**The Man Who Fought Alone** Stephen R. Donaldson,2001-11-26 In the sprawling new novel *The Man Who Fought Alone* Stephen R Donaldson tells a tale of a hero's dark night of the soul Mick Axbrewder has enough problems to kill any ten lesser men He's a recovering alcoholic He's also healing painfully and slowly from a gunshot wound that nearly killed him His old partner Ginny seems to want as little to do with him as possible Years ago he and Ginny worked side by side That was before he accidentally shot and killed a cop While drunk A cop who happened to be his brother Now Axbrewder Brew to his friends is trying to make his way back to self respect It isn't easy It doesn't help that Ginny has moved them to the sprawling heartless Sunbelt city of Carner where he can't get the feel of the streets At least he has work handling security in the booming martial arts industry centered in Carner A world of modern commercial competition and ancient resentments A world with hidden stakes over which someone is evidently willing to kill But Brew's real job isn't the one for which he's been hired His real job is regaining his own self respect At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied      **The man who lived alone** Almey St. John Adcock,1923      Elders Living Alone

Robert L. Rubinstein,Janet Capriotti Kilbride, What is it like to be old have many health problems and live alone This book enters the lives of frail elders who live alone and vividly conveys their continuing struggle to maintain their independence Many look to their homes as the important facilitating element for that independence the home environment and personal space are often the most significant elements for elders living alone      *Every Man Dies Alone* Hans Fallada,2019-09-10 This never before translated masterpiece by a heroic best selling writer who saw his life crumble when he wouldn't join the Nazi Party is based on a true story It presents a richly detailed portrait of life in Berlin under the Nazis and tells the sweeping saga of one working class couple who decides to take a stand when their only son is killed at the front With nothing but their grief and each other against the awesome power of the Reich they launch a simple clandestine resistance campaign that soon has an enraged Gestapo on their trail and a world of terrified neighbors and cynical snitches ready to turn them in In the end it's more than an edge of your seat thriller more than a moving romance even more than literature of the highest order it's a deeply stirring story of two people standing up for what's right and for each other      **The Man Who Doesn't Want To Die Alone**
