Otto,2020-05-19 The Seafarer s Mind is a wonderful resource for seafarers The book is rich in narrative and case studies and covers a wide range of issues and challenges facing sailors on the high seas A hard hitting account which unpacks the realities of a modern version of indentured labour the author provides hope in the often harsh world of seafaring This is a practical guide to living in isolating and confined situations where temptations abound and moral compasses are often abandoned Martin Otto is the world s leader in serving seafarers through his international mission work He is to be commended for being God s advocate in such an insightful humble and practical manner This book will become a widely read text and is sure to become a key reference for all seafarers seeking to live a Godly life in an often harsh and unforgiving environment I recommend it wholeheartedly Professor Ross Dowling AM Global Cruise Ship Lecturer Perth Australia
