The Magnolias Still Bloom:

And the Magnolias were in Bloom Tela Dawson, 2024-04-30 From Europe to a story of rebirth in a new land the Americas It is the dream of many to enter and become a part of a new land One where opportunities would abound and the oppression of the old world would be left behind There are hidden treasures of emeralds and pearls struggles and triumphs in this new land where plantations were developed and opportunities to succeed and flourish were born New ways and new generations are born War and recovery love and integrity Treasures to be passed down and names of honor and distinction given New hopes and dreams as big as the state of Texas Healing waters and a general store calling all travelers to take a detour and enjoy a milkshake and a taste of heaven life and compassion hardships and victories love makes a way and hope abounds Generations are born and family history is made and the explorer in each of us finds treasures to pass on to those who come after 2 [The Magnolias Still Bloom](#) Darrel Rachel, 2001-09-11 A story of murder and greed in a small Southern City Four inhabitants of Lancaster try to cope with the changing social and economic climate as lives clash in a fury of raw emotion
