The Hunter and the Whale Laurens Van der Post. 1967 The Hunter and the Whale Laurens Van der Post. 1967 Twentieth Century Fiction George Woodcock, 1983-04-01 Commonwealth Literature NA NA,2016-01-03 Saturdav Dictionary Catalog of the Schomburg Collection of Negro Literature and History Schomburg Review ,1967 Center for Research in Black Culture, Schomburg Collection of Negro Literature and History, 1962 Douglas Killam, 2004-11-30 As more works of African Literature are being incorporated into the Language Arts and Cultural Studies curriculum it becomes increasingly important to offer students and educators a meaningful context in which to explore these works As part of Greenwood's Literature as Windows to World Culture series this volume introduces readers to the cultural concerns of 10 of Africa's most reknowned writers Written in clear accessible language close analysis is given for 14 novels including Achebe s Things Fall Apart and Paton s Cry the Beloved Country chosen because of their literary importance and the frequency with which they are assigned The ten analysis chapters each begin with a brief account of the authors lives and their writing careers noting especially the experiences and influences which have shaped their writing Following this section is a major essay on their most prominent and best known work Discussion of the historical and cultural issues in the novels is integrated into the literary commentary Students will gain not a deeper appreciation for the fiction but a more solid understanding of the core historical issues and cultural concerns that influence and shape the writing The Introduction outlines the general history and development of Sub Saharan African Literature The colonial experiences and postcolonial struggles the principal subject matter of African writers differs from region to region The geographic organization of this guide into West East and South Africa reflects these different perspectives Each section ends with a list of critical works that will assist readers and researchers further their understanding of the authors and their works Short biographical sketches on 80 authors are also provided to expand readers contact with African literature The index assists users in identifying not only title and authors but also major themes and topics that the writings reveal National **Character in South African English Children's Literature** Elwyn Jenkins, 2006-11-01 This is the first full length study of South African English youth literature to cover the entire period of its publication from the late nineteenth century to the early twenty first century Jenkins book focuses on what made the subsequent literature essentially South African and what aspects of the country and its society authors concentrated on What gives this book particular strength is its coverage of

literature up to the 1960s which has until now received almost no scholarly attention Not only is this earlier literature a rewarding subject for study in itself but it also throws light on subsequent literary developments Another exceptional feature is that the book follows the author's previous work in placing children's literature in the context of adult South African literature and South African cultural history e g cinema He also makes enlightening comparisons with American Canadian and Australian children's literature.
