is assigned to search out a vampire buried deep beneath a newly renovated vampire club But Mariah senses the vamp is an Old One an ancient being from the dawn of time She needs to take him in as quickly as possible because letting a vamp come too close will drain Mariah of her powers and render her helpless against the death magic creatures it s her job to pursue Cai who s been in dark sleep since his enemies buried him a few centuries ago emerges into a brand new world His rescuer is a beautiful human woman who becomes his only link to understanding this city of metal and concrete with its rules to keep vampires in check No more hunting vamps to the death now vampires are regulated restricted all but muzzled Cai hopes to make Mariah his own but he soon learns that touching her will hurt her more than he can stand Cai has already lost everyone dear to him and refuses to lose her as well But when danger comes the only choices he can make are heartbreaking ones

Napoleon Rachel Thornton,2009-02-24 Amber a little kitten has her life turned around when her mother is kidnapped Outside of her alley she discovers a secret world which her mother had hidden from her With secrets and traitors at every corner she ll have to stay on her toes and choose her friends wisely      New Downtown Now Mac Wellman,Young Jean Lee,2006      *Goddess Worship, Witchcraft, and Neo-Paganism* Craig Hawkins,2016-09-06 The twentieth century has seen a remarkable revival of the Old Religion as adherents of New paganism call the native religious traditions of Europe and tribal traditions from North America that predated Christianity Many neo pagan groups identify with Celtic Druidic Egyptian Native American Norse or Roman traditions others with modern science fiction motifs and still others with witchcraft Neo paganism is occultic in nature A central figure in much of Neo paganism is the Mother Goddess who has been introduced and worshiped among certain feminists even in some mainline Protestant churches Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth

and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood     Wolf Hunted Kris Austen Radcliffe,2019-01-17 A Blizzard of the Century is about to roar into Alfheim When a rich mundane shows up to harass the local magicals everyone in town knows he s a menace There s nothing they can do though at least not magically Not with the worst snowstorm in decades about to bury Alfheim and the Alfheim Pack s full moon run With natural threats occupying the elves unraveling the danger the interloper poses to the town falls to Frank Victorsson and Sheriff Ed Martinez But Frank is consumed with finding his mystery woman and things quickly spiral out of control     **Northern Creatures Box Set Two: Books 4-6** Kris Austen Radcliffe,2022 A Blizzard of the Century is about to roar into Alfheim Sociopathic mundanes Fae royalty And the woman formerly known as the Bride Enter the uniquely magical world of Northern Creatures with the stories FOUR through SIX Wolf Hunt
