Opening Lines From Your Favorite Books Hans Bauer,2023-11-04 Dear Reader IN THE BEGINNING presents the all important first sentence of 1 000 famous and not so famous novels plus a handful of short stories A smorgasbord of popular fiction from around the world ideally these opening lines will have a tremendous attraction for lovers of literature everywhere IN THE BEGINNING is more than just a novelty book Anyone who loves books not only enjoys being reminded of their favorites but also delights in finding a good one they ve missed Those who relish reading and writing will savor a collection that brings back memories of beloved books and often the times in which they were read From Virginia Woolf to Tom Wolfe from Edith Wharton to Stephen King from Ernest Hemingway to Gabriel Garcia Marquez masterpieces of world literature are juxtaposed with trendy best sellers romances with westerns classics with cult favorites Some lines are well remembered others rarely recalled still others are brilliant beginnings from relatively obscure books But in every case IN THE BEGINNING confirms how powerful a sentence can be Bumping into a familiar line from a beloved novel fills the reader s mind with imagery The great fish moved silently through the night water propelled by short sweeps of its crescent tale Jaws by Peter Benchley While dazzling openers don t guarantee a worthwhile novel expectations run high when we re introduced with Paint me a railroad station then ten minutes before dark John Cheever s Bullet Park or There were 117 psychoanalysts on the Pan Am flight to Vienna and I d been psychoanalyzed by at least six of them Fear of Flying by Erica Jong Some books reach their zenith with wonderful first lines that are never matched I had this story from one that had no business to tell it to me or to any other That s our initial meeting with the Tarzan series Conversely some rather mundane opening lines are made better because we know the marvelous story that follows like B Traven s Treasure of the Sierra Madre The bench on which Dobbs was sitting was not so good Perhaps not truly memorable but a truly unforgettable character and Bogie didn t do badly by him either Enjoy Hans Bauer Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **The Man with No Face** Peter Turnbull,2015-02-03 When a man is found with his face blown off the Glasgow P Division detectives quickly establish his identity But the mystery surrounding his death only deepens When it comes to writing police procedurals Turnbull has few peers This low key Scottish author writes refreshingly intelligent books that are an absorbing blend of gritty murder mystery human interest story psychological profile and wry social commentary Booklist The Handle Richard Stark,2011-05-01 An action packed crime novel starring Parker the heister starring in the forthcoming Shane Black film Play Dirty Richard Stark s Parker novels are the hardest of hard boiled classic crime novels where the heists are huge the body counts are high and the bad guys usually win The Parker novels have been a huge influence on countless writers and filmmakers including Quentin Tarantino Stephen King George Pelecanos Colson Whitehead Lucy Sante John Banville and many more Their stripped down language and hard as nails amorality create an unforgettable world where the next score could be the big one but your next mistake could also be your last There s nothing else like them In The Handle

Parker is enlisted by the mob to knock off an island casino guarded by speedboats and heavies forty miles from the Texas coast Working with his trusted colleague Alan Grofield but dealing with double crosses and double dealings by others from the word go Parker knows the line between success and failure on this score would be exactly the length of the barrel of a 38

The Noir Thriller Lee Horsley,2016-01-03 What is literary noir How do British and American noir thrillers relate to their historical contexts In considering such questions this study ranges over hundreds of novels analysing the politics and poetics of noir from the hard boiled fiction of Hammett Chandler and Cain to the exciting diversity of nineties thrillers with sections on the tough investigators gangsters and victims of the Depression years the first person killers femmes fatales and black protagonists of mid century the game players voyeurs and consumers of contemporary thrillers and future noir **Blind to Sin** Dave White,2025-04-29 The line between good and evil explodes in this pulse pounding crime thriller from a fresh vital voice energizing the private eye novel Laura Lippman New York Times bestselling author Though he s a former narcotics cop Jackson Donne doesn t hate being in prison It s his penance after pleading guilty to murdering a state senator He s even made a friend a protector High school basketball coach and private investigator Matt Herrick s father Kenneth is Donne s cellmate Things could always be worse Herrick hasn t seen his parents in years not since they pulled a bank heist which resulted in his father s arrest and his mother s disappearance All that s about to change Someone with a lot of power and money is springing his father from prison for the job of a lifetime stealing millions from the Federal Reserve in New Jersey And Donne is going along for the ride Given the freedom he never wanted Donne finds himself torn between loyalty and the law between father and son between heaven and hell Both he and Herrick will have to choose who they re willing to live for and who they d die to protect Praise for Dave White and the Jackson Donne Novels Dave White is everything you hope for in a crime novelist delivering both white knuckle suspense and nuanced characters propulsive action and an emotional wallop These are books that both invigorate the genre and are also truly built to last Megan Abbott New York Times bestselling author It is amazing how good an author White has become breathing life into the PI genre like Dennis Lehane did years ago with *Gone Baby Gone* Sons of Spade *An Empty Hell* Dave White,2025-04-29 A dark and extremely suspenseful thriller turns Northern New Jersey into a setting worthy of any classic noir detective series Connecticut Post Two former cops are dead and they have one thing in common Jackson Donne who helped take them down when he was on the force The prevailing thought is that Donne has finally lost it and is murdering old colleagues But New Jersey s most wanted is now in rural Vermont with a new name and a new life Donne is scraping by doing odd jobs at a motel thanks to the owner Mario who asks no questions as long as the work is done But when Mario disappears Donne uncovers connections between them that are more than coincidences Both men ran from their pasts Both men have blood on their hands And now someone is using Mario to get to Donne If Donne has learned anything it s this you can run from the dirty cops in New Jersey but you can t hide And this time they re unleashing hell *An Empty Hell* is a compulsive redemption story that speeds to a confrontation in a

high school gym and takes the series to a place rich with possibilities Milwaukee Journal Sentinel Dynamite the characters the situations the pacing the structure and the writing are so good Publishers Weekly It is amazing how good an author White has become breathing life into the PI genre like Dennis Lehane did years ago with *Gone Baby Gone* *Sons of Spade*
