The Many Faces Of Subud A Direct Spiritual Experience Arising From Within:

The Many Faces of Subud Riantee Lydia Rand, 2005-04-18 Subud is a direct and spontaneous spiritual experience that allows people to receive a contact with the Great Life Force. It reawakens their inner feeling and puts them in touch with their own guidance eventually bringing to the surface their true nature which was before obstructed and cluttered with erroneous beliefs, ancestral patterns of behavior, culture, education, and their family malfunctions. Many have found a deeper understanding of their own religious beliefs from the evidence they receive for themselves. Others have come to actualize their true talent and work. There are Subud groups in eighty countries bringing together harmoniously people of many different religious and ethnic backgrounds. The spiritual practice or latihan arises from within. It is a natural process that occurs without effort or study. This book is the result of the collaborative effort of three women who have practiced the latihan of Subud for decades. It compiles testimonies of Subud members from all over the world on different topics. Each chapter begins with a short account of observations, experiences, receivings, and dreams on the subject. People interviewed were of different age groups, social and ethnic backgrounds, some newly opened in Subud, some older members, some second and third generation Subud. The opening latihan when one first receives this contact is a ceremony of introduction into the spiritual exercise after a three month period of inquiry referred to as the probation or investigation period. Through the latihan, people renew their contact with the power of God and become aware of the latent powers that reside in all of humankind. The central feature of Subud is the latihankejiwaan or inner training which takes place for half an hour up to an hour two or three times a week and is practiced by men and women separately. Subud has little doctrinal teaching except for the belief in divine power and higher centers of consciousness. The implication is that people practicing the latihan align themselves with those higher centers. It is available to any person, seventeen and older, who has a sincere wish to worship God and wants to receive this contact. The action of the latihan within each person allows the power of God to express itself spontaneously through singing, chanting, shouting, moving, dancing, crying, laughing, etc. Subud's founder, Bapak Muhammad Subuh, explains that in this way, when in the latihan, we make a complete surrender to the Power of God or the Great Life Force, we can receive the education of our inner selves free from interference by our minds and hearts and according to our own individual needs. Participants have often reported strong feelings of rapture and release, psychological and physical healing. During latihan, one lets go of thoughts and emotions in order to follow what surfaces, those movements and sounds that spontaneously arise from deep within. It is a form of cleansing which allows the worship of God to become stronger and less obstructed, a training that lets individuals get in touch, develop, and trust their inner guidance, enabling the complete self to emerge through an action that comes from beyond the thinking and the will. *In Search of the Miraculous*, Petr Dem'ianovich Uspenskii, 1949. Monbaron a self proclaimed Subud zealot shares the knowledge wisdom and experience he has gained from forty years of receiving the spiritual training known as the latihan kejiwaan of Subud This massive 594 pages tome is not just for Subud members but for anyone who seeks the reality that lies beyond the material world At last here is a book I can give to friends and family members who are curious about what I do when I go off to receive the latihan but are not yet ready to jump into the deep end to find out for themselves For the merely curious Monbaron s book recounts the history of Subud and how it grew from a small group in Indonesia to a world wide spiritual phenomenon It tells the story of Muhammad Subuh Sumohadiwidjojo an unremarkable government clerk whose life changed when a ball of light entered the top of his head when he was out for an evening stroll And it discusses many aspects of the latihan which is the central core of Subud For those who are considering joining Subud the Monbaron s book provides information regarding what this involves as well as a detailed description of the Subud organization Readers may also skip around and find out what Bapak had to say about topics as varied as suicide feminism reincarnation sex drug use and many other questions and issues with which people struggle Whether you use it as a reference manual a source of fascinating anecdotes and spiritual insights or a way to learn about a spiritual path of profound power and simplicity Subud the Coming New Age of Reality is a treasure chest of immense value

Sixteen Steps, and Other Journeys in Subud Harris Smart,1988 *My Subud Life* Muhammad Isman

Kanafsky,2011-06-01 Over the years many Subud members would ask me to write a book about my spiritual experiences in Subud I would usually say that I would someday write one But I never felt moved to do so by the power of God I have always felt that if it was in accordance with God s will that I would be moved to do it Well finally one day without thinking about it I felt moved to start writing this book To my surprise it was January 31 2011 This was the day that I experienced my official opening in Subud forty six years ago Although I first received the spiritual exercise of Subud about six or seven months before my official opening when I had never even heard about Subud I give my praise and thanks to the One Almighty God to whom I owe everything My feeling is that this book is especially for the young Subud members My hope is that they will be given the enthusiasm to continue receiving the spiritual exercise of Subud and not get bored I pray that God will give them the patience that is required to continue and the faith in God that is necessary for their well being and spiritual development May God give them the understanding to wait until they are moved by the power of God and not use their own will when receiving the spiritual exercise of Subud
