day looking in all the hidden places in her small town for hidden treasures and hidden paths On a beautiful afternoon Emma was walking through the woods near her house when she saw something strange She caught a glimpse of light shining through the thick trees She pushed away branches and stepped on fallen leaves as she moved toward the light As she went deeper into the woods the gleam got brighter pointing her in the right direction like a finger pointing After what seemed like a long time Emma finally came to a clearing In the middle of the area stood a big old oak tree with a trunk that had been carved in many different ways Emma moved slowly toward the tree but she couldn't resist its appeal She got close and saw that the trunk had a small hidden door cut into it Her heart was racing because she was so excited She quickly opened the door even though she didn't know what was on the other side Emma was surprised to find herself in a world she had never seen before There was a lot of magic and wonder in the air She was in a beautiful field that had colors she had never seen before Flowers of all shapes and sizes grew all around her and the petals shone with a light that seemed to come from another world Emma's eyes got very big when she realized that she had found a secret magical world She felt a rush of energy and excitement through her veins This place was full of magic and dreams and anything was possible Emma found animals in the fantasy land that were more interesting than she could have ever imagined She saw playful fairies with feathery wings who danced in the air and left sparkling trails behind them Unicorns danced gracefully through emerald green fields and the sun made their coats shine She made friends with talking animals like an old wise owl who told her stories from the past and Oliver a happy squirrel who became her best friend Oliver showed her secret paths and treasures as he led her through magical forests and sparkling lakes Emma found out that she could do things in this magical world that no one else could She could talk to animals and understand how they felt and what they were thinking She could make flowers bloom with a gentle touch and sing beautiful tunes Emma found out that the magical world needed her help as she learned more about it Darkness was moving across the land and it was getting close to putting an end to all the light and magic in it Emma had to be brave and work hard to save this beautiful land Emma and Oliver set out on a journey to bring balance and peace back to the world She went through dangerous woods climbed up high mountains and went into deep tunnels She overcame problems and fears along the way and found her own strength Emma's bravery and kindness helped her beat the darkness and return the magical world to its former beauty Emma became known as the Hero of the Hidden Realm and the animals in the country applauded Emma went back to the wonderful world every day after that and told her friends and family about its secrets and joys She started telling people stories about her adventures to get them to believe in the power of their own minds When Emma found the secret magical world it changed her life in a way that couldn't be changed back Along with excitement and mystery she found friendship courage and a sense of belonging Emma really accepted who she was in this strange world a smart and creative kid who might be able to find riches in the world around her Emma was exploring the woods near her house one sunny afternoon when she came across an old twisted oak with a small

door cut into its trunk Emma was curious about this mysterious door so she pulled it open To her surprise she found herself in a world she had never seen before Emma stepped over the barrier and saw a world full of bright colors and sparkling light She was in a beautiful yard with flowers from all over the world Their sweet smells filled the air Butterfly wings were a variety of colors and they flew from flower to flower Emma s eyes got very big when she saw all the trees around her They weren t like other trees their limbs seemed to touch the clouds and reach for the sky As the wind rustled through their leaves and made a nice sound they told each other secrets Emma kept looking around because she was curious and she soon found a sparkling brook running through the magical area Its water was so clear that it looked like gems when the sun was shining on it She knelt down by the edge and cupped her hands around the water to taste it As Emma went deeper into the magical area she saw animals that she had only read about in books A family of mischievous gnomes poked their heads out of their cozy tunnels to meet her An old owl sat on a tree its golden eyes shining with experience The animals in the magical world could feel Emma s kind heart and warm spirit Emma gently touched the smooth hair of a silver colored fox as it cautiously walked up to her A beautiful stag walked out of the bush with its magnificent antlers held high It lowered its head as a sign of kindness Emma s heart was full of happiness and thanks for all the beauty around her She knew she had found something special a secret prize that only people who believed in magic knew where to find Emma kept looking and she found a cute town hidden in a clearing The houses were covered with bright flowers and twinkling fairy lights The air was full of laughter and music and the people of the village received Emma with open arms and warm smiles They told her that she had gone to Fantasia a place where dreams come true and imaginations flew The locals invited her to join them in their celebrations where they danced and sang to honor the magic in their world Emma grew into an important member of the community over time She made close friends and memories that will last a lifetime She learned to dance with elegant fairies paint with funny sprites and make tasty treats with mischievous pixies Emma had a great time in Fantasia but she knew she had a place to live in the real world She was sad to leave her new friends but she promised to come back and tell them about her adventures Emma took a step back through the opening in the twisting tree and left Fantasia behind She went back to the forest she knew with a heart full of wonder and joy She felt like her life had been changed in a way that couldn t be changed back She decided to keep looking for excitement and solving mysteries knowing that something amazing was always just around the corner So Emma went back to her own world but she never forgot the wonderful place she had found Every time the sun went down she looked toward the sky and thought of Fantasia s bright colors And in her dreams she kept dancing with fairies painting with sprites and finding out more about the wonderful world that would always be a part of her Emma walked through the opening and into a beautiful bright field with bright flowers sparkling streams and tall silent trees that seemed to be telling her something The air was full of a beautiful happy song and she could hear animals laughing that she couldn t see In the field wildflowers moved in the light breeze as far as the eye could see Butterflies flew through the flowers their thin

wings spotted with all the colors of the rainbow Emma couldn't help but twist and turn as she joined the dance of nature Emma kept looking around and she found a beautiful brook that ran through the field Its clear waters made her want to put her toes in and feel the coolness As she did tiny water sprites came out of the water and laughed Their laughter sounded like the prettiest bells Emma was excited as she followed the sound of giggles hoping to meet these imaginary friends Out of nowhere a mischievous fairy called Pip appeared hovering in the air with sparkling eyes Pip said Welcome to the Enchanted Meadow We've been waiting for someone like you Emma said her eyes growing in surprise Who are you she asked with awe in her voice Pip laughed and led Emma to a field where he had hidden a bunch of magical animals There were playful pixies who liked to play tricks kind nymphs who took care of the flowers and wise old tree spirits who kept the secrets of the forest safe They looked in all the corners and crevices of the meadow together finding secret treasures and figuring out what was going on below the surface Emma found herself talking to the animals who told her stories of where they had been and what they knew Emma went deeper into the field and saw a beautiful old tree with branches that reached all the way to the sky It was tall and proud and its bark had a lot of symbols and pictures carved into it Emma was pulled to the tree by the feeling of ancient wisdom that it gave off Welcome young adventurer a soft voice said from the tree Elderwood told Emma I am Elderwood the guardian of this enchanted realm He told her stories about the magical world and told her that she has a special talent she can talk to nature She could feel the pulse of life in the trees hear the sounds of the wind and understand what animals were saying just by touching them Emma was able to protect the Enchanted Meadow with her new abilities She worked with the animals in the forest to take care of the plants and keep the balance of the magical realm She learned how to heal hurt animals bring back dead flowers and make the field peaceful again whenever it was in danger As time went on in the Enchanted Meadow Emma's heart grew to love this wonderful place more and more She wished she could stay there forever but she knew she had to go back to her own life The animals in the field said goodbye to her with tears in their eyes They promised to always remember her and the magic she had brought into their lives Emma went back to the trees near her house as soon as she walked back in the door She remembered the bright meadow the sweet tunes and the laughs of the animals she couldn't see After that Emma looked at the world with new eyes She saw the magic and beauty in all living things She knew that even in the most ordinary things there was a spark of magic waiting to be found She would close her eyes listen to the wind whisper and let her thoughts take her back to the Enchanted Meadow whenever she missed it Emma told her friends and family about her amazing trip and the stories she told about the Enchanted Meadow held their attention She taught kids to love the beauty of nature and to believe in the magic that is all around them They went on hikes through woods meadows and streams together They listened to the songs of the birds picked up pretty leaves and were amazed by the intricate patterns on the flowers Emma told them to close their eyes open their hearts and feel the magical animals that live in every corner of nature that they can't see Emma's adventures quickly got around and kids from nearby towns came to

find her to hear her stories and try out the magic for themselves Emma became a great storyteller She would gather kids under the shade of an old twisted tree and use her words to paint beautiful pictures Every time Emma told a story she took her listeners to the Enchanted Meadow and let their minds run wild They laughed with the happy pixies danced with the beautiful nymphs and listened to the wise wisdom of Elderwood Emma s stories brought out the magic in each child making them feel closer to nature and giving them their own sense of wonder Emma s stories have kept inspiring people for a long time Her stories were told to children by their parents which kept the magic of the Enchanted Meadow alive The tree with the little door became a place for kids to hang out and a doorway to their own worlds of making things up and learning new things Emma would never forget how magic the field made her feel She went there often to get comfort and ideas from the wind s words and the sounds of nature She realized that the magic she d found wasn t just in a secret place but was all around her ready to be discovered by people with open hearts and minds So Emma the girl who found the old twisted tree kept celebrating the magic of the Enchanted Meadow for the rest of her life Her stories and spirit lived on making both kids and grown ups want to go on adventures solve mysteries and enjoy the beauty and wonder of the natural world For the magic of the Enchanted Meadow would live on in the realm of fantasy and the embrace of nature Emma started to look around this beautiful place with wide open eyes Soon she met Oliver a friendly squirrel who could talk and became her guide and friend Oliver called the secret world Enchanted He said it was a place where magic grew and where mythical animals lived *The Sign* Mrs. Romilly Fedden,1912 **Sales** Parke-Bernet Galleries,1949 **Charlie's Christmas Miracle** AQEEL

The Story s Start A little boy named Charlie used to live in a town surrounded by snowy hills He was a happy kind young man who loved Christmas more than anything else It warmed his heart to see all the bright lights smell the fresh cookies and give and receive gifts The small town was turned into a snow wonderland every December Snowflakes would fall from the sky and cover the land in a beautiful shiny blanket The streets were full of the laughter of kids building snowmen and having snowball fights and the homes were lit up with bright lights But Charlie s Christmas was really amazing because of how much his family loved and cared for him The house where Charlie s family lived was nice and on the edge of town The smell of fresh cookies and the sound of laughter could always be heard in their house They loved their child very much and they loved Christmas as much as he did They would make wonderful Christmas memories together Charlie loved the event where everyone decorated the Christmas tree every year In their cozy living room they would gather around a beautiful evergreen tree that reached almost to the roof The tree was placed by Charlie s grandfather a long time ago It has grown tall and strong just like their love for each other It would take the Thompsons hours to find the perfect ornaments to put on the tree Each ornament held a special memory for the person who owned it like the bright construction paper and glitter ornament Charlie made in kindergarten or the beautiful glass ornament that has been passed down from generation to generation As they put up the tree they sang their favorite Christmas songs which made their hearts full of love and joy When Charlie s family was decorating the tree one cold December night Charlie s dad saw a sad look on his son s face He got down on his knees and asked Charlie What s wrong buddy Mr Thompson knew that his son wanted to see the magic of the Christmas lights show but they hadn t been able to buy

any lights lately because money was tight He looked at his wife and the two of them shared a knowing look Mrs Thompson smiled and said Charlie you know that the true magic of Christmas isn't in the lights or the decorations It's in the love we share with each other Let's make this Christmas special in our own way Charlie tried to smile as he nodded but he couldn't help but feel a little let down That night Charlie thought about what his mom had said as he lay in his warm bed But even though he knew she was right he still had to see the amazing light show that everyone was talking about As he fell asleep he wished on a sparkling star that there was a way for him to feel the magic of the lights The next morning Charlie woke up to find that there was new snow on everything outside Getting out of bed and running to the window made his heartbeat fast with excitement Everything looks and feels more beautiful when it snows and it did today After breakfast Charlie chose to take a walk around town As he walked through the snowy streets he couldn't help but notice that everyone was busy getting ready for Christmas Shop owners put flowers in their windows families got warm to go ice skating and friends gave each other gifts Charlie couldn't help but feel left out He wished he could be a part of all the holiday activities and share the joy of the season with his friends He saw a sign in the town center that said Christmas Lights Display Tonight as he walked across town Charlie's heartbeat faster The show was tonight but he didn't have any lights to add to it There was magic around him but he didn't know how to join in Just as he was about to speak he heard a voice he knew calling his name Emily was his best friend She ran up to him quickly and smiled big It was Charlie she yelled Guess what Our family has some extra Christmas lights and we don't know what to do with them Would you like to help us decorate our house for the display tonight Charlie's eyes sparkled with joy Oh Emily that would be great Thanks so much Charlie put up Christmas lights on Emily's family's house in the afternoon They put them around the windows and hung them over the bushes Charles couldn't believe how lucky he was He was going to be a part of the beautiful light show after all As night fell Charlie Emily and her family joined the other people in the town square It looked like something from a fairy tale because the whole square was lit up with bright lights It looked like the stars clouds and even a huge Christmas tree was lit up with hundreds of lights Charlie's family would put up their Christmas tree together every year They would sing Christmas songs and hang colored ornaments and gold tinsel for hours on end But this year was different Charlie's family was having money problems so they couldn't buy a Christmas tree or any other decorations As Charlie looked on his friends and neighbors were decorating their houses for the holidays It broke his heart For as long as Charlie could remember the best part of the holiday season was always decorating the Christmas tree It was a beloved tradition that brought his family closer together and made memories that would last a lifetime Every year they would plan to start this great project on a weekend in early December

ground the sound of her laughter could be heard through the thick greenery of the green hills adding to the peaceful atmosphere Barbie's soul expanded like a beautiful tapestry with each step Because she was so interested in everything the world around her became a blank canvas ready to be painted and every exchange was a vivid brushstroke of her imagination She was excited about every day like the sun rising ready to explore the new worlds of information that were calling her Barbie was so beautiful that people were drawn to her like bees to nectar The kindness and love in her heart became a light for people who needed support and understanding Her heart was as open as her ears and she helped those in need by giving them comfort and advice Nature also seemed to enjoy being with Barbie Birds sat on her outstretched hand and sang to her as if they were drawn to the melody inside her Flowers grew with an unmatched brightness and the petals showed how strong her beliefs were Even the most scared animals came up to her and trusted that she would show them the way through the forest Even though Barbie was beautiful every day she had a deep pain in her heart Her grandma told her stories about how rainbows would appear in the sky after it rained a lot These rainbows were more than just bright lines they were magical doors that led to other worlds of magic and people dreams and adventure She woke up one beautiful morning to the sound of birds singing after a light rainy night As she told her grandmother's stories she felt a rush of amazing joy through her body She felt compelled to explore the mysterious woods around her home by a constant whisper in her ear She went deeper into the forest and the air filled with the sweet smell of wildflowers The green canopy above her got thicker as well She jumped when she heard weak music that sounded like a bell chime far away The music caught her attention and as it slowly got stronger took her on a dreamlike journey She kept going deeper and deeper into the bush as the music led her As if a long kept secret were about to be revealed everything around her seemed to be building up for it As they walked the sparkling sounds got more beautiful and clearer

the Magical Candy Shop which is full of love magic and lasting kindness A little girl named Lily started it all She inherited her family s candy shop and has a magical ability to change sweets into other things Her candies had magical powers they could make you laugh out loud or feel cozy and warm inside One sunny morning Emily a curious little girl found the shop and was hired to work as Lily s assistant She learned how to make candy and she and her friend used their magical treats to make everyone happy from sick neighbors to lonely tourists and kids in the school Emily who was now the store s protector made beautiful candies over the years to continue Lily s love and kindness Sarah a sweet little girl watched her and learned from her then took over when she was ready Sarah was in charge of the shop s magic and her magical candies continued to bring happiness to everyone in the hamlet Emily was thrilled to see Sarah start her new job and made sure that the company stayed a place of wonder and joy In a gentle way the story reminds us that the best magic is the power of kindness and love It tells us that small acts of kindness and generosity can make the world a uniquely beautiful place People from the area and visitors alike are affected by the Magical Candy Shop s legacy which inspires them to add goodness joy and kindness to their own lives As the years went by the store became a wonderful haven reminding everyone that real magic is not just in candy but in the love and generosity that we all have inside us People who worked at the Magical Candy Shop and the little girl who ran it showed how strong love is and how amazing people are This is how the story starts A long time ago there was a great candy store in a cute town tucked between hills and a sparkling river The tiny girl named Lily ran this one of a kind store called the Enchanted Candy Shop Her amazing skills gave her business a charm that made people want to buy everything Because Lily is so talented her candy shop is utterly amazing and unlike any other in the area Lily had been an important part of the neighborhood for as long as anyone could remember The family s closely guarded secrets and recipes were given to her by her parents who used to run the candy shop However Lily was different from her ancestors because she naturally had the ability to make her sweets magical Each sweet treat she made was unique and delicious Her candy bars made you feel good and toasty her lollipops made you laugh aloud and her gummy bears made you jump really high Kids from all over were interested in her projects and long lines of them would form outside her shop to see what she had made most recently A quiet knock on the door woke Lily up one bright morning as she carefully watched over her pot of sweets that were bubbling She wiped her firsthand her apron as she opened the door and saw Emily standing there her eyes wide with surprise Emily is a quiet but interesting young girl When the guest arrived Lily smiled and said Hello dearie How may I assist you today Emily was amazed and shy at the same time when she heard stories about the Mystical Candy Shop Emily said in a whisper I ve heard rumors that your sweets are magical Lily laughed quietly knowing Emily was telling the truth Indeed dearie Would you like to experience one for yourself Emily replied with a heartfelt nod and Lily gave her a beautiful lollipops Emily took a bite and then could not stop laughing It was a happy joyful laughter she had never felt before Lily looked at Emily s contagious laughter with a playful twinkle in her eye and said My lollipops have an uncanny way of digging up the deepest sources of

happiness Emily's eyes lit up with wonder as Lily asked What brings you to my humble shop today Emily I've always had a strong affection for sweets and the rumors that your pastries are the best in the whole village brought me here In addition I've heard that you can teach people how to make magical candies Emily said with a grin Lily gave Emily a warm smile for her hard work and energy That is accurate dearie I can certainly initiate you into the craft of candy making though it is no simple undertaking It requires patience unwavering commitment and above all a kind heart Emily kept saying how excited she was to learn and how determined she was to do so Lily chose Emily to be her assistant and so began a lovely journey Emily replied I'm ready to go on this journey with you Lily and I promise that my heart is full of kindness Lily taught Emily how to make candy She showed them the right way to mix the ingredients add magic to the treats and make tastes that were delicious As the days turned into weeks Emily got better at making sweets which let her make her own magical treats She imagined jellybeans resisting gravity and shooting one into the sky and she also imagined candy canes turning plain snow into designs made of many colors The locals were amazed by her innovative ideas and every day there were longer lines at the Magical Candy Shop Emily on the other hand wanted to do more than just make delicious candy She wanted to use her talent to help people who were sad One day she went up to Lily and made a proposal Emily asked Lily What if we used the magic of our candies to help people in need We could make candies that make people feel better when it is cold outside or make people laugh when they are sad Lily was moved by Emily's kindness and she agreed with Emily's idea right away That's a wonderful thought honey Let us begin by making sweets for the orphanage kids over here They deserve all the happiness in the world Ever since Emily and Lily have been making one of a kind sweets for the orphanage kids They made candy that grew all year and sugar butterflies that flew around the kids and made them smile The orphaned kids laughter filled the building as they were thrilled with what they had found Everyone in the town quickly heard about Emily and Lily's kind deeds They became famous not only for their magical candies but also for their kind hearts They continued to give their sweets to make other people happy whether it was an elderly friend or a stranger walking by Emily and Lily's friendship grew stronger over time and went beyond just being friends They felt like family because they had been through so much together It was Lily who suggested that Emily should run the Magical Candy Shop on her own and continue her parents work Emily my dear the time has come for you to take over as owner of the Magical Candy Shop You have learned everything I have to teach you and I have no doubt that you will make me proud Lily told Emily as they sat down together in the shop on a sunny afternoon Thank you for everything Lily I shall strive to preserve your legacy and continue to make this world a sweeter place Lily gave Emily the keys to the shop with a mix of sadness and joy in her heart The people of Hamlet marked the passing of the baton with a beautiful ceremony that went on all night and was full of sweets and laughter Emily ran the Magical Candy Shop so well that it did very well As Lily had told her to she used her magic to make people happy who were sad and to create new magical sweets that amazed and pleased everyone Lily was like an old oak tree that stood in the town square and was a part

of the neighborhood For many years she was always there for the peasants giving them support in a world that moved too quickly Before she was born her family owned the candy shop and took great care to keep the sweet traditions that had been passed down from generation to generation Each generation had been given these valuable trade secrets and tried and true recipes for making sweets They were like a river of candy knowledge But Lily had a unique attitude that set her apart from her ancestors and from everyone else in town She had been given a special skill that no one else had Lily s parents were good at making sweets but she was the best She was able to give her candies special powers that made everyone who tried them happy and spellbound As Lily got better she learned that each candy could have its own magic added to it which turned ordinary treats into amazing wonders Her candy will make you laugh until you cannot hold back tears her chocolate bars will melt your heart and her gummy bears will make you jump higher than you ever thought possible The village kids were enchanted by her works of art and waited in long lines outside her cute candy shop for her newest most delicious treats Over time her charming personality became known and people from nearby towns and cities came to her business They were amazed by how much happiness her magical candies brought them and they were truly happy Lily had turned her tiny candy shop into a beautiful heaven where every delicious bite took regular things to a whole new level People who came to her house were drawn in by more than just the sweet smell of her candy The person was Lily who was kind and caring and had a natural way of making everyone feel special Every customer had a name a favorite candy and a story about themselves Her warm smile and deep talks had a remarkable way of making even the worst days better
