**Redescribing Paul and the Corinthians** Society of Biblical Literature,2011 This second volume of studies by members of the SBL Seminar on Ancient Myths and Modern Theories of Christian Origins reassesses the agenda of modern scholarship on Paul and the Corinthians The contributors challenge the theory of religion assumed in most New Testament scholarship and adopt a different set of theoretical and historical terms for redescribing the beginnings of the Christian religion They propose explanations of the relationship between Paul and the recipients of 1 Corinthians the place of Paul s Christ myth for his gospel the reasons for a disinterest in and rejection of Paul s gospel and or for the reception and attraction of it and the disjunction between Paul s collective representation of the Corinthians in 1 Corinthians and the Corinthians own engagement with Paul in mythmaking and social formation including mutual mis translation and mis appropriation of the other s discourse and practices      No Sacred Place ivan hugh walters,2011-09-12 No Sacred Place offers a critical study of social injustice done at the behest of law and religion in the context of cultural politics in Christianized societies Author Ivan Walters theorizes the causes of social injustice and oppression of marginalized peoples as found in the law and Christian theology in both modern and post modern cultural politics He advances a theory of redemption through a transgressive discourse that challenges most of the traditional assumptions of Eurocentric Christianity and jurisprudence Walters sees law and religion as two powerful politico cultural institutions that must be kept in check in order to protect the rights of those who are marginalized by the society History reveals a litany of horrors that have been perpetrated on marginalized peoples by both religious bigotry and the law Through theological and jurisprudential theoretical inquiries Walters advocates a thesis of at one ment through the historical Christus instead of the Christianitys bastardized version of the Christus His thesis then is grounded in a theory of challenge and resistance to oppression and the advocacy of the possibilities for redemption from oppression No Sacred Place challenges the church in particular and society in general to create a new social order and right the wrongs of the current system      **The Golden Avant-garde** Raphael Sassower,Louis Cicotello,2000 A philosopher and an artist place the phenomenon of avant garde in different perspectives They wonder how avant garde artists navigate the cultural financial and technological challenges in past and present They draw the conclusion that artists have become adept at manipulating the same forces that they seek to exaggerate and articulate in their work      The Acquisition of the DP in

Modern Greek Theodoros Marinis, 2003-12-19 This book offers new data on the acquisition of functional categories in early child speech Based on longitudinal corpora of five children acquiring Modern Greek as their first language it describes the development of single DPs consisting of definite and indefinite articles complex DPs that require the use of multiple definite articles possessive constructions appositive constructions and Determiner Spreading a form of adjectival modification and number and case marking in nouns and definite articles Detailed quantitative and qualitative analyses show an incremental development of the DP The findings address the debate concerning maturation versus continuity Incremental acquisition of the DP argues in favour of a weak continuity approach to language acquisition Whilst gradual acquisition of the DP remains unexplained within the Principles and Parameters Theory it is fully compatible within Minimalism as it is argued to result from the gradual acquisition of the features associated with the Greek DP

and aesthetics     The Titles of Jesus in Christology Ferdinand Hahn,2022-01-01 The Titles of Jesus in Christology was recognised as a major contribution to Christological study when it was first published in German in 1963 Its translation into English a few years later cemented this status Hahn undertakes a massive and detailed examination of the various traditions that led to the use of names for Jesus that we now recognise as characteristic of the very early Church Moreover he carefully distinguishes between the different Christological conceptions present in these differing branches of primitive Christianity and embodied in the terms they produced His analysis and categories have been followed by many later scholars who built on his detailed study of the peculiarities of the different titles given to Jesus by the different communities that followed him

**The Shadow Things** Jennifer Freitag,2010-10-27 The Legions have left the province of Britain and the Western Roman Empire has dissolved into chaos With the world plunged into darkness paganism and superstition are as rampant as ever In the Down country of southern Britain young Indi has grown up knowing nothing more than his gods of horses and thunder so when a man from across the sea comes preaching a single God slain on a cross Indi must choose between his gods or the one God and face the consequences of his decision     **The Interpreter** ,1885     **All About Me** Sotirios Majoros,2019-11-29

When Sotirios Majoros s thirteen year old daughter asked him a seemingly simple question What is life little did she realize the explosion of thoughts and ideas that she would set off in her father s mind To answer her question Sotirios found himself looking back through time to the father of history Herodotus and across humanity s numerous cultures focusing in particular on how this question is expressed through various pieces of artwork such as sculptures and paintings He also looked back through his own life eventually realizing that lurking beneath his daughter s question was an even more fundamental question Who am I His attempt to answer this question forms the foundation of this book     **New Testament Pattern**

Jean-Louis Leuba,2022-11-24 What is the nature of Christian unity Is it Sacramental Organic Federal Spiritual These are questions that demand careful examination when different Christian traditions are drawing closer to one another in a common desire to heal the divisions that hinder the witness of the Church to the world In any attempt to deal with these questions full weight must be given to the evidence of the New Testament itself what kind of unity does it reveal In New Testament Pattern Jean Louis Leuba reveals a two fold framework of unity in the New Testament One strand in its witness to Christ to the Apostles and to the Church emphasises the institutional traditional and particular The other strand emphasises the personal dynamic and universal Yet the two strands are actually one Their unity is more comprehensive more creative than any undifferentiated unity could be with important implications for ecumenism and broader scriptural study     The Last Sacrifice Hank Hanegraaff,Sigmund Brouwer,2012-04-19 Helius Nero s most trusted adviser anticipates the death of his sworn enemy the legendary warrior Gallus Sergius Vitas scheduled to die a gruesome death in the arena However the badly beaten man who appears in the amphitheater is not who he seems Rescued by a stranger and given a mysterious scroll Vitas is told he must decipher this letter to find the answers he needs a letter that Helius is also determined to decipher and to

keep hidden from Nero As Nero s reign of terror grows so does his circle of enemies      **A New Order of the Ages** Collin Robert Bowling,2011 For millennia the human race has been controlled and manipulated by forces beyond our own dimension or awareness A carefully managed human extra dimensional breeding program has produced a hybrid slave race that isn t aware of its true origins or fate Few know that these shadow puppeteers are actually in control or that they even exist They are not human but then again neither are we As the epic battle of consciousness expands into the outer dimensions we know that one thing is for certain When the Liberty Bell rings once again their empire will be reduced to a heap of ashes There will be an army of forces backed by the highest of forces in the heavens which will conduct this re awakening of the masses This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free The battleground is within each of us and our captors are but a reflection of humanity Unless we change ourselves how will the reflection be changed Hopefully after this enduring encounter deep into the rabbit hole you will realize how this reality has been manipulated by forces in the fourth dimension In order to succeed we must propel ourselves through the heart chakra and into the fifth dimension where the beloved Terra will find the peace and dignity that she deserves The fate of the world hangs in the balance All we have to do now is make a choice      *The Last Temple* Hank Hanegraaff,Sigmund Brouwer,2012-07-20 Set in the turbulent years just before one of the most horrendous events in Jewish history The Last Temple concludes the trilogy of The Last Disciple and The Last Sacrifice Vitas is reunited with his wife and retires to Alexandria determined to live a quiet domestic life But he can t avoid the debts that he owes to the men who saved him and he becomes a key figure in the plot to rid the empire of Nero It sweeps him into the year of four emperors when the Roman Empire is nearly destroyed and takes him back to Jerusalem as Titus lays siege to the great city Only then as the prophecy of Jesus begins to unfold does Vitas discover the true mission set before him and the astounding conspiracy behind it      **The Word** ,1909
