The Indomitable Mrs Trollope:

The Indomitable Mrs. Trollope Eileen Bigland, 1953 *The Indomitable Mrs. Trollope* Frances Trollope, 1953 *The indomitable Mistress Trollope* Eileen Bigland, 1954 **The Widow and Wedlock Novels of Frances Trollope Vol 1** Brenda Ayres, Ann-Barbara Graff, Abigail Burnham Bloom, Tamara S Wagner, Elsie B Michie, 2024-08-01 The writings of Frances Trollope have been subject to increasing academic interest in recent years and are now widely studied In this four volume set her comical yet subversive treatment of Victorian marriage provides an interesting contrast to some of the more earnest but conventional fiction of the time *British Women Travellers in the Long Nineteenth Century* Marilyn D. Button, Jessica A. Sheetz-Nguyen, 2025-03-05 During the long nineteenth century British women reframed the masculine paradigm of the Grand Tour They created a feminist travel gaze intentionally or unintentionally that differed from that of male peers Unlike their brothers who went for personal edification women with means left their English homes for the great Italian cities of Florence Naples and Rome to escape personal disappointments and the social limitations imposed by parents spouses and society The anonymity of travel to a distant land and new freedoms fostered political and creative achievements including entrepreneurial journalism literary masterpieces and social advocacy for their gender which redefined the contours of the Anglo Italian cultural landscape The historical evidence presented here testifies to the life changing capacity of travel and firmly demonstrates how British women s history and literature enriches and broadens narratives about Britain and the World *The Widow and Wedlock Novels of Frances Trollope* Abigail Burnham Bloom, 2024-07-31 The writings of Frances Trollope have been subject to increasing academic interest in recent years and are now widely studied This four volume set includes scholarly editions of her four novels in which her comical yet subversive treatment of Victorian marriage is an interesting contrast to some of the more earnest but conventional fiction of the time At the time of their reception all four novels were considered to be the most hilarious and beloved of Trollope s works In their satire of Victorian marriage they challenged and complicated the normative practices of getting married being married and getting married again Trollope s creation of strong independent older women is an antidote to other Victorian novelists portrayal of widows and spinsters and her novels challenge our understanding of the characteristics of the novels of the 1830s and 1840s especially in their depiction of Victorian gender dynamics as well as their influence on succeeding novels *The Social Problem Novels of Frances Trollope Vol 3* Brenda Ayres, Christine Sutphin, Douglas Murray, Priti Joshi, Ann-Barbara Graff, 2024-08-01 Frances Milton Trollope 1779 1863 was a prolific provocative and hugely successful novelist She greatly influenced the generation of Victorian novelists who came after her such as Charles Dickens George Eliot and Elizabeth Gaskell This book features Trollope s social problem novels **The Social Problem Novels of Frances Trollope** Brenda Ayres, 2024-07-31 Frances Milton Trollope 1779 1863 was a prolific provocative and hugely successful novelist She greatly influenced the generation of Victorian novelists who came after her such as Charles Dickens George Eliot and Elizabeth Gaskell This book features

Trollope's social problem novels [Domestic Manners of the Americans](#) Frances Trollope, 2015-02-02 Frances Trollope's *Domestic Manners of the Americans* complemented by Auguste Hervieu's satiric illustrations took the transatlantic world by storm in 1832. An unusual combination of realism, visual satire, and novelistic detail, *Domestic Manners* recounts Trollope's three years as an Englishwoman living in America. Trollope makes the civility of an entire nation the subject of her keen scrutiny, a strategy that would earn her, in the words of the critic Michael Sadleir, more anger and applause than almost any writer of her day. Auguste Hervieu's twenty-four original illustrations, placed and scaled as in the first edition, are included in this Broadview Edition, inviting readers to experience the original relationship of image and text. **English Fiction of the Victorian Period** Michael Wheeler, 2014-01-14 Professor Wheeler's widely acclaimed survey of the nineteenth-century fiction covers both the major writers and their works and encompasses the genres and minor fiction of the period. This excellent introduction and reference source has been revised for this second edition to include new material on lesser-known writers and a comprehensively updated bibliography. **Domestic Manners of the Americans** Fanny Trollope, 2006-11-30 When Fanny Trollope set sail for America in 1827 with hopes of joining a Utopian community of emancipated slaves, she took with her three of her children and a young French artist, leaving behind her son Anthony, growing debts, and a husband going slowly mad from mercury poisoning. But what followed was a tragicomedy of illness, scandal, and failed business ventures. Nevertheless, on her return to England, Fanny turned her misfortunes into a remarkable book. A masterpiece of nineteenth-century travel writing, *Domestic Manners of the Americans* is a vivid and hugely witty satirical account of a nation and was a sensation on both sides of the Atlantic. **The Factory Movement, 1830-1855** NA NA, 2015-12-25 *The Cambridge Bibliography of English Literature* Frederick Wilse Bateson, 1940 **Nineteenth Century Literature Criticism** Laurie Dimauro, Paula Kepos, 1991-05-13 Presents literary criticism on the works of nineteenth-century writers of all genres, nations, and cultures. Critical essays are selected from leading sources, including published journals, magazines, books, reviews, diaries, broadsheets, pamphlets, and scholarly papers. Criticism includes early views from the author's lifetime as well as later views, including extensive collections of contemporary analysis. [Subject Guide to Books: Language and literature](#), edited by E. W. Padwick Lionel Roy McColvin, 1967 [Once A Dancer](#) Allegra Kent, 1998-04-15 Balanchine ballerina Allegra Kent tells her singular story with the same originality, freshness, and grace she has brought to the stage. The book should be required reading for dancers everywhere for years to come. *Images of America* Robert Bingham Downs, 1987 *William Gilpin* Thomas L. Karnes, 2014-11-06 William Gilpin (1815-1894) has been called America's first geopolitician. Regarded today as both scientist and quack, Gilpin was in his own time a recognized authority whose maps were accepted by Congress as the most accurate available, and his descriptions of trails and land in the West were read by pioneer and scientist alike as inspiration and guide. His writings first introduced to the American public the treasures of the Great Plains to Gilpin probably belongs the credit for introducing this well-known term and the mountain plateaus of the Rockies. He advertised the future of

the lush valleys of Oregon and the mineral riches that he was sure the American West contained Gilpin was a cultured educated man his studies and his hours of lonely observation on many trips across the American prairies had resulted in the theory in part true in part fallacious about the importance of the Mississippi Valley to world trade and world peace To his contemporaries and a few later historians he was a man of rare genius and advanced thought a prophet and pioneer of civilization one of the wonderful and gifted men of the age and to him are the citizens of the Republic in general and the West in particular immeasurably indebted In this biography Thomas L Karnes traces the life of William Gilpin from the quiet comfort of his wealthy Quaker boyhood home through an exciting and turbulent career as Indian fighter pioneer newspaper editor explorer land promoter and first governor of Colorado Territory But throughout his varied career there was one task to which Gilpin was always devoted he was a publicizer of the West first in letters to family and friends then in newspaper articles books and speeches and finally in reports that became part of the Congressional Record and that influenced the actions of Presidents

In Common Cause Susan S. Kissel, 1993 It considers the many contributions of both women to the most significant political movements of their times anti slavery women s rights and industrial reform It also traces their defining influence on the ideas and writings of Walt Whitman Harriet Beecher Stowe Elizabeth Gaskell Anthony Trollope Charles Dickens and the American suffragists

Laughter and Despair U. C. Knoepfelmacher, 1973
