The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of

the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism [Evangelists in the Church](#) P. Bisagno,1971 **Dying to Grow (Free eBook Sampler)** Nathan Lorick,2013-09-02 Never before have we seen the church degenerate at such a rapid pace This is largely due to the church pursuing congregational growth instead of kingdom growth The church is dying because our growth isn t based on strategies to reach the lost with the gospel The time to change is now we can t wait any longer People s eternities are at stake What is your church s priority Are you more concerned with filling your building or furthering the Kingdom This book will challenge you to evaluate just how important gospel based evangelism is to you and your church and call on you to restore an intentional evangelism strategy within the body Hell will tremble when churches once again make evangelism the central theme of their strategy **EVANGELISM - The Responsibility of the Church in the 21st Century** Dr. Michael McKinney,2006-04-27 The church s mission has not changed in 2000 years Churches need to become hubs for the training of evangelists and marketplace leaders rather than entertainment centers It s time for leadership to wake up and realize prosperity without purpose is creating a climate change in our churches apathy and lukewarmness Refocus your vision Refire your passion for souls Wake up the mission is still as important as ever

What Is Evangelism? Patricia M. Lyons,2019-11-17 Readers will find in this book a strong and uplifting argument that the Episcopal Church s theology sacramental ministry and commitment to social justice have an essential role to play in mainline Christianity and in the public square This book will help readers to understand that what it means to be an Episcopalian and how evangelism is a fruit of that identity not a mere marketing strategy or an end in itself This book is an approachable and inspiring presentation of the theological rationale and resource for sharing the faith as well as an argument that sharing the faith increases our own It addresses basic questions that are buzzing in the church today and lays out a series of stories from faith communities across the Episcopal Church both physical and digital ministries Proceeds from this book will go to Sandy Hook Promise the non profit organization doing the brave work of the Newtown Families Against Gun Violence **Reaching Generation Next** Lewis A. Drummond,2002-10-01 Evangelism is at the core of Christianity It is a life and death matter both for the salvation of individuals and for the continuing growth of the church Although the message of the gospel never changes its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture Reaching Generation Next is the perfect guide on how to effectively proclaim the gospel in today s postmodern culture Both theological and practical it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize Veteran

evangelist Lewis Drummond helps Christians understand how and why today's generation thinks the way it does and offers in capsule form sensible answers and convincing reasons for faith. While providing a basic theology of evangelism and stressing the important role of leadership, the book's primary theme is that every believer must become an evangelist. *Reaching Generation Next* is a great resource for evangelism training classes. Each chapter concludes with discussion questions. Also included are sections on spiritual awakening movements, evangelizing the disabled, and surveys for churches and individuals.

Evangelism Outside the Box Rick Richardson, 2025-07-31. It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News. But today many folks think all truth is relative, even our historical and scientific data about Christianity. So how can we reach them? We need new ways of telling people the old, old story. We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own. We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God. That's what Rick Richardson's book is all about. Here are fresh perspectives on relying on the Holy Spirit, awakening spiritual interest in others, appealing to what they value instead of what we think they should value, and leading them into a transforming experience with God. Also included is Richardson's *Circles of Belonging*, a new straightforward presentation of the message of Jesus, yes, it can even be sketched out on a napkin, that is true to Scripture and true to the new way people live and think. As an experienced evangelist and leader of evangelism programs, Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus.

Evangelism J. Mack Stiles, 2014-04-16. Christians often struggle to know where to start when it comes to telling others about God, Jesus, sin, and salvation. In this short book, J. Mack Stiles challenges us to view evangelism as something we do together instead of something we do alone, helping churches cultivate a culture of evangelism that goes beyond simply creating new programs or adopting the latest method. The seventh volume in the 9Marks Building Healthy Churches series, this book will help Christians joyfully embrace evangelism as a way of life as it equips them to share their faith with those who don't yet know Jesus. Part of the 9Marks Building Healthy Churches series.
