**The Making and Breaking of Communist Europe** Zbyněk A. B. Zeman, 1991 This study of communist Europe from the situation that emerged from the 19th century great power system to the dissolution of the dictatorships at the end of the 1980s takes as its central theme the progressive drawing apart of Eastern Europe from the West through the course of the 20th century

Enoch Powell and the Making of Postcolonial Britain Camilla Schofield, 2013-10-03 Enoch Powell's explosive rhetoric against black immigration and anti discrimination law transformed the terrain of British race politics and cast a long shadow over British society Using extensive archival research Camilla Schofield offers a radical reappraisal of Powell's political career and insists that his historical significance is inseparable from the political generation he sought to represent

Enoch Powell and the Making of Postcolonial Britain follows Powell's trajectory from an officer in the British Raj to the centre of British politics and finally to his turn to Ulster Unionism She argues that Powell and the mass movement against New Commonwealth immigration that he inspired shed light on Britain's war generation popular understandings of the welfare state and the significance of memories of war and empire in the making of postcolonial Britain Through Powell Schofield illuminates the complex relationship between British social democracy racism and the politics of imperial decline in Britain

Minority Rights in the "new" Europe Peter Cumper, Steven Charles Wheatley, 1999-02-04 This collection of essays examines the legal regime in the post Cold War era which has developed in response to the demands of ethnic racial religious groups in Europe In essence this volume seeks to examine the old problem of national minorities in the new Europe The essays examine the response of the main institutions within Europe i.e the Council of Europe OSCE European Union the increasing recourse of states to bilateral arrangements the developing content of minority rights the challenges posed by state building the resolution of conflicts involving national minorities Particular issues considered include the minorities situation in the Former Yugoslavia the situation in Ukraine in particular in Crimea the position of the minority Catholic population in Northern Ireland as well as developments in the context of autonomous regimes power sharing arrangements At the end of the book a collection of documents which supplement these chapters are relevant to minority rights in the New Europe can be found Whilst the book's editors are both legal academics from the United Kingdom the contributors' backgrounds are diverse varied originating from a number of different countries with expertise in a wide variety of areas

emergence of organized crime discusses each state individually includes an up to date bibliography Eastern Europe in the Twentieth Century And After provides an accessible introduction to this key area which is invaluable to students of modern and political history *Righting Wrongs in Eastern Europe* Istvan S. Pogany,1997 One of the most painful aspects of the transition process in East Central Europe is the attempt to address some of the serious human rights abuses that occurred in the name of communism as well as during the post communist era **Europe Since 1945** Mary Fulbrook,2001 This text brings home the waves of transformation that have washed across Europe in the second half of the 20th century sketching out general patterns of this change and exploring some of the local themes and variations in parts of Europe **A History of Eastern Europe 1918 to the Present** Ian D. Armour,2021-04-08 Why is Eastern Europe still different from Western Europe more than a quarter century after the collapse of Communism A History of Eastern Europe 1918 to the Present shows how the roots of this difference are based in Eastern Europe s tortured 20th century Eastern Europe emerged in 1918 as the lands between new states whose weakness vis vis Germany and Soviet Russia soon became obvious The region was the main killing field of the Second World War which visited unimaginable horrors on its inhabitants before their liberation by the Soviets in 1945 The imposition of Communist dictatorships on the region ironically only deepened Eastern Europe s backwardness Even in the post Communist period its problems continue to make it a fertile breeding ground for nationalism and political extremism A History of Eastern Europe 1918 to the Present explores the comparative backwardness of Eastern Europe and how this has driven strategies of modernisation it looks at the ways in which the region has served as a giant test tube for political experimentation and in particular at the enduring strength of nationalism which since 1989 has re emerged more virulent than ever This book is the essential textbook for any student of 20th century Eastern Europe Themes in Modern European History Since 1945 Rosemary Wakeman,2003-06-26 Twelve chapters consider the key political cultural and economic changes of post 1945 Europe *Britain and the World in the Twentieth Century* Michael J Turner,2010-02-26 This is a detailed single volume analysis of Britain s changing position in the world during the twentieth century It places British policy making in the appropriate domestic and international contexts offers an alternative to the more negative decline obsessed assessments of Britain s role and influence in global affairs This book suggests that Britain s leaders did a better job than some historians think Michael Turner in order to understand why they took the options they did investigates their motives and aims within the international environment within which they operated The East European Economy in Context David Turnock,2003-09-02 Since 1989 the former communist countries of Eastern Europe have witnessed a profound and dramatic upheaval The economic coherence of this region formerly maintained through the adoption of the Soviet system of government has fractured In The East European Economy in Context Communism and Transition David Turnock examines the transition from communist to free market economies both within and between the states of Eastern Europe As well as containing an informative survey of the impact of communism The East European Economy in Context provides Political

profiles of individual countries A clear study of the contrasts between northern and balkan groups Summaries of regional variations in the transition process An exploration of the new state structures and resources Discussion of political stability inter ethnic tensions and progress in economic change

**Devastation** Mark Levene,2018-01-12 From the years leading up to the First World War to the aftermath of the Second Europe experienced an era of genocide As well as the Holocaust this period also witnessed the Armenian genocide in 1915 mass killings in Bolshevik and Stalinist Russia and a host of further ethnic cleansings in Anatolia the Balkans and Eastern Europe *Crisis of Genocide* seeks to integrate these genocidal events into a single coherent history Over two volumes Mark Levene demonstrates how the relationship between geography nation and power came to play a key role in the emergence of genocide in a collapsed or collapsing European imperial zone the Rimlands and how the continuing geopolitical contest for control of these Eastern European or near European regions destabilised relationships between diverse and multifaceted ethnic communities who traditionally had lived side by side An emergent pattern of toxicity can also be seen in the struggles for regional dominance as pursued by post imperial states nation states and would be states Volume I *Devastation* covers the period from 1912 to 1938 It is divided into two parts the first associated with the prelude to actuality of and aftermath of the Great War and imperial collapse the second the period of provisional New Europe reformulation as well as post imperial Stalinist Nazi and Kemalist consolidation up to 1938 Levene also explores the crystallisation of truly toxic anti Jewish hostilities the implication being that the immediate origins of the Jewish genocides in the Second World War are to be found in the First

Minority and Group Rights in the New Millennium Deirdre Fottrell,Bill Bowring,2023-11-27 In the 1990s inter ethnic conflicts threaten the stability of many states As a result the issue of minority rights has become an urgent concern for international lawyers *Minority and Group Rights in the New Millennium* examines the way in which existing international law and human rights instruments protect the rights of minorities In addition the essays in this volume address current debates on the fundamental issue of defining a minority the complex arguments for expanding existing definitions and the legitimacy of claims by specific groups to qualify for minority status

*Post-Socialist Peasant?* D. Kaneff,2001-12-03 During the past decade life in post socialist states has been fraught with instability and conflict This book focuses on changing rural urban relations and growing divisions between them in the context of the reforms Contributions to this volume explore responses to capitalist oriented policies and reasons for rural disenfranchisement The work takes an ethnographic approach to exploring how global processes engage with local rural concerns in the post socialist world

**One Hundred Years of Socialism** Donald Sassoon,2010-07-30 On 14 July 1889 the centenary of the French Revolution socialist parties from all corners of Europe met in Paris On the same day in the same city the Exposition Universelle was launched to mark the achievements of capitalist production The two events symbolized the beginning of the epic struggle between socialism and capitalism in Europe In this comprehensive study of a century of socialism the author traces the fortunes of the political parties of the Left in Western Europe From the rise of the Bolsheviks

to the fall of the Berlin wall from the Second International through two world wars to the Cold War and the birth of the welfare state from the working class militancy and student uprisings of the 1960s through the revival of feminism and the arrival of green politics to the reluctant embrace of market economics en route to the millennium Donald Sassoon charts the course of socialism across 14 countries He shows that throughout their history the fortunes of socialism and capitalism have been inextricably linked They have grown up side by side each one challenging and seeking to destroy yet nourishing and shaping the other

**Minorities and Law in Czechoslovakia, 1918–1992** Jan Kuklík, René Petráš, 2017-05-01 Ethnic minority issues played an important role in the history of Czechoslovakia from 1918 during World War II and in the years immediately following it Czechoslovakia became a model for solving ethnic and minority problems and legal regulations had always played a key role in the status of minorities This book which deals with issues concerning ethnic and language minorities in Czechoslovakia from a long term perspective is primarily intended for foreign readers In recent years ethnic minority issues are once again becoming relevant in Europe and thorough knowledge of earlier problems and solutions may facilitate further examination of the current problems

**Constructive Sociological Theory** Tomáš Garrigue Masaryk, Alan Woolfolk, Jonathan B. Imber, 1994-01-01 This compilation of some of Masaryk's major writings reveals the intertwining of politics and social theory that is characteristic of his thinking Chapters in Constructive Sociological Theory include The Development of the Modern Suicide Tendency Essence and Method of Sociology The Epistemological Problem of Russian Philosophy The Religious Question and Modern Philosophy The Class Structure of Society Central Problems of Marxist Policy and Democracy versus Theocracy

**Eastern Europe Bibliography**, 1993 A selective work that documents the formative impact of the region's earlier history Includes reference aids and bibliographies general and descriptive histories of the land peoples and economies and works depicting intellectual and cultural life

**Czech Law in Historical Contexts** Jan Kuklík, 2015 The legal system of the present day Czech Republic would not be understood properly without sufficient knowledge of its historical roots and evolution This book deals with the development of Czech law from its initial origins as a form of Slavic law to its current position reflecting the influence of the legal systems of neighbouring countries and that of Roman law The reader can see how a legal system originally based on custom developed into written and codified law Czech law was fully dependent upon developments within the Luxemburg Jagiellonian and primarily Habsburg monarchies although some features remained autonomous The 20th century is particularly important in the development of the Czech state and law of today namely due to the establishment of an independent Czechoslovakia in 1918 and its split in 1992 giving rise to the independent identities of the Czech Republic and the Slovak Republic It was a century encompassing periods of democratic as well as totalitarian regimes political ideological economic and social changes stemming from such transformations were projected into and reflected in the system of Czechoslovak and Czech law It can therefore serve as a case study for researchers interested in the transition of democratic legal systems into totalitarian regimes and vice versa

*Refugees and the End of Empire* P. Panayi, P. Virdee, 2011-05-17 An examination of the relationship between imperial collapse the emergence of successor nationalism the exclusion of ethnic groups and the refugee experience Written by both established authorities and younger scholars this book offers a unique international comparative approach to the study of refugees at the end of empire      **British Power and International Relations during the 1950s** Michael J.

Turner, 2009-10-08 This book examines Britain's role and influence in a pivotal decade The postwar international order was still taking shape in the 1950s Much was unsettled and in these circumstances Britain could realistically expect to remain and be treated as one of the Big Three world powers along with the United States and Soviet Union Some adjustments were required in British priorities and methods in view of changing pressures and needs at home and abroad but the continuing desire was to make Britain's position tenable in those parts of the world that were of special importance to British prestige power strategy prosperity and security This book elucidates the motives behind key decisions discusses their far reaching consequences explains why some options were taken and others rejected and places British policy making in the appropriate international context Designed primarily for undergraduate and beginning postgraduate students the book offers an up to date single volume treatment of major themes in British and international history historiographical synthesis and comment detailed narrative accessible easy to follow analysis and a clear evidence based point of view concerning the survival of British power in challenging times
