Stone In My Shoe:

I Run Line Mørkeby, 2019-08-01 A new Danish play by Line Mørkeby shining a light on how we talk about death A dad loses his six year old daughter to cancer and his world falls apart He doesn't know how to process the life shattering void following her premature death He starts running to deal with his loss Only he can't stop He runs through the pain the memories and the grief to try and find the point where he no longer runs but soars the point where he is close to her again I Run is a fast paced explosive and moving one man play about running grief and missing someone we love About how you survive the death of your child Why do we find it so hard to talk about death
