery **The Golden Bough** James George Frazer, 2005-12-01 The notion of a man god or of a human being endowed with divine or supernatural powers belongs essentially to that earlier period of religious history in which gods and men are still viewed as beings of much the same order and before they are divided by the impassable gulf which to later thought opens out between them Strange therefore as may seem to us the idea of a god incarnate in human form it has nothing very startling for early man who sees in a man god or a god man only a higher degree of the same supernatural powers which he arrogates in perfect good faith to himself from Chapter VII Incarnate Human Gods In 1890 James George Frazer began publishing *The Golden Bough* his monumental study of myth ritual and religion which would by 1936 run to 13 volumes and establish him as a pioneer in the study of religion as an aspect of culture This abridged edition assembled in 1922 condenses this fundamental work to one readable volume that is still a source for modern anthropology thanks to its expansive discussions ancient cultish practices and their connections to the rites of modern Christianity In eloquent prose Frazer discusses legends of the woods sympathetic magic magicians as kings the worship of trees the concept of the sacred marriage the links between priestly and royal power ritual royal sacrifices the concept of eating the god the myths of Osiris Adonis Isis and other ancient deities and much more Lovers of mythology will be enraptured by this book which draws all of human belief under one unifying umbrella celebrating myth and ritual as part of the basis of all human culture Scottish anthropologist SIR JAMES GEORGE FRAZER 1854 1941 also wrote *Man God and Immortality* 1927 and *Creation and Evolution in Primitive Cosmogonies* 1935 **The Golden Bough** Sir James George Frazer, 1922 **The Golden Bough** Sir James George Frazer, James George Frazer, 1993 Sir James George Frazer 1854 1941 is rightly regarded as one of the founders of modern anthropology This volume is the author's own abridgement of his great work and was first published in 1922 It offers the thesis that man progresses from

Golden Bough Sir James George Frazer,2019-12-18 This 1890 study offers a monumental exploration of the cults rites and myths of antiquity and their parallels with those of early Christianity Abridged by the author from his 12 volume work

The Golden Bough J.G. Frazer,2016-02-19 Sir James George Frazer originally set out to discover the origins of one ancient custom in Classical Rome the plucking of the Golden Bough from a tree in the sacred grove of Diana and the murderous succession of the priesthood there and was led by his investigations into a twenty five year study of primitive customs superstitions magic and myth throughout the world The monumental thirteen volume work which resulted has been a rich source of anthropological material and a literary masterpiece for more than half a century Both the wealth of his illustrative material and the broad sweep of his argument can be appreciated in this very readable single volume Let There Be Light Max Freedland,2001-10 Five children one girl and four boys are born to Annie and Isaac Little by little the Freedland children glean from their parents peculiarities that they are different from their neighbors Pa takes live chickens to the city for ritual slaughtering Alone among their multi ethnic neighbors the entire family speaks Yiddish The spinster schoolteacher Miss Quello admonishes Ma and Pa for denying their children their heritage Medical Pickwick ,1915
