The Man From Far Cloud:

The Man Who Hated Clouds Gayleen Froese, 2024-07-02 Private investigator Ben Ames is supposed to be on vacation. He follows his rock star boyfriend Jesse to the Edmonton Folk Festival where Jesse is doing an acoustic set with friends and having a boozy sulk about his changing image. Neither is there to solve a crime but they're offered a case anyway when the festival headliner hires them to help his author friend Charlie. Charlie's latest manuscript is missing. A normal guy would have backups but Charlie is an internet-hating conspiracy theorist who saved his work to a laptop flash drive and now the drive and the computer are gone. Ben thinks the case is impossible but Jesse could use a distraction so they pay a visit to Charlie's river valley home where Charlie tells them he knows who took the book but isn't telling and a detective can't help. Good day. They're still in Edmonton enjoying a lazy summer day when word comes that Charlie's been murdered. Back on the case and without suspects or a motive. Ben knows the answers are in that missing book. He just needs to do the impossible and find it.

The Man From Beyond John E. Muller, Lionel Fanthorpe, Patricia Fanthorpe, 2014-08-28 Oliver Marland was an ordinary crewman on a routine flight before disaster overtook the 5X5. The strange sequence of events affected the minds of the entire ship's company. Marland alone was capable of getting them home safely. The changes had come to Oliver in a different way. They had set him apart from the others. He was feared and distrusted, not without reason. This was the paradox they needed him, he needed them, but both sides feared the other too much for compromise. The only chance of breaking the deadlock lay with the unknown inhabitants of the planet they had been sent to survey and the natives were not renowned for their generous amiability.

The Man in the Arena Thomas L. Cooper, 2018-08-13 Fly with Captain Tom Cooper on this most incredible roller coaster ride from a rural Mayberryish community in the foot hills of North Carolina to the apex of the scheduled airline world. A superb storyteller, Captain Cooper takes you on a breathtaking trip with intermediate stops in the jungles of South America, revolutions in the tropics, the sometimes exciting exploits of a scheduled airline pilot, and finally lands you on the top floor mahogany row of the volatile airline community. Whether you are a professional or private pilot or just an armchair adventurer with his simple but vivid writing style, he escorts you through his 60 years of aviation experiences with page after page of a literary reality show that can only be narrated by someone who has actually lived it. Captain Cooper shares his experiences, the good times and the bad, the wins and the losses with clarity and with a simple credo that to be a success one must, to paraphrase Teddy Roosevelt, be in the arena and experience failures along with any successes that might come your way without fear of criticism or admonition. And never ever let 'em see you sweat.
