The Maine Woods:

The Maine Woods Henry David Thoreau, 2009-01-01 In 1846 Thoreau took the first of his three journeys into the woods of Maine and each of his excursions he pondered the allure of the wild the impact of humanity and on being a man moving through nature Here his thoughts on all three trips are gathered in one volume first published in 1864 that is considered by some one of the best examples of outdoors writing ever From the quiet of a lakeside to the campfire stewing of cranberries to surprising encounters with Indians Thoreau offers us an intimate look at a landscape that is now all but gone or radically different His insights on his experiences which have made him a hero to environmentalists and ecologists are even more powerful today than perhaps they were when he first put them down on paper Writer and philosopher HENRY DAVID THOREAU 1817 1862 was born in Concord Massachusetts and educated at Harvard University His writings on human nature materialism and the natural world rank him among the most influential thinkers of American literature **The Maine Woods** Henry David Thoreau, 2020 The Maine Woods, 1864 **The Maine Woods** Henry David Thoreau, 2021-01-01 Written by famous American essayist poet philosopher abolitionist naturalist tax resister development critic surveyor and historian Henry David Thoreau the present book The Maine Woods was first published in the year 1864 **The Maine Woods** Henry David Thoreau, 1909 The Changing Nature of the Maine Woods Andrew M.
