The Mantle Of Abbadon:

The Mantle of Abbadon G. T. Hesse, 1998 **Abbadon** Marion Webb-De Sisto, 2007-11-26 This is the second book of The Angelic Chronicles trilogy It tells of the celestial exploits and continuing rivalry between the archangelic brothers Samael and Seriel as they begin their exile in Abbadon This is a dark hellish place where essence drinking demons and energy sapping plant life abound The story has something for everyone being a tale of adventure with a sprinkling of romance and some dastardly deeds by Samael aka the Devil Both siblings are separated from their beloved Malkura in this angelic saga and the reader learns how the brothers handle this misfortune Seriel is resigned to never having won her affection while Samael plots to regain what he has lost Abbadon is classed in the Fantasy genre but it possesses a subtle spiritual undertone The trilogy books emphasize how free will can easily lead to unwise and even unholy choices They also document the eternal battle of goodness versus evil while portraying the celestial hierarchy in a somewhat more controversial manner than religion has previously given to us **The Xandus Chronicles** R. Cox, 2019-11-07 Angelic Champion Xandus is one of the most powerful angels in Heaven He belongs to the most successful squad in God's Army He had an unblemished record protecting humans until the sorrowful day when he failed his objective An innocent human was slain under the direct guardianship of his savior who was flawless for decades He searches for the culprit but not amongst humanity Demons Fallen angels who joined Lucifer in an uprising to usurp the Kingdom of God Xandus follows metaphysical leads from the infamous Shadow Domain He seeks righteous justice for the assassination of an innocent human not Fated to die Throughout Xandus's investigation he and squad Chrysos discover clues to a sinister plot to usurp God and usher in the Apocalypse It is up to the angels to prevent the End of Days **Elkhana and the Prince of Rhenar** Robert N. Mansfield, 2003-06 [The Delilah Archives](#) R. Cox, 2019-11-07 Angelic envoy Delilah must track down the killer of a protected human who fled to the demonic realm the Archfiend Zone While chasing the powerful foe she must confront a shameful past that taunts her every waking moment In millennia past treachery turned a large remnant of angels into conspirators who stormed Heaven and were cast down as demons During the horrible onslaught something precious was taken from Delilah her mind Bits of her intellect was taken in the form of enodes and transformed into jewels to be dispersed among her demonic rivals Her memory is forever scarred as she suffers from loss of identity in times of crisis It is her personal mission to recover what was taken from her from one of the most powerful demons in the Archfiend During her investigation she discovers a plot for Lucifer to take over the throne of God It is up to her and her squad to stop them to prevent the End of Days better known to humanity as the apocalypse *Blue Bloods: After Life* Melissa de la Cruz, 2022-07-26 The Blue Bloods are back more fanged and fabulous than ever After defeating Lucifer and sacrificing the love of her life Jack Schuyler wakes up back in New York safe and sound Only it's not quite the New York she knows and she's not in her regular body She looks different and feels different and so does everyone else Schuyler soon discovers that in this world her best friend has a different last name her parents are both

alive and well and one of them is an entirely different person and the love of her life Not so dead after all The catch Jack has no idea who she is As it turns out Schuyler is not in her New York She s not even in her universe This is an alternate reality One where Lucifer is alive and well and acting as mayor of New York Blue Bloods are luring humans to clinics to drain their blood and Jack is Lucifer s right hand man Just when she thinks all is lost Schuyler is contacted by a familiar friend the Silver Blood Kingsley The Kingsley from her world He actually remembers the Schuyler she used to be But he also has a theory and it s one she doesn t like That Schuyler was sent here to defeat Lucifer Again And that she s the only person in this universe or any universe that can defeat him *Daniel X: Armageddon* James Patterson,2012-10-15 In the fifth action packed
