**"The" Hungry Ghosts** T. J. Mac Gregor, 2010      *The Hungry Ghosts* Shyam Selvadurai, 2013-04-02 A novel of raw human longing His stripped down prose focuses on the deeply personal with precision and insight Selvadurai's work reminds me that the contemporary novel doesn't necessarily have to resort to thrills or high jinks in order to find its usefulness Here it unforgettably explores the interplay between individual intention and the tragedy of a nation's history The Globe and Mail In Sri Lanka a myth a person who dies may be reborn a hungry ghost a ghost with a large stomach that can never be filled through its tiny mouth if he has desired too much during his life It is the duty of the living to free the dead who are doomed to this fate by transferring karma from their own good deeds In Shyam Selvadurai's masterful new novel Shivan a troubled young man of mixed Tamil and Sinhalese ancestry is preparing to travel from Toronto Canada to the land of his childhood Sri Lanka to rescue his ailing grandmother and bring her back to die But on the eve of his departure as Shivan meditates on his turbulent past recalls his gradual discovery of his homosexuality and wrestles with his complicated relationship with the wily old woman he discovers just how much his own heart's desires are entwined with the volatile political racial and sexual mix of Sri Lanka's past and present In the end Shivan must decide will he rescue his grandmother or join her The Hungry Ghosts is an unconventional exploration of the immigrant experience a tale of family ties and the long reach of the past and a heartwrenching look at how racial political and sexual differences can tear apart a country a family and a human being

Safford troubled daughter of a leading figure in Hong Kong's colonial government explores the site of an old army hospital. The hungry ghost of a young Chinese girl murdered during the Island's Japanese occupation 25 years earlier awaits her in the morgue's shadows. The perfect host for the parasite Alice returns with the ghost to the family's luxury home on The Peak. Here the lethal mix of the two entangled in the Safford family's web of dark secrets and desperate lies unleashes chaos. As successive tragedies engulf Alice, her ghostly entourage swells alarmingly. She flees to England, then France, in a bid to escape the past, only to find her unwanted spirits have accompanied her. It seems the peace she longs for will prove far more elusive than she could ever have imagined. With its dazzling array of characters, human and spectral, and the numerous twists and turns in their fortunes, *The Hungry Ghosts* is a rich feast for the imagination, marking the debut of a storyteller of the very highest rank.

Then one night a mysterious girl in a white dress appears in the garden. Freja follows this figure to lush, secretive corners of the city, seeking to understand the girl's identity. Her search will lead her to an old family mystery, one that must be unravelled before the month is over, to allow both girls to be freed from the secrets of the past.

Nagarjuna's Advice for Buddhists Lhundub Sopa, Beth Newman, 2023-03-14 A Letter to a Friend stands out among N ag arjuna s works because of its minimal philosophical content and limited discussion of Mahayana practices A Letter to a Friend is a comprehensive yet brief summary of the basic ideas and practices that form the substrate for all forms Buddhism in other words the text outlines the practices common to the Hinayana more respectfully called the Sr avakay ana and the Mahayana in both its Sutrayana and Vajrayana forms In that regard it can be seen as a very early precursor of the presentation of the graduated path to awakening in a single text developed centuries later by Ati sa circa 982 1055 and expanded in Tibet by the master Je Tsongkhapa 1357 1419 Geshe Sopa was an exemplary Buddhist monk practitioner as well as a superlative scholar His quiet and compassionate traditionalism drew people in he did not blast people with charisma He was a recognized master of his tradition and also knew how to reach a contemporary audience His teachings on A Letter to a Friend roughly follow the commentary written by Rendawa Shonu Lodro 1349 1412 However he added much much more He brought in additional material from many sources the sutras other texts by N ag arjuna works by great Indian masters such as S antideva Aryadeva Candrak irti Vasubhandu and others and from multiple works by Je Tsongkhapa 15 Although N ag arjuna s text primarily teaches the common path with little emphasis on philosophy Geshe Sopa s explanation supplements it to teach the Mahayana path and Madhyamaka philosophy *Old Society, New Belief* Lisa Raphals, 2017-05-01 In the first century of the Common Era two new belief systems entered long established cultures with radically different outlooks and values missionaries started to spread the teachings of Jesus of Nazareth in Rome and the Buddha in China Rome and China were not only ancient cultures but also cultures whose elites felt no need to receive the new beliefs Yet a few centuries later the two new faiths had become so well established that their names were virtually synonymous with the polities they had entered as strangers Although there have been numerous studies addressing this phenomenon in each field the difficulty of mastering the languages and literature of these two great cultures has prevented any sustained effort to compare the two influential religious traditions at their initial period of development This book brings together specialists in the history and religion of Rome and China with a twofold aim First it aims to show in some detail the similarities and differences each

religion encountered in the process of merging into a new cultural environment Second by juxtaposing the familiar with the foreign it also aims to capture aspects of this process that could otherwise be overlooked This approach is based on the general proposition that when a new religious belief begins to make contact with a society that has already had long honored beliefs certain areas of contention will inevitably ensue and changes on both sides have to take place There will be a dynamic interchange between the old and the new not only on the narrowly defined level of belief but also on the entire cultural body that nurtures these beliefs Thus this book aims to reassess the nature of each of these religions not as unique cultural phenomena but as part of the whole cultural dynamics of human societies
