The Image Of War 1861 1865 Embattled Confederacy

Shauna Devine

The Image Of War 1861 1865 Embattled Confederacy:

The Image of War, 1861-1865 William C. Davis, 1981 **The Image of War, 1861-1865: The embattled Confederacy**, 1981 The Embattled Confederacy. Volume Three of the Image of War 1861-1865 William C. Davis, 1982 The Embattled Confederacy William C. Davis, 1982 1861 1865 vol 3 **The Court Martial of Robert E. Lee** Douglas Savage, 2014-03-07 On July 3 1863 the massed armies of North and South met in fury near Gettysburg Pennsylvania When silence fell more than 22 000 Southern boys lay dead or wounded and their enemy stood unvanquished It was General Robert E Lee s worst defeat the beginning of the end for the Rebel cause Powerfully authentic and thought provoking this venture into speculative history imagines Lee defending his decisions against a hostile Confederate Congress and reliving his famous campaigns Here amid blood smoke and flying steel the great figures of the war come to life most of all Lee himself the reluctant heir overcome by crushing responsibility *The Confederate Image* Mark E. Neely, Jr., Harold Holzer, Gabor S. Boritt, 2000-09-30 First published in 1987 The Confederate Image examines the popular lithographs and engravings cherished by Southerners during and after the Civil War These images helped sustain and revive Southern identity following the collapse of the Confederacy The Image of War, 1861-1865, 1982 **The Appomattox Generals** John W. Primomo, 2013-07-08 Joshua L Chamberlain of Maine and John B Gordon of Georgia led the Union and Confederate armies respectively at the formal surrender ceremony at Appomattox Courthouse Virginia on April 12 1865 In one of the most dramatic and memorable moments of the Civil War as the Confederate soldiers marched through the Union lines to stack their weapons and flags Chamberlain moved by the historic moment and desiring to pay honor to a valiant defeated foe ordered his Union soldiers to salute Gordon s Confederates Gordon surprised but stirred by the same emotion immediately responded and ordered his men to return the salute Both men had volunteered for military service feeling a strong need to fight for their respective causes They entered military service as low level officers with no formal military training Repeatedly they exhibited exceptional aptitude and responsibility rising through the ranks as they received the glowing accolades of their superiors Yet they remained humble continually demonstrating extraordinary courage which earned them the respect of their men Ultimately their heroism and leadership culminated in their meeting as the commanders at the Appomattox Courthouse surrender After the war Chamberlain and Gordon entered politics in their respective states

Conflicting Images Stuart Allan, Tom Allbeson, 2024-05-31 In contrast with historical examinations centring the evolving role of the war correspondent *Conflicting Images* focuses on the contribution of photographers and photojournalists providing an evaluative appraisal of war photography in the news and its development from the nineteenth century to the twenty first century Stuart Allan and Tom Allbeson critically explore diverse genres of war photography across a broad historical sweep encompassing events from the Crimean War 1853 56 and the Civil War in the United States 1861 65 up to and including conflicts unfolding in Syria and Ukraine This book reflects on the relevance of different types of warfare to

visual reporting from colonial conquest via trench warfare and aerial bombardment to the ideological dimensions of the Cold War and embedding and winning hearts and minds during the War on Terror and its aftermath In pinpointing illustrative examples the authors examine changing dynamics of production dissemination and public engagement Readers will come to understand how current efforts to rethink the future of war photography in a digital age can benefit from a close and careful consideration of war photography s origins early development and gradual uneven transformation over the years *Conflicting Images* aims to invigorate ongoing enquires and inspire new alternative trajectories for future research and practice This book is recommended reading for researchers and advanced students of visual journalism and conflict reporting **Naval**

Support To Grant's Campaign Of 1864-65: By Design Or By Coincidence? Lt.-Col. Harry M. Murdock

USMC,2015-11-06 By 1863 the Civil War was basically a stalemate between the two belligerents Though the Union forces had achieved some success in conducting joint expeditions that resulted in securing the Mississippi River and the majority of the Southern ports the major land armies of the Union were generally ineffective In March 1864 General Ulysses S Grant was named General in Chief of the Union army he designed a campaign for future operations that called for synchronized operations by the Union armies supported by the Union navy This monograph examines the naval support to Grant s campaign to determine whether or not the provided support was by design or just coincidence The monograph initially establishes the theater of war setting that Grant inherited when he assumed the billet of General in Chief This is followed by a summary of the campaign from a naval perspective The monograph concludes with an analysis of the naval support provided to the campaign using the four components of a successful campaign espoused in Lieutenant Colonel James Dubik s *A Guide to the Study of Operational Art and Campaign Design* Based on the analysis it is evident that the naval support was provided by design Grant demonstrated an extraordinary ability to visualize operations in the entire theater of war He fully understood and appreciated the usefulness of the sea dimension and exploited its use The Union navy s command of the seas and resourcefulness allowed Grant to maintain his freedom of action to operate from secure bases of operation and to destroy the South s capacity to wage war **The Fredericksburg Campaign** Gary W. Gallagher,1995 It is well this is so terrible

We should grow too fond of it said General Robert E Lee as he watched his troops repulse the Union attack at Fredericksburg on 13 December 1863 This collection of seven original essays by leading Civil War historian [The Cape Hatteras](#)

[Lighthouse](#) Dawson Carr,2012-09-01 Since 1871 the Cape Hatteras lighthouse has been a welcome sight for sailors entering the treacherous region off North Carolina s Outer Banks known as the Graveyard of the Atlantic At 208 feet high it is the tallest lighthouse in the country and one of the state s most famous landmarks Through the years it has withstood the ravages of both humans and nature weathering numerous violent storms and two wars But perhaps the gravest threat the structure faced in recent history was the erosion of several hundred yards of beach that once stood between it and the ocean As powerful tides and rising sea levels increasingly endangered the lighthouse s future North Carolinians debated fiercely

over how best to save it eventually deciding on a controversial plan to move the beacon inland to safety First published by UNC Press in 1991 this book tells the story of the noble lighthouse from its earliest history to the present day In this new edition Dawson Carr details the recent relocation of the treasured landmark For now it seems North Carolinians have succeeded in protecting their lighthouse as it has protected them for over a century [Indiana Magazine of History](#) ,1913

Some Did it for Civilisation, Some Did it for Their Country Jane E. Elliott,2002 This book marks a total departure from previous studies of the Boxer War It evaluates the way the war was perceived and portrayed at the time by the mass media As such the book offers insights to a wider audience than that of sinologists or Chinese historians The important distinction made by the author is between image makers and eyewitnesses Whole categories of powerful image makers both Chinese and foreign never saw anything of the Boxer War but were responsible for disseminating images of that war to millions of people in China and throughout the world **Learning from the Wounded** Shauna Devine,2014 Learning from the Wounded The Civil War and the Rise of American Medical Science **Marylanders in the Confederacy** Daniel D. Hartzler,1986 *Military Review* ,1983 **The Civil War in Books** David J. Eicher,1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in The Civil War in Books the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher s mammoth undertaking are indexed by author or editor and by title Gary Gallagher s foreword traces the development of Civil War bibliographies and declares that Eicher s annotation exceeds that of any previous comprehensive volume The Civil War in Books Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher s The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs [Chancellorsville](#) Gary W. Gallagher,2012-01-01 A variety of important but lesser known dimensions of the Chancellorsville campaign of spring 1863 are explored in this collection of eight original essays Departing from the traditional focus on generalship and tactics the contributors address the campaign s broad context and implications and revisit specific battlefield episodes that have in the past been poorly understood Chancellorsville was a remarkable victory for Robert E Lee s troops a fact that had enormous psychological importance for both sides which had met recently at Fredericksburg and would meet again at Gettysburg in

just two months But the achievement while stunning came at an enormous cost more than 13 000 Confederates became casualties including Stonewall Jackson who was wounded by friendly fire and died several days later The topics covered in this volume include the influence of politics on the Union army the importance of courage among officers the impact of the war on children and the state of battlefield medical care Other essays illuminate the important but overlooked role of Confederate commander Jubal Early reassess the professionalism of the Union cavalry investigate the incident of friendly fire that took Stonewall Jackson s life and analyze the military and political background of Confederate colonel Emory Best s court martial on charges of abandoning his men Contributors Keith S Bohannon Pennsylvania State University and Greenville South Carolina Gary W Gallagher University of Virginia A Wilson Greene Petersburg Virginia John J Hennessy Fredericksburg Virginia Robert K Krick Fredericksburg Virginia James Marten Marquette University Carol Reardon Pennsylvania State University James I Robertson Jr Virginia Polytechnic Institute and State University **Civil War Times Illustrated** ,1991
