Lincoln s own jokes witticisms retorts and yarns have been assembled to give the reader a portrait of the shrewd backwoods lawyer the politician and the President finding relief from his burdens in wry asides and anecdotes Book Buyer s Guide

Uncorrected Proofs of The Humorous Mr. Lincoln Keith Warren Jennison,1965 Wit and Humor of Abraham Lincoln Carleton Britton Case,1924 Lincoln's Sense of Humor Richard Carwardine,2017-11-02 Winner Abraham Lincoln Institute Book Prize 2018 Winner ISHS Annual Award for a Scholarly Publication 2018 Abraham Lincoln was the first president to make storytelling jokes and laughter tools of the office and his natural sense of humor has become legendary Lincoln s Sense of Humor registers the variety complexity of purpose and ethical dimension of Lincoln s humor and pinpoints the political risks Lincoln ran in telling jokes while the nation was engaged in a bloody struggle for existence Complete with amusing anecdotes this book shows how Lincoln s uses of humor evolved as he matured and explores its versatility range of expressions and multiple sources western tall tales morality stories bawdy jokes linguistic tricks absurdities political satire and sharp wit While Lincoln excelled at self mockery nothing gave him greater pleasure than satirical work lampooning hypocrisy and ethical double standards He particularly enjoyed David R Locke s satiric writings by Petroleum V Nasby a fictional bigoted secessionist preacher and the book explores the nuances of Lincoln s enthusiasm for what he called Locke s genius showing the moral springs of Lincoln s humor Richard Carwardine methodically demonstrates that Lincoln s funny stories were the means of securing political or personal advantage sometimes by frontal assault on opponents but more often by depiction through parable obfuscation through hilarity refusal through wit and diversion through cunning Throughout his life Lincoln worked to develop the humorist s craft and hone the art of storytelling His jokes were valuable in advancing his careers as politician and lawyer and in navigating his course during a storm tossed presidency His merriness however coexisted with self absorbed contemplation and melancholy Humor was his lifeline dark levity acted as a tonic giving Lincoln strength to tackle the severe challenges he faced At the same time a reputation for unrestrained uncontrollable humor gave welcome ammunition to his political foes In fact Lincoln s jocularly elicited waves of criticism during his presidency He was dismissed as a smutty joker a first rate second rate man and a joke incarnated Since his death Lincoln s anecdotes and jokes have become detached from the context that had given them their political and cultural bite losing much of the ironic and satiric meaning that he had intended With incisive analysis and laugh inducing examples Carwardine helps to recapture a strong component of Lincoln s character and reanimates the good humor of our sixteenth president Humor in the White House Arthur A. Sloane,2001-03-23 I heard one presidential candidate say that what this country needed was a president for the 90s Ronald Reagan once said I was set to run again I thought he said a president in his 90s Abraham Lincoln in one instance was able to put a serious injury in a humorous light in response to a young woman s question about where a soldier

was wounded Lincoln replied Ma am the bullet that wounded him would not have wounded you Presidents often bring a sense of humor to the White House with them allowing the American public to catch a glimpse of their not so serious sides This book examines how five of the nation s funniest chief executives Abraham Lincoln Calvin Coolidge Franklin D Roosevelt John F Kennedy and Ronald Reagan used wit and humor to their advantage during their terms as president and how their management of the Executive Branch was thereby enhanced As a bonus the effective use of humor by several unsuccessful presidential candidates is surveyed *American Monthly Review of Reviews* Albert Shaw,1900 **Fraser's Magazine for Town and Country** James Anthony Froude,John Tulloch,1865 Contains the first printing of Sartor resartus as well as other works by Thomas Carlyle **The Life and Times of Abraham Lincoln, Sixteenth President of the United States** Linus Pierpont Brockett,1865 **Lincoln's Yarns and Stories** Alexander K. McClure,2019-11-19 In Lincoln s Yarns and Stories Alexander K McClure presents a compelling collection of anecdotes and tales that encapsulate the wit wisdom and weary grace of one of America s most revered figures Abraham Lincoln Through a conversational and engaging narrative style McClure effectively captures the essence of Lincoln s character offering readers a glimpse into his humor and humanity against the backdrop of a nation divided by Civil War Contextually situated within the period of Lincoln s presidency these stories not only reflect the cultural zeitgeist of 19th century America but also provide critical insights into the complexities of leadership during a time of unprecedented national strife Alexander K McClure a journalist and politician possessed an intimate acquaintance with Lincoln motivating him to compile these stories from the president s life His deep admiration for Lincoln s resolve and moral fortitude is evident throughout the text as McClure sought to immortalize the president s legacy in a manner accessible to the American public Given his experiences and connections McClure proves to be a credible voice in recounting a more personal side of Lincoln that is often eclipsed by political discourse Lincoln s Yarns and Stories is a must read for anyone interested in the human side of historical figures It invites readers to appreciate Lincoln not only as a president but as a man of profound emotional depth whose stories resonate with timeless themes of resilience and humor This book will not only enrich your understanding of Lincoln but also engage and inspire you with its vivid storytelling
