## **The Magazine Maze A Prejudiced Perspective:**

The Magazine Maze Herbert Raymond Mayes, 1980      **Not Pretty Enough** Gerri Hirshey, 2016-07-12 In *Not Pretty Enough* Gerri Hirshey reconstructs the life of Helen Gurley Brown the trailblazing editor of *Cosmopolitan* whose daring career both recorded and led to a shift in the sexual and cultural politics of her time When Helen Gurley Brown's *Sex and the Single Girl* first appeared in 1962 it whistled into buttoned down America like a bombshell Brown declared that it was okay even imperative for unmarried women to have and enjoy a sex life and that equal rights for women should extend to the bedroom and the workplace How dare you thundered newspapers radio hosts and mostly male citizens But more than two million women bought the book and hailed her as a heroine Brown was also pilloried as a scarlet woman and a traitor to the women's movement when she took over the failing Hearst magazine *Cosmopolitan* and turned it into a fizzy pink guidebook for do me feminism As the first magazine geared to the rising wave of single working women it sold wildly Today more than 68 million young women worldwide are still reading some form of Helen Gurley Brown's audacious yet comforting brand of self help HGB wasn't the ideal poster girl for secondwave feminism but she certainly started the conversation Brown campaigned for women's reproductive freedom and advocated skill and brazenry both on the job and in the boudoir along with serial plastic surgery When she died in 2012 her front page obituary in the *New York Times* noted that though she succumbed at ninety parts of her were considerably younger Her life story is astonishing from her roots in the Ozark Mountains of Arkansas to her single girl decade as a *Mad Men* era copywriter in Los Angeles which informed her first bestseller to her years at the helm of *Cosmopolitan* Helen Gurley Brown told her own story many times but coyly with plenty of camouflage Here for the first time is the unvarnished and decoded truth about how she did it from her comet like career to bagging her husband of half a century the movie producer David Brown Full of firsthand accounts of HGB from many of her closest friends and rediscovered little known interviews with the woman herself Gerri Hirshey's *Not Pretty Enough* is a vital biography that shines new light on the life of one of the most vibrant vexing and indelible women of the twentieth century

Women's Magazines, 1940-1960 NA NA, 2016-04-30      **Modern Print Activism in the United States** Rachel Schreiber, 2016-04-15 The explosion of print culture that occurred in the United States at the turn of the twentieth century activated the widespread use of print media to promote social and political activism Exploring this phenomenon the essays in *Modern Print Activism in the United States* focus on specific groups individuals and causes that relied on print as a vehicle for activism They also take up the variety of print forms in which calls for activism have appeared including fiction editorials letters to the editor graphic satire and non periodical media such as pamphlets and calendars As the contributors show activists have used print media in a range of ways not only in expected applications such as calls for boycotts and protests but also for less expected aims such as the creation of networks among readers and to the legitimization of their causes At a time when the golden age of print appears to be ending *Modern Print Activism in the United States* argues that print activism

should be studied as a specifically modernist phenomenon and poses questions related to the efficacy of print as a vehicle for social and political change American Authors and the Literary Marketplace since 1900 James L. editor alike Many of these characters became legends in their own right but Vinciguerra also shows how as a group The New Yorker's inner circle brought forth a profound transformation in how life was perceived interpreted written about and published in America *Cast of Characters* may be the most revealing and entertaining book yet about the unique personalities who built what Ross called not a magazine but a movement **Shaping Our Mothers' World** Nancy A.
