The Middle Ages Frank N. Magill,2012-11-12 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Medieval Culture and the Mexican American Borderlands Milo Kearney,Manuel Medrano,2001 Their respective ancestral cultures in England and Spain argue scholars Milo Kearney and Manuel Medrano had common roots in medieval Europe and both their conflicts and the shared understandings that may form the basis for their cooperation trace back to those days

BOOK JACKET *The Oxford Illustrated History of Medieval Europe* George Holmes,1988 The individual chapters are scholarly and up to the minute without loss of accessibility or pace The illustrations are many apposite and refreshingly unhackneyed Times Literary Supplement

The Medieval Experience, 300-1400 Jill N. Claster,1982-02 This general survey of medieval European economy society and culture is intended as a first guide to the subject for college students Economic factors such as progress in agriculture and the growth of commerce are thoroughly examined as are the political and social histories of feudal Europe Claster looks particularly closely at monasticism the cultural influence of religion and the revival of learning She probes the problems faced by Jews in a predominantly Christian society and contemplates as well the problems faced by women

The Routledge Companion to the Crusades Peter Lock,2013-04-15 A compilation of facts figures maps family trees summaries of the major crusades and their historiography the Routledge Companion to the Crusades spans a broad chronological range from the eleventh to the eighteenth century and gives a chronological framework and context for modern research on the crusading movement Not just a history of the Crusades but an overview of the logistical economic social and biographical history this is a core text for students of history and religious studies

Textiles of Medieval Iberia Gale R. Owen-Crocker,María Barrigón,Naḥum Ben-Yehuda,Joana Sequeira,2022 An examination of the fabrics garments and cloth of the Iberian Middle Ages bringing out in particular the international context The Medieval Iberian Peninsula encompassing various territories which make up present day Spain and Portugal was an ethnic and religious melting pot comprising Christian Jewish and Muslim communities each contributing to a vibrant textile economy They were also defined and distinguished by the material culture of clothing and dress partly dictated by religious and cultural tradition partly imposed by rulers anxious to avoid cross ethnic relationships considered undesirable Nevertheless textiles especially magnificent Islamic silks crossed these barriers The essays in this volume offer the first full analysis of Iberian textiles from the period

drawing on both material remains and historical documents supported by evidence from contemporary artwork Chapters cover surviving textiles many of them magnificent silks textile industries and trade court dress and its use as a language of power and patronage the vast market in utilitarian textiles for lower status clothing and furnishings and Muslim and Jewish dress It also considers Arabic and Jewish texts as sources of information on textiles and the Arabic garment names which crossed into Spanish Particular emphasis is given to the the different ethnicities of Iberia and their influences on the use and trade of garments both precious and common place and textiles **To the End of the Earth** Stanley M. Hordes, 2005

Drawing on individual biographies including those of colonial officials accused of secretly practicing Judaism family histories Inquisition records letters and other primary sources Hordes provides a detailed account of the economic social and religious lives of crypto Jews during the colonial period and after the annexation of New Mexico by the United States in 1846 Jacket

The Evolution of the Medieval World David M Nicholas, 2014-07-16 This ambitious and wide ranging study of the European Middle Ages respects the complexity and richness of its subject always accessible it is never merely superficial or over simplistic Stressing the long term factors of continuity evolution and change throughout David Nicholas discusses the social and economic aspects of medieval civilization and examines their links with political institutional and cultural development Designed for students and non specialists his book triumphantly meets the need for a comprehensive survey of the medieval world within the covers of a single authoritative volume **The Oxford History of Medieval Europe** George Holmes, 2001 Covering a thousand years of history this volume tells the story of the creation of Western civilization in Europe and the Mediterranean Now available in a compact more convenient format it offers the same text and many of the illustrations which first appeared in the widely acclaimed Oxford Illustrated History of Medieval Europe Written by expert scholars and based on the latest research the book explores a period of profound diversity and change focusing on all aspects of medieval history from the empires and kingdoms of Charlemagne and the Byzantines to the new nations which fought the Hundred Years War The Oxford History of the Medieval World also examines such intriguing cultural subjects as the chivalric code of knights popular festivals and the proliferation of new art forms and the catastrophic social effect of the Black Death

The Routledge Companion to Medieval Warfare Jim Bradbury, 2004-08-02 This comprehensive volume provides easily accessible factual material on all major areas of warfare in the medieval west The whole geographical area of medieval Europe including eastern Europe is covered including essential elements from outside Europe such as Byzantine warfare nomadic horde invasions and the Crusades Progressing chronologically the work is presented in themed illustrated sections with a narrative outline offering a brief introduction to the area Within each chronological section Jim Bradbury presents clear and informative pieces on battles sieges and generals The author examines practical topics including castle architecture with examinations of specific castles ship building techniques improvements in armour specific weapons developments in areas such as arms and armour fortifications tactics and supply Readable and engaging this detailed
