Peterson, Christian Peterson, Deborah
D. Buffton, David L. Hostetter**

The Idea Of Peace In Antiquity:

The Idea of Peace in Antiquity Gerardo Zampaglione, 1973 *Idea of Peace in Antiquity* Gerardo Zampaglione, 1973-01-01 **A Cultural History of Peace in Antiquity** Sheila L. Ager, 2022-02-24 A Cultural History of Peace presents an authoritative survey from ancient times to the present The set of six volumes covers over 2500 years of history charting the evolving nature and role of peace throughout history This volume A Cultural History of Peace in Antiquity explores peace in the period from 500 BC to 800 AD As with all the volumes in the illustrated Cultural History of Peace set this volume presents essays on the meaning of peace peace movements maintaining peace peace in relation to gender religion and war and representations of peace A Cultural History of Peace in Antiquity is the most authoritative and comprehensive survey available on peace in the classical era *Peace in the Ancient World* Kurt A. Raaflaub, 2016-05-23 Peace in the Ancient World Concepts and Theories conducts a comparative investigation of why certain ancient societies produced explicit concepts and theories of peace and others did not Explores the idea that concepts of peace in antiquity occurred only in periods that experienced exceptional rates of warfare Utilizes case studies of civilizations in China India Egypt and Greece Complements the 2007 volume War and Peace in the Ancient World drawing on ideas from that work and providing a more comprehensive examination *The Quest for Peace* James Turner Johnson, 2017-03-14 James Turner Johnson goes beyond the examination of moral restraints on the occasion and conduct of war to a critical study of the moral thinking that has aimed at its prevention This scrutiny of the peace issue in Western society covers nearly two thousand years of history and three traditions of the search for peace the just war tradition of setting limits to war the sectarian pacifism of withdrawal from the world and its evils and the Utopian world perfecting pacifism that finds the cure for discord among nations in the establishment of a new more nearly universal and rightly constituted political order Revealing the historical depth of all three traditions the book shows that contemporary nuclear pacifism derives from forms of thought that are centuries old Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Rethinking the Qur'ān in Late Antiquity* Juan Cole, 2025-02-17 How the Qur'ān reflects on and responds to the regional cultural religious and political currents swirling in Western Arabia and neighboring areas during the great war 603-630 between the Roman and Sasanian empires The book approaches the Qur'ān through six case studies The first two consider the era 200-800 CE which classicist Peter Brown dubbed late antiquity The second two contextualize quranic stories and tropes in the era of Herakleios and Khosrow II The final pair consider issues in how the Qur'ān was constituted both physically and stylistically and also sets these

processes in their late antique context The book treats the constitution of the quranic text first physically and then rhetorically The use in the Qur n of the technique of narrative apostrophe is for the first time subjected to a concerted analysis These themes are all united by a concern to understand better issues in why the Qur n makes certain narrative choices how the narrative changes over time and how it articulates with other texts and perspectives Conflict in Ancient Greece and Rome Sara Elise Phang,Iain Spence Ph.D.,Douglas Kelly Ph.D.,Peter Londey Ph.D.,2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles important leaders armies organizations and weapons and other noteworthy aspects of conflict Conflict in Ancient Greece and Rome The Definitive Political Social and Military Encyclopedia is an outstandingly comprehensive reference work on its subject Covering wars battles places individuals and themes this thoroughly cross referenced three volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation Christian Attitudes to War, Peace, and Revolution John Howard Yoder,2009-04-01 John Howard Yoder was one of the most important thinkers on just war and pacifism in the late twentieth century This newly compiled collection of Yoder s lectures and writings on these issues describes analyzes and evaluates various patterns of thought and practice in Western Christian history The volume now made widely available for the first time makes Yoder s stimulating insights more accessible to a broader audience and substantially contributes to ongoing discussions concerning the history theology and ethics of war and peace Theologians and ethicists students of Yoder s thought and all readers seeking a better understanding of war and pacifism will value this work *Hegemonic Peace and Empire* Ali Parchami,2009-03-04 This book examines the language and the ideology of the Pax Romana the Pax Britannica and the Pax Americana within the broader contexts of hegemony and empire It addresses three main themes a conceptual examination of the way in which hegemony has been justified a linguistic study of how the notion of pax usually translated as peace has been used in ancient and modern times and a study of the international orders created by Rome and Britain Using an historiographical approach the book draws upon texts from Greco Roman antiquity and sources from the nineteenth twentieth and twenty first centuries to show how the pax ideology has served as a justification for hegemonic foreign policy and as an intellectual exercise in power projection From Tacitus condemnation of what he described as creating a wilderness

and calling it peace to debates about the establishment of a Pax Americana in post Saddam Hussein's Iraq the book shows not only how the governing elite in each of the three hegemonic orders prescribed to a loose interpretation of the pax ideology but also how their internal disagreements and different conceptualisations of pax have affected the process of empire building This book will be of interest to students of international history empire and International Relations in general

The Oxford Handbook of Peace History Charles F. Howlett, Christian Philip Peterson, Christian Peterson, Deborah D. Buffton, David L. Hostetter, 2023 The Oxford Handbook of Peace History uniquely explores the distinctive dynamics of peacemaking across time and place and analyzing how past and present societies have created diverse cultures of peace and applied strategies for peaceful change The analysis draws upon the expertise of many well respected and distinguished scholars from disciplines such as anthropology economics history international relations journalism peace studies sociology and theology This work is divided into six parts The first three sections address the chronological sweep of peace history from the Ancient Egyptians to the present while the last three cover biographical profiles of peace advocates key issues in peace history and the future of peace history A central theme throughout is that the quest for peace is far more than the absence of war or the pursuit of social justice ideals Students and scholars alike will appreciate that this work examines the field of peace history from an international perspective and expands analysis beyond traditional Eurocentric frameworks This volume also goes far beyond previously published handbooks and anthologies in answering what are the strengths and limits of peace history as a discipline and what can it offer for the future It also has the unique features of a state of the field introduction with a detailed treatment of peace history historiography and a chapter written by a noted archivist in the field that provides a comprehensive list of peace research resources It is a work ably suited applicable for classrooms and scholarly bookshelves

Ancient Greece and Rome Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally

Visions of Peace Takashi Shogimen, Vicki A. Spencer, 2016-02-17 Visions of Peace Asia and the West explores the diversity of past conceptualizations as well as the remarkable continuity in the hope for peace across global intellectual traditions Current literature prompted by September 11 predominantly focuses on the laws and ethics of just wars or modern ideals of peace

Asian and Western ideals of peace before the modern era have largely escaped scholarly attention This book examines Western and Asian visions of peace that existed prior to c 1800 by bringing together experts from a variety of intellectual traditions The historical survey ranges from ancient Greek thought early Christianity and medieval scholasticism to Hinduism classical Confucianism and Tokugawa Japanese learning before illuminating unfamiliar aspects of peace visions in the European Enlightenment Each chapter offers a particular case study and attempts to rehabilitate a forgotten conception of peace and reclaim its contemporary relevance Collectively they provide the conceptual resources to inspire more creative thinking towards a new vision of peace in the present Students and specialists in international relations peace studies history political theory philosophy and religious studies will find this book a valuable resource on diverse conceptions of peace

War and Peace in the Ancient World Kurt A. Raaflaub, 2008-04-15 This book is the first to focus on war and peace in the ancient world from a global perspective The first book to focus on war and peace in the ancient world Takes a global perspective covering a large number of early civilizations from China India and West Asia through the Mediterranean to the Americas Features contributions from nineteen distinguished scholars all of whom are experts in their fields Offers remarkable insights into the different ways in which ancient societies dealt with a common human challenge Requires no prior historical knowledge making it suitable for non specialists

The Quest for Peace in Ancient Philosophy Lawrence Boakye, PhD, 2010-04-24

AUTHOR S MESSAGE TO READERS No matter what our perception is in relation to the subject of war and peace in our modern times we have an inherent obligation to inculcate a spirit of lucidity and responsibility to reject erratic and ferment principles of politics that may jeopardize our determination to make our world a peaceful place What is required is that we open up to the truth of the past and inculcate the good principles of politics into our contemporary culture of peace The rethinking of ancient philosophy of peace is to reanimate us once again with the wisdom of the past in our search today for order and tranquility tranquillitas ordinis The philosophy of peace of the ancient times is not a monolith for sure we can detect minor deficiencies and utopian elements in it nevertheless its profundity and uniqueness offers those who study it something exceptional distinctive and pure that has stood the test of time and all forms of cultural alterations over the centuries Ancient philosophy has introduced us to the basic truth thus peace is inner repose and outer harmony and the person is at peace when he is not anguished inwardly by conflicting desires whilst living in harmony with others Ancient philosophy affirms that men are intelligent and willing beings and are naturally called to build peace in their lives and in the society this is true because any man who has examined history and human nature will agree with me that there is no such thing as a human heart that does not crave for peace and happiness With a good modus operandi and determination we can build sound politics and social organization of peace because peace is the only thing that can hold the human family together

The Psychology of the Athenian Hoplite Jason Crowley, 2012-08-02 Using current socio psychological research this book reveals exactly why amateur Athenian hoplites unhesitatingly engaged their enemies in savage close quarters combat Pax

and the Politics of Peace Hannah Cornwell, 2017-07-13 Perhaps in defiance of expectations Roman peace *pax* was a difficult concept that resisted any straightforward definition not merely denoting the absence or aftermath of war it consisted of many layers and associations and formed part of a much greater discourse on the nature of power and how Rome saw her place in the world During the period from 50 BC to AD 75 covering the collapse of the Republic the subsequent civil wars and the dawn of the Principate the traditional meaning and language of peace came under extreme pressure as *pax* was co-opted to serve different strands of political discourse This volume argues for its fundamental centrality in understanding the changing dynamics of the state and the creation of a new political system in the Roman Empire moving from the debates over the content of the concept in the dying Republic to discussion of its deployment in the legitimization of the Augustan regime first through the creation of an authorized version controlled by the princeps and then the ultimate crystallization of the *pax augusta* as the first wholly imperial concept of peace Examining the nuances in the various meanings applications and contexts of Roman discourse on peace allows us valuable insight into the ways in which the dynamics of power were understood and how these were contingent on the political structures of the day However it also demonstrates that although the idea of peace came to dominate imperial Rome's self-representation such discourse was nevertheless only part of a wider discussion on the way in which the Empire conceptualized itself *Archaeologia Aeliana, Or, Miscellaneous Tracts Relating to Antiquity*, 1899 A classified catalogue of papers from *Archaeologia aeliana* 1813 1913 is included in the Centenary volume ser 3 v 10 p 334 376 **Peace in Ancient Egypt** Vanessa Davies, 2018-09-04 One of the world's oldest treaties provides the backdrop for a new analysis of the Egyptian concept of *hetep* peace To understand the full range of meaning of *hetep* Peace in Ancient Egypt explores battles against Egypt's enemies royal offerings to deities and rituals of communing with the dead Vanessa Davies argues that *hetep* is the result of action that is just true and in accord with right order *maat* Central to the concept of *hetep* are the issues of rhetoric and community Beyond detailing the ancient Egyptian concept of *hetep* it is hoped that this book will provide a useful framework that can be considered in relation to concepts of peace in other cultures Read a recent blog post about the book here *Peace in the Ancient World* Kurt A. Raaflaub, 2016-03-18 Peace in the Ancient World Concepts and Theories conducts a comparative investigation of why certain ancient societies produced explicit concepts and theories of peace and others did not Explores the idea that concepts of peace in antiquity occurred only in periods that experienced exceptional rates of warfare Utilizes case studies of civilizations in China India Egypt and Greece Complements the 2007 volume War and Peace in the Ancient World drawing on ideas from that work and providing a more comprehensive examination **The Palgrave Handbook of Disciplinary and Regional Approaches to Peace** Oliver Richmond, Sandra Pogodda, Jasmin Ramovic, 2016-03-15 In this handbook a diverse range of leading scholars consider the social cultural economic political and developmental underpinnings of peace This handbook is a much needed response to the failures of contemporary peacebuilding missions and narrow disciplinary debates both of which have outlined the need for

more interdisciplinary work in International Relations and Peace and Conflict studies Scholars students and policymakers are often disillusioned with universalist and northern dominated approaches and a better understanding of the variations of peace and its building blocks across different regions is required Collectively these chapters promote a more differentiated notion of peace employing comparative analysis to explain how peace is debated and contested

The Idea Of Peace In Antiquity Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Idea Of Peace In Antiquity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Idea Of Peace In Antiquity has opened up a world of possibilities. Downloading The Idea Of Peace In Antiquity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Idea Of Peace In Antiquity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Idea Of Peace In Antiquity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Idea Of Peace In Antiquity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Idea Of Peace In Antiquity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Idea Of Peace In Antiquity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About The Idea Of Peace In Antiquity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Idea Of Peace In Antiquity is one of the best book in our library for free trial. We provide copy of The Idea Of Peace In Antiquity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Idea Of Peace In Antiquity. Where to download The Idea Of Peace In Antiquity online for free? Are you looking for The Idea Of Peace In Antiquity PDF? This is definitely going to save you time and cash in something you should think about.
