The Essential Photography Workbook Stephen Dantzig,Joan Dantzig,2015-03-16 Stephen and Joan Dantzig operate the Hawaii School of Photography and have been turning point and shoot photographers into photographic artists for more than five years In this book they put their wisdom to paper with a promise to help readers rise up and learn this powerful practice from the ground up Photography is more popular than ever We are inundated with images by the traditional media and now increasingly in social media Every day countless amateurs who ve enjoyed using cell phone cameras or simple automatic everything point and shoot cameras decide to take the plunge and buy an SLR a camera with all the bells and whistles that allows complete control over the way an image is recorded Too often those cameras collect dust because the users lack the necessary guidance This book is designed to show readers the ropes of SLR photography Beginning with a look at the components of SLRs and moving into the modes options than come standard on today s cameras readers will learn to understand and use their cameras With the basics under their belts they ll move on to understanding the basic tenets of photography specifically the art of capturing an accurate exposure From there readers will learn how to use their exposure controls to depict a subject or scene creatively from determining how much of the scene should be in focus or obscured by a beautiful bokeh desirable blur for effect to deciding whether to freeze motion or elicit the feeling of movement Readers will learn what constitutes the right light for photography and how to use highlight and shadow to create drama and add interest and a sense of dimension in their images Information is presented on composition the artful arrangement of the elements of the scene within the confines of the frame in a way that excites the viewer adding artificial light and much more All concepts are reinforced by the introduction of 43 skill building and concept reinforcing self assignments designed to heighten understanding and boost confidence With lushly illustrated pages and concise jargon free easy access lessons this book is an important resource for all beginning photographers

Glamour Professor Carol Dyhouse,2013-04-04 How do we understand glamour Has it empowered women or turned them into objects Once associated with modernity and the cutting edge is it entirely bound up with nostalgia and tradition This unique and fascinating book tells the story of glamour It explores the changing meanings of the word its relationship to femininity and fashion and its place in twentieth century social history Using a rich variety of sources from women s magazines and film to social surveys and life histories Carol Dyhouse examines with wit and insight the history and meaning of costume cosmetics perfume and fur Dyhouse disentangles some of the arguments surrounding femininity appearance and power directly addressing feminist concerns The book explores historical contexts in which glamour served as an expression of desire in women and an assertion of entitlement to the pleasures of affluence finally arguing that glamour can t simply be dismissed as oppressive or as male fantasy but can carry celebratory meanings for women

A Century of Women Deborah G. Felder,2003 Comprehensive and riveting this

important volume on women's history surveys the revolutionary changes in the social economic and political status of women during the twentieth century. From the battles of suffragists and labor activists such as Carrie Chapman Catt and Rose Schneiderman to the provocative ideas of Betty Friedan, here are the women of vision and courage who fought for equality and freedom. But here too are the unexpected medical and technological discoveries that removed a woman's destiny from the restrictions of biology: the electric washing machine, anesthesia for childbirth, sulfa drugs to stop post partum deaths, the birth control pill, and more. This lively and provocative history covers groundbreaking legislation and Supreme Court rulings yet it doesn't neglect the often conflicting cultural forces from Emily Post and Barbie to the founding of the La Leche League and Ellen DeGeneres's sitcom that have shaped women's lives in today's world. Book jacket Silent Film and the Triumph of the American Myth Paula Marantz Cohen, 2001-05-03 Silent Film and the Triumph of the American Myth is a broad cultural study that connects the rise of film to the rise of America as a cultural center and world power in the twentieth century. Cohen argues that through the medium of silent film America was able to sever its literary and linguistic ties to Europe, assert its cultural independence, and forge a unique form of cultural expression. Silent films drew on elements developed in popular forms of representation like photography, landscape panoramas, and vaudeville performance to create a medium that more accurately represented the American experience. **Designs on the Past** Lloyd Llewellyn-Jones, 2018-07-13 The epic glitter and glamour of Hollywood's Golden Age. In the period 1916-1966, during its so-called Golden Age, Hollywood developed a passion for the ancient world and produced many epic movie blockbusters. The studios used every device they could find to wow audiences with the spectacle of antiquity. In this unique study, Lloyd Llewellyn Jones shows how Hollywood carefully and skilfully created the popular modern perception of the ancient world. He analyses how producers, art directors, costumiers, publicity agents, movie stars, and inevitably a cast of thousands literally designed and crafted the ancient world from scratch. This lively book offers a technical as well as a theoretical guide to a much neglected area of film studies and reception studies that will appeal to anyone working in these disciplines. Key Features: Lavishly illustrated with film stills and examples of rare and fascinating marketing material. Broad coverage of films including *The King of Kings*, *The Sign of the Cross*, *Samson and Delilah*, *Land of the Pharaohs*, *The Ten Commandments*, *Ben Hur*, *Spartacus*, and *Cleopatra*. Considers different aspects of film production: the Hollywood set, costume design, the role of the movie star, dialogue, narration, and music. Sets a new agenda for exploring the relationship between history and film, and between history and visual culture. Explores the archaeology of stardom, examining the onscreen/offscreen images of Elizabeth Taylor, Charlton Heston, and Rita Hayworth. Includes a filmography, chronological outline, and study aids. *The Model as Muse* Harold Koda, Kohle Yohannan, 2009 Book examines the relationship between high fashion and the evolving ideals of beauty through the careers and personifications of iconic models who posed in the salons, walked the runways, and exploded onto the pages of *Vogue*, *Harper's Bazaar*, and even *Life* and *Time*. High profile models enlivened the designs of the world's most celebrated couturiers and on occasion even inspired

them Book jacket **Popular Abstracts** Ray Broadus Browne,1979 Popular Abstracts is a reference tool providing access to information appearing in past issues of three journals published by the Bowling Green Popular Press Abstracts are included for each article appearing in the first ten volumes of The Journal of Popular Culture 1967 1977 the first five volumes of The Journal of Popular Film 1972 1977 and the first four volumes of Popular Music and Society 1971 1975 *Introduction to the History of Communication* Terence P. Moran,2010 An Introduction to the History of Communication Evolutions and Revolutions provides a comprehensive overview of how human communication has changed and is changing Focusing on the evolutions and revolutions of six key changes in the history of communication becoming human creating writing developing print capturing the image harnessing electricity and exploring cybernetics the author reveals how communication was generated stored and shared This ecological approach provides a comprehensive understanding of the key variables that underlie each of these great evolutions revolutions in human communication Designed as an introduction for history of communication classes the text examines the past attempting to identify the key dynamics of change in these human technical semiotic social political economic and cultural structures in order to better understand the present and prepare for possible future developments BOOK JACKET Art and Celebrity John A. Walker,2002-12-20 The growing cult of the celebrity in contemporary culture is throwing up paradoxical ideas about the contradictions between high art and mass appeal and blurring the already unstable boundaries between art commodity and popular culture This is a lively and accessible study of the phenomenon informed by a look at what happens when the serious world of art collides with celebrity Global culture is now dominated by celebrities some of whom like Madonna and Stallone are art collectors and some like Dennis Hopper and David Bowie are part time artists Walker explains how artists such as Warhol Gavin Turk Jeff Koons Elizabeth Peyton and Alison Jackson contribute to but also critique the cult of celebrity by depicting film celebrities rock stars and royalty in paintings and statues Celebritisation has overtaken the art world too Walker surveys 14 art stars of the twentieth century from Dali to Tracey Emin He also reviews alternatives the left wing pantheon of figures such as Mao Che Guevara and Rosa Luxemburg and pictorial celebrations of the people **The New York Times Book Review** ,1974

Writing and Cinema Jonathan Bignell,2014-07-22 This collection of essays examines the ways in which writing and cinema can be studied in relation to each other A wide range of material is presented from essays which look at particular films including The Piano and The English Patient to discussions of the latest developments in film studies including psychoanalytic film theory and the cultural study of film audiences Specific topics that the essays address also include the kinds of writing produced for the cinema industry advertising film adaptations of written texts and theatre plays from nineteenth century classic novels to recent cyberpunk science fiction such as Blade Runner and Starship Troopers The essays deal with existing areas of debate like questions of authorship and audience and also break new ground for example in proposing approaches to the study of writing on the cinema screen The book includes a select bibliography and a documents

section gives details of a range of films for further study *In a Glamorous Fashion* W. Robert LaVine, 2023-02-15 First published in 1981 *In A Glamorous Fashion* is not only a fascinating look at film fashion portraying the glamour and glitter of Hollywood's heyday but is also an invaluable reference source for any student of the film of costume or of the social history It documents some of the best work of the designers names like Adrian Cecil Beaton Edith Head but tells the often dramatic story of their careers and their relationships with legendary stars such as Garbo Dietrich Monroe and many more Here are the stories behind the screen's most famous costumes Walter Plunkett's curtain dress for Scarlett O'Hara the red Jezebel gown Orry Kelly designed for Bette Davis the slinky back satin sheath Rita Hayworth wore in *Gilda* and the extravagant gown 15 000 worth of mink worn by Ginger Rogers in *Lady in the Dark* The photographs and original sketches are an essential and decorative complement to the text there is an index bibliography and a full list of Academy Award winners for costume design *Working in the Global Film and Television Industries* Andrew Dawson, Sean Holmes, 2012-08-02 Like many other cultural commodities films and TV shows tend to work in such a way as to obscure the conditions under which they are produced a process that has been reinforced by dominant trends in the practice of Film and Television Studies This collection places the workplace experiences of industry workers at centre stage It looks at film and television production in a variety of social economic political and cultural contexts The book provides detailed analyses of specific systems of production and their role in shaping the experience of work whilst also engaging with the key theoretical and methodological questions involved in film and television production Drawing together the work of historians film scholars and anthropologists it looks at film and television production not only in Hollywood and Western Europe but also in less familiar settings such as the Soviet Union India Nigeria and the Democratic Republic of Congo Chronologically wide ranging interdisciplinary and international in scope it is a unique introduction critical for all students of the film industries and film production *Latino Image Makers in Hollywood* Frank Javier Garcia Berumen, 2016-04-14 Latinos have been part of the Hollywood film industry for more than 100 years yet beyond the remarkable success of a few their visibility and clout have generally not reflected their significance in American society Worse the Latino image has suffered from widespread stereotyping in film and performers face unjustified constraints in the kinds of roles available to them Decade by decade from 1960 onward this book analyzes important films made by or about Latinos details the careers of Latino performers and filmmakers of the time and analyzes how film portrayals of Latino characters and subjects connect with political and social trends of each decade It discusses the role of gender social class and ethnicity in film portrayals and provides an overview of the diverse and dynamic Latino community in the United States while celebrating a substantial and enduring contribution to Hollywood film history ***The New Yorker*** Harold Wallace Ross, Katharine Sergeant Angell White, 1982-11
