Yigal Allon

The Making Of Israel's Army:

The Making of Israel's Army Yigal Allon, 1970

A History of the Israeli Army: 1874 to the Present Ze'ev

Schiff, 2024-05-23 It is virtually impossible to understand Israel or the Middle East without understanding Israel's military history and its security needs. There are many books that attempt to provide such a history, but Ze'ev Schiff's concise *History of the Israeli Army* is unquestionably the most successful. He writes with great objectivity and probes issues that most Israeli military writers prefer to dodge. Mr. Schiff's ability to come to grips with the fact that both Israel and the Arab states bordering it used tactics the other side regards as terrorism and continue to use them is matched by his skill in summarizing the causes, course, and outcome of the large-scale Arab-Israeli conflicts in 1956, 1967, and 1973, and the war of attrition in 1969-70. Mr. Schiff provides an excellent summary of the political and military forces that shaped Israel's behavior in each war. He neither justifies nor excuses Israel's behavior, and he does not justify or excuse Israel's motives and goals; he is content to explain them. He also explains the factors that shaped Arab behavior and gives the causes of Arab defeats without editorializing. Mr. Schiff avoids technical issues, tactics, and the details of battles; he focuses on the main flow of events. He provides a short history of the major events shaping Israel's military forces and strategy before and during each war. His descriptions of military events flow naturally out of his accounts of political motives and strategy. His chapter on doctrine ties together the histories of the different conflicts, and it should be read by anyone who feels Israel somehow has caused most of its wars. His chapter on the 1982 war in Lebanon is the most incisive reporting yet done on that event, a model of how good defense reporting can be when it looks beyond the day-to-day flow of events and searches out the underlying pattern of military conflict and its causes. Mr. Schiff presents the war as one in which Mr. Sharon, then Israel's Minister of Defense, snatched defeat from the jaws of victory. Mr. Schiff's treatment of Mr. Sharon and the PLO's high command is devastating; it adds up to one of the best arguments against violence as a solution to the problems of the Middle East ever written. In short, Mr. Schiff has written a history that any historian or political or military analyst must envy. *The New York Times*: A story concisely and clearly told. Schiff's ability to deal with Israeli military matters accurately and analytically is in evidence as usual. This is a good introduction to the subject and well written. *Middle East Journal*. If one does not have a basic book on the Israeli Army, this is one of the best. *Military Affairs*.

Part-Time Soldiers Andrew Lewis Chadwick, 2023-11-24 In *Part-Time Soldiers*, Andrew Lewis Chadwick offers the first in-depth historical study of the development and evolution of modern army reserve forces. In doing so, he explores how a confluence of military, political, and socioeconomic developments since the First World War has forced armies preparing for major war to increase their dependence on reservists: part-time soldiers who reinforce or augment professionals or conscripts in wartime for critical and routine military tasks. At the same time, he shows how these developments placed tremendous stress on the industrial-era reserve policies and structures that armies continue to use today. For example, reservists training for less than thirty days a year have struggled to keep up with the increasingly

high skilled character of modern warfare as evidenced by the poor performance of reservists in the world wars and most recently the ongoing Russia Ukraine War Chadwick primarily examines these developments in the cases of the US Army National Guard and the Israel Defense Forces IDF Army Reserve given that unique geopolitical conditions have forced the United States and Israel to frequently employ reservists in combat over the past century These cases which Chadwick explores using archival and secondary sources reveal how armies using two different reserve models the former built around volunteers and the latter around discharged conscripts have attempted to mitigate the challenge of maintaining combat ready reservists in the era of high tech and high skilled warfare By doing so Chadwick identifies an enduring and often overlooked problem facing contemporary defense policymaking how does one build and maintain effective army reserve forces at an affordable cost without causing undue stress on reservists civilian lives Professional Journal of the United States Army, 1974 The Arab-Israeli Wars, the Chinese Civil War, and the Korean War Roy Kenneth Flint, Peter W. Kozumplik, Thomas J. Waraksa, 1987 What does the American novel look like in the foundational period of the early American republic This collection of essays sets out to present the current state of criticism in an area that is at once extremely familiar and just beginning to be studied The Diffusion of Military Technology and Ideas Emily O. Goldman, Leslie C. Eliason, 2003 Antologi Sikkerhedspolitiske forskere giver deres vurdering af f lgerne af informationsalderens opg r med hidtidig kendt v benteknologi og doktriner i forbindelse med den globale spredning af know how p omr det **Israeli Counter-Insurgency and the Intifadas** Sergio Catignani, 2008-01-24 This volume analyzes the conduct of the Israel Defence Forces IDF counter insurgency operations during the two major Palestinian uprisings 1987 1993 and 2000 2005 in the Territories of the West Bank and Gaza Strip It employs primary and secondary resources to produce a comprehensive analysis on whether or not the IDF has been able to adapt it The Jewish World In Modern Times Abraham J Edelheit, Hershel Edelheit, 2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research methods **Israel, Strategic Culture and the Conflict with Hamas** Niccolò Petrelli, 2017-10-12 This book offers a comprehensive overview of the impact of strategic culture on Israeli military operations against Hamas between 1987 and 2014 It has often been argued that Israeli policies and military operations against Hamas have proven tactically effective but strategically disastrous allowing the Islamic Resistance Movement to grow from a small spin off of the Muslim Brotherhood into a powerful military and political actor in the Palestinian arena This book argues contrary to this opinion that Israel was effective in its struggle against the Islamic Resistance Movement between

1987 and 2014 as the Jewish state ultimately managed to deny the majority of Hamas strategic aims and to preserve a position of relative strength. By relying on a synthesis of primary sources, interviews, memoirs, scholarly and professional military studies, and information gathered from the media, the study delivers a careful and comprehensive analysis of the conflict. It provides an historical outline of the development of the Israeli strategic culture and analyzes its impact on the process of military adaptation during the First Intifada, the Oslo Peace Process, the al Aqsa Intifada, and the Gaza wars. Finally, the book illuminates how the Israeli strategic culture moulded a distinctive way of war that though marked by successes and failures ultimately proved effective against Hamas. This book will be of much interest to students of strategic studies, Middle Eastern politics, counter insurgency, counter terrorism, and security studies in general.

Israel, the Embattled Ally Nadav Safran, 2009-07-01 Through thirty turbulent years, the United States has been deeply enmeshed in Israel's destiny. Seldom in the history of international relations has such a world power been involved so intensely for so long with such a small power. How this phenomenon came to pass and how it will affect the future are explained in this compelling history of Israel and its relations with the United States from the 1947 United Nations resolution through Kissinger's shuttle diplomacy to Carter's peace campaign. To form the backdrop for this extraordinary relationship, Nadav Safran paints a detailed portrait of the historical forces that combined to create the Jewish state. He unfolds panel after panel of Israeli life: its physical environment, people, economy, politics, and religion. He examines Israel's responses to the many security crises it has faced since becoming a nation and presents a clear and thorough exposition of its defense strategy and descriptions of all its wars. Safran then presents his brilliant analysis of Israel and America in international politics. Cutting through the tangle of the Arab-Israeli conflict, the East-West struggle, the disagreement among Western powers, the conflicts within and among the Arab states, and the impact of special interest groups in the United States on its foreign policy, Safran deftly pursues fluctuations in the American-Israeli relationship as it moved from simple friendship to an alliance of friends. A concluding chapter recapitulates the highlights of that evolution and projects its relevance for the future of the Middle East and American-Israeli relations.

The Greenhill Dictionary of Military Quotations Peter G. Tsouras, 2020-05-18 A massive and valuable collection of quotes about war from soldiers, commanders, strategists, and others. The Spectator. This volume brings four thousand years of military history to life through the words of more than eight hundred diverse personalities: Napoleon, Machiavelli, Atatürk, Che Guevara, Rommel, Julius Caesar, Wellington, Xenophon, Crazy Horse, Wallenstein, T. E. Lawrence, Saladin, Zhukov, Eisenhower, and many more, to build a comprehensive picture of war across the ages. Broken down into more than 480 categories including courage, danger, failure, leadership, luck, military intelligence, tactics, training, guerrilla warfare, and victory, this definitive guide draws on the collected wisdom of those who have experienced war at every level. From the brutality and suffering of war to the courage and camaraderie of soldiers to the glory and exhilaration of battle, these quotes offer an insight into the turbulent history of warfare and the lives and deeds of great warriors. A massive compilation casting light not only upon the pain

suffering and sheer insanity of war but also upon the unique comradeship and exhilaration of battle this is a valuable addition to the literature of reference The Spectator Historic Palestine, Israel, and the Emerging Palestinian Autonomous Areas Laura Etheredge Assistant Editor, Middle East Geography, 2011-01-15 Explores the history of the region explains how it has changed over time and discusses the future of the area

Obeying Orders Mark J. Osiel, 2017-07-05 A soldier obeys illegal orders thinking them lawful When should we excuse his misconduct as based in reasonable error How can courts convincingly convict the soldier's superior officer when after Nuremberg criminal orders are expressed through winks and nods hints and insinuations Can our notions of the soldier's due obedience designed for the Roman legionnaire be brought into closer harmony with current understandings of military conflict in the contemporary world Mark J Osiel answers these questions in light of new learning about atrocity and combat cohesion as well as changes in warfare and the nature of military conflict Sources of atrocity are far more varied than current law assumes and such variations display consistent patterns The law now generally requires that soldiers resolve all doubts about the legality of a superior's order in favor of obedience It excuses compliance with an illegal order unless the illegality as with flagrant atrocities would be immediately obvious to anyone But these criteria are often in conflict and at odds with the law's underlying principles and policies Combat and peace operations now depend more on tactical imagination self discipline and loyalty to immediate comrades than on immediate unreflective adherence to the letter of superiors orders backed by threat of formal punishment The objective of military law is to encourage deliberative judgment This can be done Osiel suggests in ways that enhance the accountability of our military forces in both peace operations and more traditional conflicts while maintaining their effectiveness Osiel seeks to civilianize military law while building on soldiers own internal ideals of professional virtuousness He returns to the ancient ideal of martial honor reinterpreting it in light of new conditions arguing that it should be implemented through realistic training in which legal counsel plays an enlarged role rather than by threat of legal prosecution Obeying Orders thus offers a compelling answer to the question that has most haunted the moral imagination of the late twentieth century the roots and restraint of mass atrocity in war

Minorities in the Israeli Military, 1948-58 Randall S. Geller, 2017-08-25 This study examines the attitudes and policies on all sides of the majority minority divide in Israel during the state's formative decade and how the social political and strategic decisions made vis vis the non Jewish populations then continue to impact this unique Middle Eastern state today While land labor and settlement policies or the educational legal or political systems could have been used to explore majority minority relations in Israel between 1948 1958 this study does so through the prism of the army in theory the state's most unifying social institution The central questions investigated in this study are how did the leadership of the Jewish majority balance its declared commitment to the state's democratic ideals and the principle of equality on the one hand and its commitment to creating a Jewish state and ensuring its security on the other Was the army charged with instilling Zionist patriotism in Jewish youth prepared to absorb and integrate Arabs who constituted the

overwhelming majority of the non Jewish minorities Would the state s minority groups be viewed as trustworthy and loyal enough to serve in the army Furthermore how would potential Arab military service impact the educational mission and particularly the simultaneously transformative and integrative effort the army was charged with carrying out among Jews While a specialized work in the fields of Israel and Middle Eastern Studies this book should appeal to all students interested in majority minority relations and the state building process in newly emerging democratic societies *Encyclopedia of Politics* Rodney P. Carlisle,2005-03-17 With the Left and Right amusingly placed into left hand v 1 and right hand v 2 volumes respectively this encyclopedia contains articles on the people ideas events laws and issues associated with left and right politics in language that will be accessible to the high school and undergraduate student as well as the general reader Each entry includes cross references and a bibliography Among the topics for politics of the left are Susan B Anthony Jean Jacques Rousseau abolitionism desegregation ACLU the New Deal Solidarity and the Workingmen s Party Entries are included in each volume for 40 countries and regions giving the history and current affairs for politics in each Among the topics for the right are capitalism Darwinism censorship martial law and the Christian Coalition The contributors teach at universities worldwide some are independent scholars Carlisle is at Rutgers U Annotation 2004 Book News Inc Portland OR booknews com

War Against the People Jeff Halper,2015-09-20 Shortlisted for the Palestine Book Awards 2016 Modern warfare has a new form The days of international combat are fading So how do major world powers maintain control over their people today This book is a disturbing insight into the new ways world powers such as the US Israel Britain and China forge war today It is a subliminal war of surveillance and whitewashed terror conducted through new high tech military apparatuses designed and first used in Israel against the Palestinian population Including nano technology hidden camera systems information databases on civilian activity automated targeting systems and unmanned drones it is used to control the very people the nation s leaders profess to serve Jeff Halper reveals that this practice is much more insidious than was previously thought As Western governments claw back individual liberties War Against the People is a reminder that fundamental human rights are being compromised for vast sections of the world and that this is a subject that should concern everyone

The Defense Policies of Nations Douglas J. Murray,Paul R. Viotti,1994 Now in its third edition The Defense Policies of Nations has been thoroughly updated to take into account the dramatic developments of recent years the dissolution of the Soviet Union the resurgence of East Asian powers the emergence of newly independent nations in Eastern Europe the continuing instability of the Middle East and the growing importance of third world nations in global security matters For those dealing with national defense issues on a daily basis or even for those interested in the subject because of its current relevance The Defense Policy of Nations is must reading Gen Theodore J Conway Military Review American Academy of Political and Social Science

Blitzkrieg to Desert Storm Robert M. Citino,2022-05-25 When Germany launched its blitzkrieg invasion of France in 1940 it forever changed the way the world waged war Although the Wehrmacht ultimately

succumbed to superior Allied firepower in a two front war its stunning operational achievement left a lasting impression on military commanders throughout the world even if their own operations were rarely executed as effectively Robert Citino analyzes military campaigns from the second half of the twentieth century to further demonstrate the difficulty of achieving decisive results at the operational level Offering detailed operational analyses of actual campaigns Citino describes how UN forces in Korea enjoyed technological and air superiority but found the enemy unbeatable provides analyses of Israeli operational victories in successive wars until the Arab states finally grasped the realities of operational level warfare in 1973 and tells how the Vietnam debacle continued to shape U S doctrine in surprising ways Looking beyond major power conflicts he also reveals the lessons of India s blitzkrieg like drive into Pakistan in 1971 and of the senseless bloodletting of the Iran Iraq War Citino especially considers the evolution of U S doctrine and assesses the success of Desert Storm in dismantling an entrenched defending force with virtually no friendly casualties He also provides one of the first scholarly analyses of Operation Iraqi Freedom showing that its plan was curiously divorced from the realities of military history grounded instead on nebulous theories about expected enemy behavior Throughout Citino points to the importance of mobility especially mobilized armor in modern operational warfare and assesses the respective roles of firepower training doctrine and command and control mechanisms Brimming with new insights Citino s study shows why technical superiority is no guarantee of victory and why a thorough grounding in the history of past campaigns is essential to anyone who wishes to understand modern warfare Blitzkrieg to Desert Storm provides that grounding as it addresses the future of operational level warfare in the post 9 11 era

Israeli Humor Elliott Oring,2012-02-01 Derived from the Arabic word for lie the word chizbat was chosen by members of the Palmah to designate the particular form of narrative joke exchanged by these volunteer defenders of Jewish settlements in Israel during the uncertain years 1941 48 Elliott Oring concentrates his attention on how the chizbat represents the expression of a distinctly Israeli identity and the disparate elements of this identity sabra European Arab Israeli East West He shows how chizbat humor depends not so much on novelty or punch line as on displaying these incongruities of Israeli identity Oring also discusses the sociocultural context in which the chizbat developed and examines how various theories of humor apply to understanding the chizbat In an appendix invaluable for the folklorist Oring has translated hundreds of chizbat into English some are from written sources and others are verbal accounts he obtained during his months of research in Israel

The Government and Politics of the Middle East and North Africa Mark Gasiorowski,2016-08-02 A comprehensive country by country examination of the history domestic politics and foreign policies of the Middle East and North Africa

The Making Of Israels Army Introduction

In today's digital age, the availability of The Making Of Israels Army books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Making Of Israels Army books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Making Of Israels Army books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Making Of Israels Army versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Making Of Israels Army books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Making Of Israels Army books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Making Of Israels Army books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Making Of Israels Army books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Making Of Israels Army books and manuals for download and embark on your journey of knowledge?

FAQs About The Making Of Israels Army Books

What is a The Making Of Israels Army PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Making Of Israels Army PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Making Of Israels Army PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Making Of Israels Army PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Making Of Israels Army PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free

alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
