

# 9 Habits to Be a More RESPONSIBLE PERSON

## Be Accountable For Yourself

The first, and most basic, step you can take when trying to be a responsible person is to be accountable for yourself.

1

## Get Organized

Responsible people are typically organized. They are not necessarily "Type A"... but definitely have their act together when it comes to planning and scheduling.

2

## Be Punctual

Not feeling rushed is a great way to relieve stress and will likely make you more productive in the end.

3

## Quit Procrastinating

Procrastination may just be your worst enemy when you are trying to be a responsible person.

4

## Keep Your Emotions In Check

If you want to be responsible, you need to choose your words wisely and have a clear course of action.

5

## Be Willing To Work To Earn Someone's Trust

Responsible people often won't accept trust that isn't earned... especially when it comes to pleasing their parents or employers.

6

## Stop Whining

Responsible people won't whine about things being unfair or place unwarranted blame on others.

7

## Be Dependable (Consistent)

Being dependable means thinking about how your actions affect others and taking that into account.

8

## Exercise Self-Discipline

Responsible people know what they want... and will tweak their lifestyle to make it happen, if necessary.
