Maori and the State Richard S. Hill, 2010-04-01 Presenting the most recent research and written by an expert in the field this examination explores the principal interrelationships between the British Crown and the Maori people in the 1950s and 1960s when Crown assimilation policies intensified and during the 1970s when the pressure of the Maori renaissance encouraged policies and goals based on biculturalism A subject central to New Zealand's culture this is an important and historical analysis of the country and the wider issue of indigenous peoples rights

Maori and Aboriginal Women in the Public Eye Karen Fox, 2011-12-01 From 1950 increasing numbers of Aboriginal and M ori women became nationally or internationally renowned Few reached the heights of international fame accorded Evonne Goolagong or Dame Kiri Te Kanawa and few remained household names for any length of time But their growing numbers and visibility reflected the dramatic social cultural and political changes taking place in Australia and New Zealand in the second half of the twentieth century This book is the first in depth study of media portrayals of well known Indigenous women in Australia and New Zealand including Goolagong Te Kanawa Oodgeroo Noonuccal and Dame Whina Cooper The power of the media in shaping the lives of individuals and communities for good or ill is widely acknowledged In these pages Karen Fox examines an especially fascinating and revealing aspect of the media and its history how prominent M ori and Aboriginal women were depicted for the readers of popular media in the past Publisher's description [The UN Declaration on the Rights of Indigenous Peoples](#)

Jessie Hohmann, Marc Weller, 2018 The rights of indigenous peoples under international law have seen significant change in recent years as various international bodies have attempted to address the question of how best to protect and enforce their rights The United Nations Declaration on the Rights of Indigenous Peoples is the strongest statement thus far by the international community on this issue The Declaration was adopted by the United Nations on 13 September 2007 and sets out the individual and collective rights of indigenous peoples as well as their rights to culture identity language employment health education and other issues While it is not a legally binding instrument under international law it represents the development of international legal norms designed to eliminate human rights violations against indigenous peoples and to help them in combating discrimination and marginalisation This comprehensive commentary on the Declaration analyses in detail both the substantive content of the Declaration and the position of the Declaration within existing international law It considers the background to the text of every Article of the Declaration

including the travaux préparatoire the relevant drafting history and the context in which the provision came to be included in the Declaration It sets out each provision's content interpretation its relationship with other principles of international law and its legal status It also discusses the significance and outlook for each of the rights analysed The book assesses the practice of relevant regional and international bodies in enforcing the rights of indigenous peoples providing an understanding of the practical application of the Declaration's principles It is an indispensable resource for scholars students international organisations and NGOs working on the rights of indigenous peoples
