The I. F. Stone's Weekly Reader Isidor Feinstein Stone, 1974      *The I. F. Stone's Weekly Reader*, 1974      The Best of I.F. Stone I. F. Stone, 2009-04-29 Izzy Stone was a reporter a radical an idealist a scholar and it is clear a writer whose insights have more than stood the test of time More than fifteen years after his death this collection of his work from I F Stone s Weekly and elsewhere is astonishing in its relevance to our age addressing the clash between national security and individual liberty the protection of minorities economic fairness social justice and the American military abroad The core of Stone s genius was his newsletter I F Stone s Weekly published from the mid 1950s to the early 1970s His meticulous dissection of the news was unsurpassed a direct descendent of the great pamphleteers like Thomas Paine and a forerunner to the best of today s political blogs Stone s brilliant investigative reporting his wonderful impassioned style and his commitment to his values all make this collection an inspiration and a revelation      A Trumpet to Arms David Armstrong, 1981 Chronicles 200 years of U S publications from Tom Paine s Common Sense to I F Stone s Weekly plus The Berkeley Bard LA Free Press Mother Jones and New Age Journal      **The Zinn Reader** Howard Zinn, 2011-01-04 No other radical historian has reached so many hearts and minds as Howard Zinn It is rare that a historian of the Left has managed to retain as much credibility while refusing to let his academic mantle change his beautiful writing style from being anything but direct forthright and accessible Whether his subject is war race politics economic justice or history itself each of his works serves as a reminder that to embrace one s subjectivity can mean embracing one s humanity that heart and mind can speak with one voice Here in six sections is the historian s own choice of his shorter essays on some of the most critical problems facing America throughout its history and today      **Pacifica Radio 2E** Matthew Lasar, 2000-04-14 In the public radio landscape the Pacifica stations stand out as innovators of diverse and controversial broadcasting Pacifica s fifty years of struggle against social and political conformity began with a group of young men and women who hoped to change the world with a credo of non violence Pacifica Radio traces the cultural and political currents that shaped the first listener supported radio station KPFA FM in Berkeley and accompanied Pacifica s gradual expansion into a 5 station network In this expanded paperback edition Lasar provides a postscript A Crisis of Containment that examines the external pressures and organizational problems within the Pacifica Foundation that led in early 1999 to the police shutdown of network station KPFA Lasar an admittedly pro KPFA partisan in the conflict gives a first person account calling it the worst crisis in the history of community radio Yet Pacifica Radio is about more than just the network s recent troubles It is the story of visionary Lewis Hill and the small band of pacifists who in 1946 set out to build institutions that would promote dialogue between individuals and nations KPFA took to the air in 1949 with stunningly unconventional programs that challenged the dreary cultural consensus of the Cold War No one in the Bay Area or anywhere else had heard anything like it on the airwaves The first edition of Pacifica Radio which made the San Francisco Chronicle s non fiction bestseller list was praised as fascinating
