The Hydra:

The Hydra's Venomous Blood Christina Hill, 2021-12-23 A vial of poisonous hydra blood with the potential to kill millions has been unearthed Jorge Fiona and Marcus must embark on an urgent mission to keep the modern world safe from the hydra s poisonous blood The monster hunters travel back in time to stop the Greek demigod Heracles from killing the hydra learning about ancient Greek civilization along the way Travel with them through the streets of the city state of Argos and the spooky shoreline of Lake Lerna where they encounter the mysterious nine headed hydra This graphic novel includes monster profiles and survival tips as well as in depth content on the social structure government and fashion of ancient Greece Backmatter includes an activity page and character information [The Hydra's Tale](#) R. Rawdon Wilson, 2002-05 Imagine a disgusting experience Now think about your response What was it about the moment that made you turn your head that led your lip to curl and nose to wrinkle Disgust has many triggers some obvious others less so What disgusts us is never irrevocably fixed and certain It changes from culture to culture and even at times within a culture This fluidity makes the term disgust at once deadly simple and extremely complex In The Hydra s Tale Robert Rawdon Wilson treats the experience of disgust not from the perspective of the disgusting object in the world but from its representation Disgust marks either a slip over the border of the socially sanctioned or a struggle to keep someone or something from crossing that border Working through the spectrum of human response culture and art Wilson teases out the assumptions that underpin the disgust response **Jock and I and the Hydra** M.
