Sermons of Soul Iman Rappetti, 2020-08-03 Sermons of Soul brings you the best loved opening segments from Iman Rappetti's award winning radio show POWER Talk With each daily

sermon Iman sought to reach out to her listeners and give them something special before the day's tough subjects unfolded on the programme. She wanted to create a moment for them to feel appreciated, thought of, challenged or cared for. Some days the sermon was a motivational letter encouraging listeners to stay strong and confident to have hope for themselves and the country. On other days it was different: a call to action, a sociopolitical critique, a powerfully moving assessment of how we were doing as a society. These few minutes became one of the most listened-to segments in radio so popular that people frequently called in to comment on the impact of the messages or stopped Iman in the street to talk about them. More than once the sermons have been called life-changing. Reading Iman's labour of love will remind you of important issues at the same time as it will encourage and inspire you.
