## **The Christian Revelation:**

**The Christian Revelation** Borden Parker Bowne, 1898      Discourses on the Christian Revelation Thomas Chalmers, 1851      **The Christian Revelation** Carmelo Dotolo, 2006      **Revelation** Richard Swinburne, 2007-07-26

The great religions often claim that their books or creeds contain truths revealed by God. How could we know that they do? In the second edition of *Revelation*, renowned philosopher of religion Richard Swinburne addresses this central question. But since the books of great religions often contain much poetry and parable, Swinburne begins by investigating how eternal truth can be conveyed in unfamiliar genres by analogy and metaphor within false presuppositions about science and history. In the final part of the book, Swinburne then applies the results of Parts I and II to assessing the evidence that the teaching of the Christian Church constitutes a revelation from God. In the course of his philosophical exploration, Swinburne considers how the church which Jesus founded is to be identified today and presents a sustained discussion of which passages in the Bible should be understood literally and which should be understood metaphorically. This is a fuller and entirely rewritten second edition of *Revelation*, the most notable new feature of which is a long chapter examining whether traditional Christian claims about personal morality, divorce, homosexuality, abortion, etc. can be regarded as revealed truths. A formal appendix shows how the structure of evidence supporting the Christian revelation can be articulated in terms of the probability calculus and shows that Plantinga's well-known argument from dwindling probabilities against probabilistic arguments of this kind is not cogent.

**Revelation** Jeff Ferguson, 2021-11-03. Social injustice, social distancing, and masks, the coronavirus pandemic, earthquakes, wars, and rumors of wars: is this really the end times? When thinking about the book of Revelation, death and destruction, lawlessness, and chaos seem to be the focus of most people. Humanity, especially Hollywood, seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy. The problem with this is most media sources miss the main point for which these catastrophes occur: the call of God for His creation to reunite with Him. The book of Revelation is probably the most controversial book of the Bible. Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs? Yet through all of the existing material, there is still widespread confusion and improbable comprehension regarding this prophecy. However controversial it may seem, Revelation is also one of the most important writings we have available concerning the Christian life today. It is a compulsory read for anyone serious about living their life for Jesus Christ.

*Revelation: The Full Disclosure of Jesus Christ* takes the reader verse by verse through the entire twenty-two chapters of Revelation, giving accurate but easy-to-understand explanations. It is designed as a study guide for the children of God at every level of understanding. The book of Revelation is both a continuation and ending of the story that began in the book of Genesis. So come, let us explore together the final chapter of the greatest story ever told.

*Evidences of the Christian Revelation* Thomas Chalmers, 1848      **A Philosophy of the Christian Revelation** Edwin Lewis, 1940      **The Evidence and Authority of the Christian Revelation** Thomas

Chalmers,1817      **The Christian Revelation** Borden Parker Bowne,1985      **Understanding the Book of Revelation**

Terri Lewis,2010-09 Understanding the Book of Revelation is an exposition of the Book of Revelation simply written explaining the main symbols according to the findings of most scholars on each topic It is not weighted down with speculation and fringe concepts but defines the meanings that are most often held by Biblical scholars This book takes you step by step through the Book of Revelation expounding on each issue so that you can uncover for yourself what will happen during these exciting times It will tell you if the perspective is from heaven or earth if the event is mentioned chronologically or if something yet in the future is being explained No longer do you have to be intimidated by the Book of Revelation Now you can enjoy the blessings promised to those who read and hear its message This is a book for people of all ages and denominations who are interested in understanding the Book of Revelation Dr Terri Lewis began seriously studying God s Word after she attended many hours of home Bible studies in the 70 s and 80 s and still desired more Delving deeper into the Word alone and with friends and attending college Bible courses whenever they were available she realized her passion for God s Word Terri taught Bible in the Christian Schools where she worked and later received a Doctorate Degree in Christian Education

**Revelation** M.R. DeHaan,2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book

- 1 Revelation is not a dark book It is a revelation
- 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole
- 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily

conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan
