The Immigrant Experience:

The Immigrant Experience Maryse Jayasuriya, 2018 This collection focuses on the variety of immigrant experiences that have been depicted in literary works and the techniques that immigrant writers have used in fiction and non fiction Essays deal with issues ranging from racism and discrimination to culture shock and homesickness from necessary attempts at assimilation to anxiety about cultural loss and a struggle to prevent erasure Other themes include balancing multiple identities across generations and the language of refugee literature Provided by publisher **Immigrant Experiences** Paul H. Elovitz, Charlotte Kahn, 1997 This book gives powerful testimony to the possibilities of success even as it attests to the psychological costs of emigration and the struggles of immigration The necessity of creating a new cultural or national identity is a recurring theme as the authors of articles immigrants themselves and Americans sensitive to their families immigrant experiences address what has become an urgent question How can we facilitate the immigrants passage The U S culture has been forged by the influence of immigrant cultures too numerous to mention their representatives have made recognizable significant contributions while struggling to create a viable place for themselves in their adopted land

Representing the Immigrant Experience Marc Miller, 2007-01-10 Popular authors such as Sholem Aleichem and Sholem Asch gained multilingual fame in the early decades of the twentieth century with short stories and novels that represented a world foreign to many Jewish and non Jewish readers alike But the first Yiddish writer to serve successfully as an interpreter and representative of this world was Morris Rosenfeld Marc Miller examines the career of Rosenfeld a key figure in the development of Yiddish literature which was geared to American immigrants in the late 1800s and early 1900s Rosenfeld s early sweatshop poems were designed to foment discontent within capitalism among the working class Although he began his career as a protest poet Rosenfeld with almost no Yiddish literary tradition to draw upon soon moved beyond the narrow propagandistic dimensions of his early work to produce some of the most lasting poetry in the Yiddish language He abandoned his calls to arms and shifted the focus of his poetry to the immigrant self Instead of imploring workers to revolt against the upper classes Rosenfeld began to lament the sad life of the immigrant worker who toiled and lived under brutal conditions This new focus resulted in his widespread popularity that reached beyond his Yiddish speaking immigrant audience and earned him an international reputation as the representative of his time and place *New Strangers in Paradise* Gilbert H. Muller, 2014-07-11 *New Strangers in Paradise* offers the first in depth account of the ways in which contemporary American fiction has been shaped by the successive generations of immigrants to reach U S shores Gilbert Muller reveals how the intersections of peoples regions and competing cultural histories have remade the American cultural landscape in the aftermath of World War II Muller focuses on the literature of Holocaust survivors Chicanos Latinos African Caribbeans and Asian Americans In the quest for a new identity each of these groups seeks the American dream and rewrites the story of what it means to be an American *New Strangers in Paradise* explores the psychology of uprooted peoples and the

relations of culture and power addressing issues of race and ethnicity multiculturalism and pluralism and national and international conflicts Examining the groups of immigrants in the cultural and historical context both of America and of the lands from which they originated Muller argues that this fourth wave of immigration has led to a creative flowering in modern fiction The book offers a fresh perspective on the writings of Vladimir Nabokov Saul Bellow William Styron Maxine Hong Kingston Amy Tan Oscar Hijuelos Jamaica Kincaid Bharati Mukherjee Rudolfo Anaya and many others American Mosaic Joan Morrison, Charlotte Fox Zabusky, 1993 American Mosaic presents the recollections of 140 immigrants from six continents and fifty countries who have settled all across the United States **New Strangers in Paradise: The**
