THE QUEST FOR EMPIRE AND THE
MAKING OF THE RUSSIAN NATION
FROM 1470 TO THE PRESENT

SERHII PLOKHY

The Making Of The Russian Nation

Roman Wölfel

The Making Of The Russian Nation:

The Making of the Russian Nation, 1977 **Lost Kingdom** Serhii Plokhy, 2017-10-10 From a preeminent scholar of Eastern Europe and the prizewinning author of Chernobyl the essential history of Russian imperialism In 2014 Russia annexed the Crimea and attempted to seize a portion of Ukraine only the latest iteration of a centuries long effort to expand Russian boundaries and create a pan Russian nation In *Lost Kingdom* award winning historian Serhii Plokhy argues that we can only understand the confluence of Russian imperialism and nationalism today by delving into the nation's history Spanning over 500 years from the end of the Mongol rule to the present day Plokhy shows how leaders from Ivan the Terrible to Joseph Stalin to Vladimir Putin exploited existing forms of identity warfare and territorial expansion to achieve imperial supremacy An authoritative and masterful account of Russian nationalism *Lost Kingdom* chronicles the story behind Russia's belligerent empire building quest

Lost Kingdom Serhii Plokhy, 2017 From a preeminent scholar of Eastern Europe a new history of Russian imperialism In 2014 Russia annexed the Crimea and attempted to seize a portion of Ukraine While the world watched in outrage this blatant violation of national sovereignty was only the latest iteration of a centuries long effort to expand Russian boundaries and create a pan Russian nation In *Lost Kingdom* award winning historian Serhii Plokhy argues that we can only understand the confluence of Russian imperialism and nationalism today by delving into the nation's history Spanning over 500 years from the end of the Mongol rule to the present day Plokhy shows how leaders from Ivan the Terrible to Joseph Stalin to Vladimir Putin exploited existing forms of identity warfare and territorial expansion to achieve imperial supremacy An authoritative and masterful account of Russian nationalism *Lost Kingdom* chronicles the story behind Russia's belligerent empire building quest

Mobilizing the Russian Nation Melissa Kirschke Stockdale, 2016-12-13 The First World War had a devastating impact on the Russian state yet relatively little is known about the ways in which ordinary Russians experienced and viewed this conflict Melissa Kirschke Stockdale presents the first comprehensive study of the Great War's influence on Russian notions of national identity and citizenship Drawing on a vast array of sources the book examines the patriotic and nationalist organizations which emerged during the war the role of the Russian Orthodox Church the press and the intelligentsia in mobilizing Russian society the war

s impact on the rights of citizens and the new democratized ideas of Russian nationhood which emerged both as a result of the war and of the 1917 revolution Russia s war experience is revealed as a process that helped consolidate in the Russian population a sense of membership in a great national community rather than being a test of patriotism which they failed

Translation and the Making of Modern Russian Literature Brian James Baer,2015-11-19 Explores the complex role played by translation in the development of modern Russian literature and Russian national identity **Investigation of**

Communist Takeover and Occupation of the Non-Russian Nations of the U.S.S.R. United States. Congress. House. Select Committee on Communist Aggression,1954 Russian civil-military relations and the origins of the second Chechen

war Sz&ászdi, Lajos F.,2008-08-29 This book has relevance for those interested in understanding Russia s course in international relations under the leadership of Vladimir Putin This book will inform the reader and is especially relevant in light of the events of 2008 in the Caucasus and the war in Georgia in particular The author explains the ideology of Neo Eurasianism which in turn inspires the policy thinking of the Kremlin Also studied is Putin s origins in the KGB from the previous posts of Secretary of the Security Council and Director of the FSB and his rise to power in the crucial year of 1999 when he became Russian Prime Minister The author highlights the continuing trend of appointing high ranking officers of the Russian intelligence community to senior positions in the government studying this in the context of Russian civil military intelligence relations The author reached the conclusion back in 2003 that the members of Russian intelligence hold the reins of power above the civilian and military elements of the Russian government The author returns to the Kosovo Crisis of 1999 discussing also the motives that led the Kremlin and Putin to invaded Chechnya for a second time in a decade Parallels can be drawn to the 2008 Russian invasion of Georgia and the roots of the Neo Eurasianist ideology that is behind the two invasions are examined This book will help the reader understand Russia s current and future distribution of power in the Caucasus the Balkans and the world at large Moscow s search for a multipolar world and its opposition to U S hegemony

Russian National Security Michael H. Crutcher,2001 This is an anthology of papers presented at a conference titled Russian National Security Perceptions Policies and Prospects conducted from 4 6 December 2000 The book organizes the papers into six sections The Russian National Security Community Russia and Europe Russian Policy Towards the Caucasus and Central Asia Russia and Asia Russia and the United States and Russia s Military Transformation **Russian National Strategy and ROK-Russian Strategic Partnership in the 21st Century** Korea Institute for National Unification (South Korea),2011-10-13 This study aims to strengthen trust between Korea and Russia through promoting mutual understanding and improving the quality of policy network The study is the outcome of the joint research of KINU and IMEMO As the editor of this volume I hope this study may help experts students and readers in Korea and in the countries surrounding the Korean Peninsula to have a clearer understanding of Russia s national strategy Northeast strategy Far East and Siberia strategy and the importance of the strategic cooperation partnership between Korea and Russia Part 1 Russia Foreign and Security

Strategy and the North Korean Nuclear Issue Russia's Foreign and Security Strategy in the 21st Century Sergei Chugrov

 the Arctic Seok Hwan Kim Conclusion Suggestions for Strengthening the ROK Russia Strategic Cooperation Partnership In
 Kon Yeo *Russian National Interests and the Current Crisis in Russia* Henry Trofimenko, 2019-05-23 First published in
 1999 this book analyses the national interests of Russia as they are indicated by the current policies of the Russian
 government and formulated in public and not so public discussions in high echelons of government The author not only sums
 up and critically reviews those interests in general but gives detailed analysis of specific interests of Russia in Europe Asia
 and the Middle East A large chapter is devoted to the review of converging and diverging interests of the USA and Russia
 The main value of the book is in its philosophical aspect An outstanding Russian foreign policy expert who for 20 years
 participated in inner debates on a high level on issues of Soviet foreign policy and was considered by US politicians and
 scholars to be one of the top experts in Moscow on the US foreign policy and military strategy muses over the fate of Russia
 and its current foreign policy and domestic predicaments *At the Edge of the Nation* Paul B. Richardson, 2018-06-30
 Debates over the remote and beguiling Southern Kuril Islands have revealed a kaleidoscope of divergent and contradictory
 ideas convictions and beliefs on what constitutes the national identity of post Soviet Russia Forming part of an archipelago
 stretching from Kamchatka to Hokkaido administered by Russia but claimed by Japan these disputed islands offer new
 perspectives on the ways in which territorial visions of the nation are refracted inverted and remade in a myriad of different
 ways At the Edge of the Nation provides a unique account of how the Southern Kurils have shaped the parameters of the
 Russian state and framed debates on the politics of identity in the post Soviet era By shifting the debate beyond a
 proliferation of Eurocentric and Moscow focused writings Paul B Richardson reveals broad alternatives and possibilities for
 Russian identity in Asia After the dissolution of the Soviet Union in 1991 when Russia was suffering the fragmentation of
 empire and a sudden decline in its international standing these disputed islands became symbolic of a much larger debate on
 self image nationalism national space and Russia's place in world politics When viewed through the prism of the Southern
 Kurils ideas associated with the border state and nation become destabilized uncovering new insights into state society
 relations in modern Russia At the Edge of the Nation explores how disparate groups of political elites have attempted to use
 these islands to negotiate enduring tensions within Russia's identity and traces how the destiny of these isolated yet

evocative islands became irrecoverably bound to the destiny of Russia itself **Ukraine and Russia** Serhii Plokhy, Mykhailo Hrushevsky Professor of Ukrainian History Serhii Plokhy, 2008-01-01 The question of where Russian history ends and Ukrainian history begins has not yet received a satisfactory answer Generations of historians referred to Kyiv the capital of Ukraine as the starting point of the Muscovite dynasty the Russian state and ultimately the Russian nation However the history of Kyiv and that of the Scythians of the Northern Black Sea region have also been claimed by Ukrainian historians and are now regarded as integral parts of the history of Ukraine If these are actually the beginnings of Ukrainian history when does Russian history start In Ukraine and Russia Serhii Plokhy discusses many questions fundamental to the formation of modern Russian and Ukrainian historical identity He investigates the critical role of history in the development of modern national identities and offers historical and cultural insight into the current state of relations between the two nations Plokhy shows how history has been constructed used and misused in order to justify the existence of imperial and modern national projects and how those projects have influenced the interpretation of history in Russia and Ukraine This book makes important assertions not only about the conflicts and negotiations inherent to opposing historiographic traditions but about ways of overcoming the limitations imposed by those traditions **What Is a Nation?** Timothy Baycroft, Mark Hewitson, 2006-06-29 This volume analyses and compares different forms of nationalism across a range of European countries and regions during the long nineteenth century It aims to put detailed studies of nationalist politics and thought which have proliferated over the last ten years or so into a wider European context By means of such contextualization together with new and systematic comparisons What is a Nation Europe 1789 1914 reassesses the arguments put forward in the principal works on nationalism as a whole many of which pre date the proliferation of case studies in the 1990s and which as a consequence make only inadequate reference to the national histories of European states The study reconsiders whether the distinction between civic and ethnic identities and politics in Europe has been overstated and whether it needs to be replaced altogether by a new set of concepts or types What is a Nation explores the relationship between this and other typologies relating them to complex processes of industrialization increasing state intervention secularization democratization and urbanization Debates about citizenship political economy liberal institutions socialism empire changes in the states system Darwinism high and popular culture Romanticism and Christianity all affected and were affected by discussion of nationhood and nationalist politics The volume investigates the significance of such controversies and institutional changes for the history of modern nationalism as it was defined in diverse European countries and regions during the long nineteenth century By placing particular nineteenth century nationalist movements and nation building in a broader comparative context prominent historians of particular European states give an original and authoritative reassessment designed to appeal to students and academic readers alike of one of the most contentious topics of the modern period Russian Nationalism and the National Reassertion of Russia Marlene Laruelle, 2009-05-07 This book considers a

wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy

Russia, Ukraine, and the Breakup of the Soviet Union

Roman Szporluk,2020-02-24 This book chronicles the final two decades in the history of the Soviet Union and presents a story that is often lost in the standard interpretations of the collapse of communism in Eastern Europe and the USSR Although there were numerous reasons for the collapse of communism it did not happen as it may have seemed to some overnight Indeed says Roman Szporluk the root causes go back even earlier than 1917 To understand why the USSR broke up the way it did it is necessary to understand the relationship between the two most important nations of the USSR Russia and Ukraine during the Soviet period and before as well as the parallel but interrelated processes of nation formation in both states Szporluk details a number of often overlooked factors leading to the USSR s fall how the processes of Russian identity formation were not completed by the time of the communist takeover in 1917 the unification of Ukraine in 1939 1945 and the Soviet period failing to find a resolution of the question of Russian Ukrainian relations The present day conflict in the Caucasus he asserts is a sign that the problems of Russian identity remain

Nationalizing the Past S. Berger,C.

Lorenz,2016-01-19 Historians traditionally claim to be myth breakers but national history since the nineteenth century shows quite a record in myth making This exciting new volume compares how national historians in Europe have handled the opposing pulls of fact and fiction and shows which narrative strategies have contributed to the success of national histories

Russian Foreign Policy in the Twenty-first Century and the Shadow of the Past Robert Legvold,2007 Because the turbulent trajectory of Russia s foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country s political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia s approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia s complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined

Germany and the Modern World, 1880-1914 Mark

Hewitson, 2018-07-05 The German Empire before 1914 had the fastest growing economy in Europe and was the strongest military power in the world Yet it appeared from a reading of many contemporaries accounts to be lagging behind other nation states and to be losing the race to divide up the rest of the globe This book is an ambitious re assessment of how Wilhelmine Germans conceived of themselves and the German Empire s place in the world in the lead up to the First World War Mark Hewitson re examines the varying forms of national identification allegiance and politics following the creation and consolidation of a German nation state in light of contemporary debates about modernity race industrialization colonialism and military power Despite the new claims being made for the importance of empire to Germany s development he reveals that the majority of transnational networks and contemporaries interactions and horizons remained intra European or transatlantic rather than truly global **Liberalism in Pre-revolutionary Russia** Susanna Rabow-Edling, 2018-08-06

Nineteenth century Russian intellectuals were faced with a dilemma They had to choose between modernizing their country thus imitating the West or reaffirming what was perceived as their country s own values and thereby risk remaining socially underdeveloped and unable to compete with Western powers Scholars have argued that this led to the emergence of an anti Western anti modern ethnic nationalism In this innovative book Susanna Rabow Edling shows that there was another solution to the conflicting agendas of modernization and cultural authenticity a Russian liberal nationalism This nationalism took various forms during the long nineteenth century but aimed to promote reforms through a combination of liberalism nationalism and imperialism

The Making Of The Russian Nation Introduction

In today's digital age, the availability of The Making Of The Russian Nation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Making Of The Russian Nation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Making Of The Russian Nation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Making Of The Russian Nation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Making Of The Russian Nation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Making Of The Russian Nation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Making Of The Russian Nation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Making Of The

Russian Nation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Making Of The Russian Nation books and manuals for download and embark on your journey of knowledge?

FAQs About The Making Of The Russian Nation Books

1. Where can I buy The Making Of The Russian Nation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
