The Wonder Clock readers are invited into a world where the strokes of midnight bridge the realms of reality and fantasy
This anthology masterfully edited by Howard and Katharine Pyle showcases an intriguing fusion of literary styles marrying
the traditional folklore narrative with a Victorian flair for the dramatic and the whimsical The collection stands out for its
cohesive yet diverse range of tales each corresponding to an hour of the clock symbolizing the cyclic and all encompassing
nature of storytelling throughout human history The stories while rooted in folklore are imbued with a freshness and vitality
that speak to the enduring power of myth and legend The Pyles work is not just a recounting of tales but an ambitious
reimagining bringing these narratives into a new literary context The backgrounds of Howard and Katharine Pyle as pioneers
in the field of children s literature and illustration significantly enrich The Wonder Clock Their collective expertise bridges
the gap between the oral and visual storytelling traditions aligning the anthology with both the Arts and Crafts Movement
and the golden age of illustration This partnership of siblings illustrates a convergence of historical cultural and creative
forces offering a comprehensive exploration of folklore s adaptability and resilience The Wonder Clock is more than a
collection it is an invitation to traverse the landscape of human experience through the lens of folklore Readers seeking an
immersive journey into the heart of storytelling enriched by the unique blend of the Pyles imaginative visions and literary
craftsmanship will find this anthology a treasure trove of cultural wisdom and artistic expression The anthology not only
educates but also inspires encouraging a dialogue between the past and the present between the story and the reader
