The Insurrection of the Crucified Theodore W. Jennings, 2003-01-01 **The New Testament ... Stereotype Edition**, 1820 **The Englishman's Greek Concordance of the New Testament** Anonymous, 2023-11-20 Reprint of the original first published in 1875 **Documents and Images for the Study of Paul** Neil Elliott, Mark Reasoner, 2010-11-01

Documents and Images for the Study of Paul gathers representative texts illustrating Jewish practices Greco Roman moral exhortation biblical interpretation Roman ideology apocalyptic visions epistolary conventions and much more to illustrate the complex cultural environment in which Paul carried out his apostolic work and the manifold ways in which his legacy was reshaped in early Christianity Brief insightful introductions orient the reader to how these sources might play a role in different contemporary interpretations of Paul's life and thought Lavishly illustrated with more than one hundred black and white photographs charts a map and timeline of Paul's world this sourcebook is a welcome resource for courses on Paul and his letters

They Suffered under Pontius Pilate Fernando Bermejo-Rubio, 2023-09-12 Although according to the Christian Gospels three men were crucified ca 30 CE outside Jerusalem under the prefect Pontius Pilate both popular wisdom and mainstream scholarship focus solely on the fate of a single man The story is indeed told once and again as if only Jesus of Nazareth had been the target of Roman repression as if only his suffering were worthy of attention and as if the other men crucified at Golgotha had nothing to do with him The present book forcefully argues that from an epistemological and even an ethical perspective this is an odd and worrying state of affairs the prevailing approach entails one sided oversight of significant information betrays a strong bias and prevents us from grasping the meaning of the episode thus making no sense from the standpoint of ancient historians The event which requires being elucidated is not Jesus crucifixion but the whole episode of the execution by the Roman authorities of at least three men Who were the other men crucified at Golgotha Were they actually unconnected to the self styled king of the Jews as the evangelists want us to believe Why did the Roman prefect crucify all of them together in the same place at the same time And why are we told that Jesus cross was placed in the middle of the others Taking seriously into account the extent of the implausible elements in the Passion accounts the collective nature of the crucifixion and the politics of Roman Palestine *They Suffered under Pontius Pilate* Jewish Anti Roman Resistance and the Crosses at Golgotha provides fresh and consistent answers to these and many other pressing questions offering a genuinely historical reconstruction The conclusions obtained challenge many well rooted assumptions unveil Jesus story as a collective enterprise have far reaching implications for the history of Judaism under the Principate and compel us to critically rethink the beginnings of Christianity
