The Christmas Story GIFT G.A. Myers, 2010-05-11 A collection of warm and stirring stories that retell favorite biblical passages containing inspiring messages that reveal the true meaning of Christmas. The miracle of the Christmas story is brought to you in vivid stories that allow you to feel as if you were there overhearing the angel Gabriel as he announces to Mary that she will bear the Christ child, peering into Joseph's heart as he grapples with the news that his betrothed is pregnant and glimpsing into heaven's silent halls as the angels wait hushed and poised ready to announce the Savior's birth. These touching and warm stories provide a fresh telling of that old and beautiful story of Christmas. *A Christmas Story* Emi Taran, 2018-12-12 Christmastime comes with many traditions. Many decorate a Christmas tree and hang lights. Manger scenes are brought out and proudly displayed. We buy or make presents for friends and family. And we sing special songs and tell special stories. Author Emi Taran's book *A Christmas Story* is a different kind of holiday story. She tells the story of Jesus's birth in a manger. But there's a character you may not expect: Santa Claus. It is a beautiful Christmas story with a heartfelt message about forgiveness, the power to redeem oneself, and the knowledge that nothing is too difficult to overcome if we change the course of our actions. *A Christmas Story* is based on an old Christmas carol that tells the story of Santa Claus in a completely different way from what we know today. It is a touching story that combines the birth of Jesus and Santa Claus coming to life. Although the story has strong ties to the biblical account of the birth of Jesus, the story moves away at times from the biblical version. Some elements are kept while others are changed, making this rendition unique. Here's the chance to enrich your storytelling repertoire and pass on another magical Christmas story. *The Christmas Story*, 2009 The Christmas story is accompanied by masterworks from the Metropolitan Museum of Art. *The Christmas Story You May Not Know* Glenn Pease, 2015-11-17 What are the details of the Christmas story? Have you thought about the background story? Mary finds out she is going to give birth to the savior of the world. Joseph finds out after that his soon-to-be wife is pregnant, but she never was unfaithful to him. When it's close to the time for Jesus' birth, the couple has to travel to Bethlehem to be taxed by the government. Then they have to flee to another country because their baby may be killed by soldiers. The details around giving birth to the savior were very stressful. This was an extremely stressful time in their lives without a doubt. They were both committed to doing what they needed to do because they believed God had a plan for their lives. *The Christmas Story* Autumn Ward, 2015-04-30 The Christmas Story retells the story of Jesus' birth with charming illustrations that perfectly complement simple rhymes young children will soon memorize and then take great delight in reading to you. From the angel's news for Mary, the events surrounding Jesus' birth, and the shepherds' visit to the wise men's journey, some time later the story

is accurately told in an age appropriate way Designed especially for toddlers and preschoolers The Christmas Story is compact sturdy and a quick read The Christmas Story A full color 12 page rhyming board book about 6 inches square durable enough for the youngest child at home or at church
