The Church And The Homosexual:

The Church and the Homosexual John J. McNeill, 1993-09-01 In this brave and good book which shatters bad myths Commonweal McNeill shows that the Bible does not condemn homosexuality and argues that the Church must not continue its homophobic practices

The Church and the Homosexual John J. McNeill, 1988 Fourth Edition In this brave and good book which shatters bad myths Commonweal McNeill shows that the Bible does not condemn homosexuality and argues that the Church must not continue its homophobic practices The Church and the Homosexual is a major weapon for those who are fighting to change the Church The Reverend Paul Moore Jr

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Homosexuality in the Church Jeffrey S. Siker, 1994-01-01 Outstanding authorities on scripture tradition reason biology ethics and gendered experience discuss one of the most divisive debates in the church today the place of homosexuals in the community of faith The balanced treatment of the issues and the contrasting insights of the essays make this a valuable resource for reflection individually or in groups

Homosexuality and Christian Community Choon Leong Seow, 1996-01-01 Contributors to this volume all members of the Princeton Theological Seminary faculty address the various exegetical interpretive and practical issues pertaining to the issue of homosexuality in the church These include the ordination of homosexuals and the blessing of homosexual unions as well as broader issues dealing with liturgical and theological language about God and the role of the church in a pluralistic society The contributors speak of these various

issues as theological educators ministers and committed Christians They ask What do the scriptures say about homosexuality and related issues How should the scriptures inform our theological reflection and How do we live faithfully in regard to this matter And like the Christian community at large the contributors are not of one mind on any of these issues many times they are in considerable disagreement Homosexuality and Christian Community will help to guide churches and individuals engaged in theological reflection about the place of homosexuals in the church

A Theology of Gay and Lesbian Inclusion Donald G Hanway, 2012-12-06 Encourage the Church to address the gift of human sexuality how to view it how to deal with it and how it relates to spirituality A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members From the author The purpose of this book is to equip you Christian warrior of the Gospel of peace to stand against those who use the Bible to resist change even that change of which our Lord would approve In one sense there is nothing revolutionary about this book It is a book that respects tradition but only up to a point that point where tradition has to change to give way to what the Holy Spirit is showing us in our day of the mind of Christ And this is not revolutionary because tradition has had to change before it is a developing truth born of the corporate experience of the children of God and open to our claiming the exercise of our God given gift of reason A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author to developing grounding in Scripture and experience to appealing to the reader to act as an ally of gay and lesbian Christians The letters include Dear Christian Believer which aims for the bull's eye of the reader's faith Dear Sexual Being which offers a fresh look at a sensitive topic Dear Confused Church Member which discusses what gay people are really like Dear Concerned Church Member which discusses what gay people really want Dear Bible Explorer which discusses what the Bible really says Dear Person Trying to Do the Right Thing from being to doing and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings encouraging the acceptance of gay and lesbian people as fully moral and fully Christian

Love Into Light Peter Hubbard, 2013-06-09 Over ten thousand copies sold Powerfully insightful book I am not aware of a more valuable first resource to help shape our thinking on this very contemporary issue Dr Fred G Zaspel Calvary Baptist Seminary Homosexuality is one of the most controversial moral issues of our day Headlines teem with stories of athletes coming out politicians changing positions and courts handing down same sex marriage rulings Sadly the church has often been afraid to talk about homosexuality Many Christians feel confused and divided between the call to love and the call for truth And many

who struggle with unwanted same sex attraction feel alone and alienated by the church The time is ripe for God s people to think and speak about same sex attraction in a way that is both biblical and beneficial We must reject our fears and misunderstandings and see ourselves together in need of the grace of Jesus Love Into Light is designed to move the church toward that end Written from the heart of a pastor with a love for people and a sensitivity to our culture Love Into Light is your next step toward becoming more faithfully and helpfully engaged with people in your families in your church and in your neighborhood

Homosexuality and the Death of the Church Pastor Romell Parks-Weekly,2014-04-25 Although the prophetic destiny of the Christian Church is a very controversial topic motivating many pastors and teachers to not deal with it at all the Bible is not silent about it Believing that if God took the time to inspire the apostles and prophets to write about it we should take the time to study and understand it Pastor Romell Parks Weekly takes a fresh look at Bible prophecy in *Homosexuality and the Death of the Church* Homosexuality is undeniably the controversy of our time As same sex marriage becomes legal all around the country and world many Christians fear that their religious liberties are threatened and that the world is proving its God dishonoring intent to become the modern day Sodom and Gomorrah Consequently the Church is challenged both internally and externally to deal with this controversial issue head on Join Pastor Parks Weekly as he uncovers earth shattering biblical evidence that the Church will actually die and that the issue of homosexuality will likely be the catalyst that causes it Did the Pat Robertsons and James Dobsons of the faith have it right all along Are homosexuals the enemy of the Church Is there any way to prevent the coming catastrophe or should we actually welcome the death of the Church The Bible provides the answers Uncover them in *Homosexuality and the Death of the Church*

Definitive Guidance Presbyterian Church (U.S.A.),2004-01-01 Using the statements from the 1977 1978 and 1979 General Assemblies of the Presbyterian Church in the U S and the United Presbyterian Church in the U S A this ten session study guide seeks to help Presbyterians understand the denomination s position on homosexuality and the role that definitive guidance plays in policy decisions about this issue Included is a foreword by Stated Clerk Clifton Kirkpatrick which places these issues in context for todays Presbyterians as well as the original statements from the 1977 1978 and 1979 General Assemblies

Turning Controversy into Church Ministry William P. Campbell,2010-09-21 One of the most volatile issues facing the Western Church is also one of the least discussed homosexuality Many pastors church members and congregations have become tired of the debate surrounding this topic but do not really understand the issues Pulling away from this controversy doesn t seem to help it keeps cropping up Ninety percent of pastors are aware of members or visitors to their churches who struggle with homosexual tendencies and the same percentage of churchgoers know a relative or friend who wrestles with this concern The media school systems and nearly every sector of society will challenge Christians to give a reasoned response to the escalating gay agenda For twenty five years W P Campbell has studied and debated this topic as it relates to Christ s Church He has come to the conclusion that it will not go away in our generation but it can be coaxed to find its proper place in any

congregation when it is tackled with a firm but loving grip Homosexuality in the Church is a guidebook to help Christians and whole congregations do just that It faces the heart of the controversy with the love and compassion of Christ and turns it into effective ministry Framed by the most significant biblical passages related to homosexuality and supported by science psychology and sociology each of the five parts of the book unfold a unique aspect of God s person and purpose As our Creator he has made us to be whole as our King he has provided laws and guidelines to help us remain that way as our Redeemer his power can save us from sin as our Guide his light will guide us out as our Strength he will make our ministry effective As a resource for the church today this book will Provide readers with a comprehensive overview of the biblical data about homosexuality Inform readers about current scientific psychological and cultural findings related to same sex practice Teach readers Christ like responses to gay rights activists in the Church and help them to know how to avoid extreme stances about homosexuals and the Church that result in alienating others or in supporting sexual sin Offer guidelines and tools to church leaders for mobilizing a congregation to study this topic and to engage in ministry to recovering homosexuals

Sons of the Church Thomas B Stevenson, 2014-05-22 The book that can help you reconcile being both gay and Catholic Sons of the Church The Witnessing of Gay Catholic Men spotlights testimonials from over thirty gay Catholic men to answer the question How can you be gay and Catholic Dr Thomas B Stevenson who received degrees from the University of Notre Dame Boston College and the Graduate Theological Union in Berkeley explores this question using various interviews to thoroughly analyze the many dimensions of being gay and Catholic while providing a powerful and convincing criticism of Church teaching on homosexuality This thoughtful surprisingly reverent book is the answer for those gay readers who long for a religious connection as well as for Catholic readers and those in pastoral positions who want and need to hear the stories of gay people firsthand Sons of the Church The Witnessing of Gay Catholic Men tells one story the story of what it is like to be gay and Catholic through the various stories of over thirty gay Catholic men Each chapter is arranged thematically beginning with experiences of being homosexual and Catholic during childhood and youth Subsequent chapters delve into the ways these men each finally accepted themselves and integrated their sexuality related to others who did or did not understand dealt with homosexual promiscuity found intimate relationships became a part of a community and ultimately came to terms with the Catholic Church and their faith Throughout these witnesses explain how their faith in God guides them through the various experiences and issues they face The positive aspects of Catholic Christianity are respectfully explored at the same time as the present Church teaching on homosexuality is challenged Sons of the Church uses interviews to explore Catholics coming to terms with their homosexuality the experiences of young men recognizing their sexuality suffering and oppression by society and the Church acceptance of self integration of goodness and lovability of homosexuality moral issues of promiscuity among gay men gay relationships and the Catholic dimensions of commitment criticisms of gay culture the Catholic Church teachings on homosexuality the answer to the question How can you be gay and Catholic Sons of

the Church The Witnessing of Gay Catholic Men is enlightening reading essential for educators students counselors priests nuns psychologists and theologians Catholic people gay people and every educated reader will find that the interviews and ideas here stimulate thought and create a greater understanding of the issue of homosexuality and faith **Other Voices Other Worlds** Terry Brown, 2006-04-01 Leading Anglican writers from around the world challenge the assumption that the communion is split between a liberal north and an orthodox south Anglican churches worldwide are sharply divided on homosexuality The dominant stereotype is that of a global south unanimously lined up against homosexuality as immoral and sinful and of a liberal and decadent global north The differences between the two sides are seen as fundamental and irreconcilable Nothing is further from the truth homosexual behavior exists across the whole Anglican Communion whether it is openly celebrated or quietly integrated into local churches and cultures In this extraordinary book in development for several years this is exposed as a myth Christians throughout Africa Asia and the developing world bishops priests and religious academics and lay writers open up dramatic new perspectives on familiar arguments and debates Topics include biblical interpretation sexuality and doctrine local history sexuality and personhood the influence of other faiths issues of colonialism and post colonialism homophobia and the place of homosexual persons in the church Other Voices Other Worlds reveals the rich historical and cross cultural complexity to same sex relationships and injects dramatic new perspectives into a debate that has become stale and predictable The Loyal Opposition Tex Sample, Amy E. DeLong, 2000 No issue more polarizes American Protestants today than the church's stance on homosexuality In recent years a number of denominations have engaged in prolonged and divisive debates on the subject and it appears that these debates will continue to occupy their attention The contributors to this volume call for the formation of a loyal opposition that is serious in its commitment to the difficult process of reconciliation and forgiveness Faithfulness to the gospel they remind readers requires nothing less than that Christians will be committed to the full inclusion of all persons in the body of Christ not least of all those who disagree theologically and ethically The book offers readers a multifaceted argument that the gospel requires a commitment to the full inclusion of all persons in the body of Christ It focuses on how members of mainline denominations can respond to official denominational positions with which they disagree Readers are offered an alternative response besides staying in the denomination and remaining silent or leaving the denomination because one disagrees with its official position on this issue Contributors include J Philip Wogaman Roy Sano Stanley Hauerwas Jeanne Audrey Powers Victor Paul Furnish Dale Dunlap Gil Caldwell and Joretta Marshall Foreword by Leontine Kelly *Homosexuality and the Church* Richard F. Lovelace, 1978

The Silence of Sodom Mark D. Jordan, 2002-05 The past decade has seen homosexual scandals in the Catholic Church becoming ever more visible and the Vatican's directives on homosexuality becoming ever more forceful begging the question Mark Jordan tries to answer here how can the Catholic Church be at once so homophobic and so homoerotic His analysis is a keen and readable study of the tangled relationship between male homosexuality and modern Catholicism Jordan has offered

glimpses anecdotal stories and scholarly observations that are a whole greater than the sum of its parts If homosexuality is the guest that refuses to leave the table Jordan has at least shed light on why that is and in the process made the whole issue including a conflicted Catholic Church a little more understandable Larry B Stammer Los Angeles Times Jordan knows how to present a case and with apparently effortless clarity he demonstrates the church's double bind and how it affects Vatican rhetoric the training of priests and ecclesiastical protectiveness toward an army of closet cases This book will interest readers of every faith Daniel Blue Lambda Book Report A 2000 Lambda Literary Award Finalist Still Time to Care Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism's leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I'm not gay anymore Now I'm just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research Still Time to Care provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion

Homosexuality and the Church Howard A. Snyder, 2014-01-15 Homosexuality Is it a defining issue or a distracting battle Is it a core issue of Christian belief A matter of doctrinal fidelity Or is homosexuality essentially a question of human rights the current hotspot in the long battle that progressively has given freedom to slaves and worked for equality for women and other victims of discrimination This is a tough issue Biblical Christians affirm the equality of all humans created in God's image We should work to end oppression and injustice we should help everyone enjoy the full freedom of the Gospel of Jesus Christ What then about homosexuality and homosexual practice In this short book Dr Howard Snyder approaches these questions with both prophetic nerve and pastoral sensitivity as he invites honest dialogue and authentically Christian conversation Back cover

The Way Forward? Timothy Bradshaw, 2003 The homosexuality issue is the most

pressing dilemma currently facing the churches Recent controversial church appointments in Britain and America have sparked intense argument and there has been virtually no sign of real dialogue or developing debate This important and timely book sets out the full range of Christian responses to this critical issue and offers mature and informed contributions from key figures on all sides of the debate A vital resource for theological reflection and continuing discussion this second edition of *The Way Forward* will be crucial reading for all who are concerned for the issues at stake and for the future and integrity of the churches today

Loving Women/loving Men Sally Miller Gearhart, William Reagan Johnson, 1974 Outlines the growing conflict between Gay people and organized religion and is a timely history of Gay church confrontation over the past decade including the fine scholarship of the Reverend Robert L. Treese's biblical perspective

The Church And The Homosexual Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Church And The Homosexual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Church And The Homosexual has opened up a world of possibilities. Downloading The Church And The Homosexual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Church And The Homosexual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Church And The Homosexual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Church And The Homosexual. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Church And The Homosexual, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Church And The Homosexual has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
