Images of the Spirit Meredith G. Kline, 1999-01-05 The underlying concept developed here is the paradigmatic function of the theophanic Glory cloud in the creation of the image of God Dr Kline identifies the major symbolic models employed in Scripture to expound the nature of the divine image in humanity the priestly and the prophetic

Church of the Missing Five Craig Lindsay Ervin, 2021-07-26 When the people of God returned from exile they built a Second Temple But many of the priests and Levites and heads of father s houses old men who had seen the first house wept with a loud voice when they saw the foundation of this house being laid though many shouted aloud for joy Ezra 3 12 The Second Temple existed from around 516 BC to AD 70 and served as the temple for Jesus and Paul But the Second Temple was missing five things the ark of the covenant the glory divine fire the Urim and Thummim and the prophetic voice Many people of God are weeping today because they experience a church empty of presence and glory There is something missing We have lost the glory of His presence We no longer carry discernment or speak the prophetic word to the nations Could the church today be missing the same things as the Second Temple The church as the final temple of God should be the place of His presence and fullness of the Spirit We should be the fiery voice of discernment and truth The church must recover what is missing We can restore what is missing or we can become the Church of the Missing Five

The Beauty of the Lord

Jonathan King,2018-05-30 Why is God s beauty often absent from our theology Rarely do theologians take up the theme of God s beauty even more rarely do they consider how God s beauty should shape the task of theology itself But the psalmist says that the heart of the believer s desire is to behold the beauty of the Lord In The Beauty of the Lord Jonathan King restores aesthetics as not merely a valid lens for theological reflection but an essential one Jesus our incarnate Redeemer displays the Triune God s beauty in his actions and person from creation to final consummation How can and should theology better reflect this unveiled beauty The Beauty of the Lord is a renewal of a truly aesthetic theology and a properly theological aesthetics

God Created Man in His Image and Likeness Oried E. Graves,2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children dont know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will

Scripture Proofs and Scriptural Illustrations of Unitarianism John Wilson,1846 Daily Secrets of Christian Living Andrew Murray,1996-06-01 Presents twelve topics that provide guidance and growth in the Christian life from one of the greatest devotional writers

Kingdom Theology G. Carlton Moore,2024-06-18 What this book argues for in today s twenty first century church was a hallmark doctrine of old school Presbyterianism of the nineteenth century the doctrine of the spirituality of the church Which eschatological approach one uses will affect one s understanding of the nature and practice of missions Mission creep the expansion of the church s original objective s is a real concern for the contemporary church and how one understands eschatology affects one s focus on missions The mission of the church is narrow Matt 28 18 20 and the calling of individual believers is broad Rom 12 1 2 If we fail to make this crucial distinction the church s mission will lose its biblical emphasis And if the church s mission is lost then the authority structure instantiated in the offices and officers of the church devolves into illegitimacy because the church is no longer advancing the kingdom ends she was mandated to do by King Jesus If the institutional church fails to do this we will be relinquishing and abdicating and abandoning our most singular and particular and peculiar kingdom of God vocation the harvesting gathering and perfecting of the saints
