**Jackson R. Bryer**

## **Ts Eliot As Editor:**

**T.S. Eliot as Editor** Shahid Ali Agha,1986      **The Letters of T. S. Eliot** T. S. Eliot,2011-01-01 The first volume of Eliot's correspondence covers his childhood in St Louis Missouri through 1922 when he married and settled in England Volume two covers the time period of Eliot's publication of *The Hollow Men* and his developing ideas about poetry      [The Letters of T. S. Eliot](#) T. S. Eliot,2011-01-01 The first volume of Eliot's correspondence covers his childhood in St Louis Missouri through 1922 when he married and settled in England Volume two covers the time period of Eliot's publication of *The Hollow Men* and his developing ideas about poetry      *The Letters of T. S. Eliot Volume 7: 1934-1935* T. S. Eliot,2017-05-30 T S Eliot's career as a successful stage dramatist gathers pace throughout the fascinating letters of this volume Following his early experimentation with the dark comedy *Sweeney Agonistes* 1932 Eliot is invited to write the words of an ambitious scenario sketched out by the producer director E Martin Browne who was to direct all of Eliot's plays for a grand pageant called *The Rock* 1934 The ensuing applause leads to a commission from the Bishop of Chichester to write a play for the Canterbury Festival resulting in the quasi liturgical masterpiece of dramatic writing *Murder in the Cathedral* 1935 A huge commercial success it remains in repertoire after eighty years Even while absorbed in time consuming theatre work Eliot remains untiring in promoting the writers on Faber's ever broadening lists George Barker Marianne Moore and Louis MacNeice among them In addition Eliot works hard for the Christian Church he has espoused in recent years serving on committees for the Church Union and the Church Literature Association and creating at Faber but she refuses to comprehend that her husband has chosen to leave her and stalks him across literary society leading to his place of work at the offices of Faber Faber The correspondence draws in detail upon Vivien's letters and diaries to provide a picture of her mental state and way of life and to help the reader to appreciate her thoughts and feelings      [T. S. Eliot](#) Richard Wilson Ganong,Reed College (Portland, Or.). Division of Literature and Languages,1933      [The Letters of T. S. Eliot](#) T. S. Eliot,2011-09-20 Volume One 1898 1922 presents some 1 400 letters encompassing the years of Eliot's childhood in St Louis Missouri through 1922 by which time the poet had settled in England married his first wife and published *The Waste Land* Since the first publication of this volume in 1988 many new materials from British and American sources have come to light More than two hundred of these newly discovered letters are now included filling crucial gaps in the record and shedding new light on Eliot's activities in London during and after the First World War Volume Two 1923 1925 covers the early years of Eliot's editorship of *The Criterion* publication of *The Hollow Men* and his developing thought about poetry and poetics The volume offers 1 400 letters charting Eliot's journey toward conversion to the Anglican faith as well as his transformation from banker to publisher and his appointment as director of the new publishing house Faber Gwyer The prolific and various correspondence in this volume testifies to Eliot's growing influence as cultural commentator and editor      **T. S. Eliot and Organicism** Jeremy Diaper,2018-12-12 This book reads T S Eliot's poetry and plays in light of his sustained preoccupation with organicism It

demonstrates that Eliot's environmental concerns emerged as a notable theme in his literary works from his early poetry notebook of poems known as *Inventions of the March Hare* at least until *Murder in the Cathedral* T. S. Eliot Craig Raine, 2011-09-01 The winner of the Nobel Prize for Literature the twentieth century's most famous poet and its most influential literary arbiter T. S. Eliot has long been thought to be an obscure and difficult poet forbiddingly learned maddeningly enigmatic Now in this brilliant exploration of T. S. Eliot's work prize-winning poet Craig Raine reveals that on the contrary Eliot's poetry and drama and criticism can be seen as a unified and coherent body of work Indeed despite its manifest originality its radical experimentation and its dazzling formal variety his verse yields meaning just as surely as other more conventional poetry Raine argues that an implicit controlling theme the buried life or the failure of feeling unfolds in surprisingly varied ways throughout Eliot's work But alongside Eliot's desire to live with all intensity was also a distrust of violent emotion for its own sake Raine illuminates this paradoxical Eliot an exacting anti-romantic realist skeptical of the emotions yet incessantly troubled by the fear of emotional failure through close readings of such poems as *The Love Song of J. Alfred Prufrock* *Gerontion* *The Hollow Men* *Ash Wednesday* and many others The heart of the book contains extended analyses of Eliot's two master works *The Waste Land* and *Four Quartets* Raine also examines Eliot's criticism including his coinage of such key literary terms as the objective correlative dissociation of sensibility the auditory imagination and he concludes with a convincing refutation of charges that Eliot was an anti-Semite Here then is a volume absolutely indispensable for all admirers of T. S. Eliot and in fact for everyone who loves modern literature *Selected Poems of T. S. Eliot* T. S. Eliot, 2009-10-29 As a poet editor and essayist T. S. Eliot was one of the defining figures of twentieth-century poetry This selection which was made by Eliot himself includes many of his most celebrated works including *The Love Song of J. Alfred Prufrock* and *The Waste Land* Other volumes in this series Auden Betjemen Plath Hughes and Yeats **Letters of T. S. Eliot Volume 10: 1942-1944** T. S. Eliot, 2025-07-29 What is accomplished by this sort of cultural warfare is impossible to say but it is a part of total warfare which one must as an individual accept one's part in At the height of the Second World War T. S. Eliot commits himself to fighting for the cultural values of Europe He goes on a lecture tour of Sweden he writes talks for the BBC he reads poems for the Czechoslovak Centre for Aid to Russia and for the French in Britain Fund He lectures on *The Music of Poetry* in Glasgow addresses the Classical Association talks at the Moot and visits organisations including the Anglo-Swedish Society and the British Norwegian Institute and he works for the Christian News Letter He serves as President of the English Circle of Books Across the Sea and as first President of the Virgil Society He feels exhausted by travel and performance but remains stalwart And always there is the threat in London he has no regular habitation of being bombed I have taken to sleeping in my teeth Contacts and correspondents during these dark days include the film director George Hollering for whom he struggles to adapt his play *Murder in the Cathedral* Kenneth Clark Henry Moore David Jones William Empson Mary Trevelyan Karl Mannheim Louis MacNeice Elizabeth Bowen M. J. Tambimuttu Edith

Sitwell and Reinhold Niebuhr Notable poets recruited to the Faber fold include Lawrence Durrell Anne Ridler and Norman Nicholson Eliot's own creative energies are focused on completing Little Gidding the final poem of the supernal sequence Four Quartets The series of letters to John Hayward who advises him is a tour de force of the art full of news merriment and mischief

**A Half-century of Eliot Criticism** Mildred Martin, 1972 Listing and commenting on almost 2700 items the work provides the only annotated bibliography of a major contemporary author that is virtually complete Includes three indexes

**T.S. Eliot's "Criterion"** Herbert Howarth, 1959\* *The Criterion* Jason Harding, 2002 In this detailed study of literary culture in the inter war period Jason Harding examines the standing of T S Eliot's journal the Criterion in relation to other literary periodicals and beyond that to the larger cultural networks of the time The Criterion may at first sight seem a well studied publication often dismissed as predictably conservative even proto Fascist However through his examination of insufficiently known archive material and interviews with living witnesses to the period Harding significantly alters our understanding of the journal and of Eliot's role as editor More than that by carefully resituating the journal in its relations of both competition and co operation with a range of other literary periodicals for the most part little studied themselves he shows himself an authoritative and discriminating guide to the often complex networks within which Eliot worked The Criterion Cultural Politics and Periodical Networks in Inter War Britain defends the journal against charges of Fascism and anti-Semitism it is an invaluable book for scholars of Eliot and an original and incisive exploration of difficult areas of literary cultural exchange

*The T. S. Eliot Studies Annual* John D. Morgenstern, 2017-03-06 The T S Eliot Studies Annual features the year's best scholarship on this major literary figure

[A Companion to Modernist Poetry](#) David E. Chinitz, Gail McDonald, 2014-06-23 A COMPANION TO MODERNIST POETRY A Companion to Modernist Poetry A Companion to Modernist Poetry presents contemporary approaches to modernist poetry in a uniquely in depth and accessible text The first section of the volume reflects the attention to historical and cultural context that has been especially fruitful in recent scholarship The second section focuses on various movements and groupings of poets placing writers in literary history and indicating the currents and countercurrents whose interaction generated the category of modernism as it is now broadly conceived The third section traces the arcs of twenty one poets careers illustrated by analyses of key works The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to individual poets it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to come Edited by two highly respected and notable critics in the field A Companion to Modernist Poetry boasts a varied list of contributors who have produced an intense focused study of modernist poetry
