English-German Dictionary of Idioms Hans Schemann, Paul Knight, 1997 Containing 15 000 headwords each entry in this dictionary provides the German equivalents variants and contexts as well as the degree of currency rarity of the idiomatic expression **Guillotine** Drac Von Stoller, 2012-01-26 Come one come all to the greatest show on Earth says the ringmaster of the Circus of Horrors Every Halloween the town of Deadsville holds its annual Circus of Horrors that brings in tourists from all over the world This was the only real money maker for the town of Deadsville Deadsville had one post office one church one store etc so there wasn't

very much excitement in this little town Though the town of Deadsville wasn't dead hence the name Just like everything this world has to offer in everyday life Things can get rather boring unless you can think up new ideas that will stand out to make the tourists want more Deadsville's Circus of Horrors attendance was dwindling because of no new exciting attractions till one day when an old eccentric man pulled up in a dusty old van and asked to see the ringmaster of the Circus of Horrors The ringmaster said What do you want from me old man Can't you see I'm busy right now and don't have time to be messing around this place This better not be a waste of my time What is it you want to show me old man Come here and I'll show you I promise you won't be disappointed said the excited old man The ringmaster followed the old man to his van to see what he was raving about The old man opened the back door of the van and the old man said What do you think The ringmaster replied Looks like some wooden piece of furniture Do you mean to tell me you interrupted my busy work schedule for this I should have you thrown out of my circus right now The old man yelled Wait Don't leave yet you haven't seen what this wooden structure you call a piece of furniture is Just bear with me for just another minute and I promise you won't be disappointed Well alright make it snappy I haven't got all day said an angry ringmaster Would you believe it if I told you this will be the best main attraction at your circus by far said the old man You've got to be kidding replied the ringmaster First get a couple of strong men to help me get it out of the van and I will tell you all about it exclaimed the old man Look if this is some kind of joke you're going to be in a lot of trouble old man said an angry ringmaster The ringmaster got two of his strongest men Hector and Ugo to pull the heavy piece of wood structure out of the van Ugo said Where do you want us to put it The ringmaster replied Bring it inside the tent behind you and we'll let the old man tell us why this piece of wood is going to be our main attraction this Halloween The old man said Okay are you ready ringmaster I think I'm as ready as I'll ever be You've only wasted about an hour of my time what's a few more minutes said a frustrated ringmaster The old man removed the cover from the wooden structure and said What do you think The ringmaster laughed It's just a guillotine I was expecting something better than this I think you need to leave so I can get back to work The old man being frustrated with the ringmaster said I'm sorry that you feel that I've wasted your time and I see you're upset at me but let me tell you about why this guillotine will be the main attraction and money maker for your Circus of Horrors This is no ordinary guillotine This guillotine is from the mid evil times and is the only one of its kind in existence which makes this a rare find and the fact that it's been used at every famous execution There's more I'm listening old man said the ringmaster with his arms folded together With this guillotine you get your executioner said the old man Where I don't see any executioner laughed the ringmaster Oh but you will Could I have a word with you alone said the old man Okay Hector and Ugo Come back in about twenty minutes replied the ringmaster Okay old man we're alone let's hear it said the ringmaster with anger in his eyes The old man handed the ringmaster an envelope What's this said the ringmaster Open the envelope and read what it says to me said the old man Whoever says the incantation aloud as written in this letter word for word will receive an abundance of

wealth To receive an abundance of wealth you must fulfill the Executioners demands If not the executioner will have your head said the old man The ringmaster said with an excited look on his face What do I get to lose just my head as he laughed out loud The old man said in a serious voice Go ahead and read the incantation and your life will be filled with riches beyond your wildest dreams More Pongwiffy Stories Kaye Umansky,2018-04-19 A bind up edition of two books from the much loved classic children s series Pongwiffy featuring The Spell of the Year and The Holiday of Doom When Pongwiffy is forced to spring clean her hovel she finds an old magic spell to help her But it turns out that the old fashioned ingredients are tricky to come by especially when they belong to the familiars of other witches In the second story the rain won t stop and Pongwiffy is BORED So she decides to plan a holiday But when Pongwiffy blows all of the Coven s funds on a trip to Sludgehaven on Sea maybe being bored isn t such a bad thing Two laugh out loud stories of humour and warmth enticingly mixed with much sludge slime and very bad habits Now with brand new illustrations from Katy Riddell *Tourism and Indigenous People* Raghu Ankathi,Jayaprakashnarayana Gade, Tourism is becoming one of the most important social and economic activities of today s world The number of domestic and international travelers is steadily increasing and many countries in the world are now seeking to develop tourism for its many benefits There is also justifiable concern about the possible negative effects of tourism and a growing desire to develop this sector in a planned and controlled manner that optimizes benefits while preventing any serious problems In addition to newly developing Tourism and Indigenous People areas have substantial tourism development are now reexamining their tourism sectors and in many places desiring to make improvements where necessary to meet contemporary standards and environmental objectives Recognition is gradually being given to the urgency of developing Indigenous People as well other sector in an integrated manner that sustains its Indigenous resources for perpetual use and helps conserve and not deteriorate an area s Indigenous People natural and cultural heritage Tourism and Indigenous People is meant for the students of Tourism and travel agency management We believe that subject that has the potential to be one of the most interesting stimulating in educational career Travel trade is a complex world of changing features products services and entertainment that makes our life more comfortable and enjoyable The travel and tourism entrepreneurs similarly maybe interested in understanding how Indigenous People tourism markets and tourism professionals are the driving forces in the development and expansion of tourism industry All the new or old tour planners tour executives or managers need to understand different aspects of travel agency business to match the present as well as future requirements **The Troubling Adventures of Jesse and Owen** Ted Lemon,2016-09-08 The Troubling Adventures of Jesse and Owen By Ted Lemon In The Troubling Adventures of Jesse and Owen nine year old Jesse is his own man He does what he wants when he wants Then Owen moves into the trailer park and teaches Jesse the value of sharing his adventures Jesse gives Owen something that s been missing in his life friendship They find out how exciting and dangerous life can be but maybe just maybe they can get through the rough times together *Introduction to Greenland* Gilad James,
